Dear Madam/Sir,

Greetings from the IA&AD Journal Team, of Manthan: Journal of Public Sector Auditing and Accounting of SAI India.

As you are aware, the National Academy of Audit & Accounts (NAAA), Shimla, has taken the initiative of publishing the journal of the Indian Audit and Accounts Department (IA&AD), the bi-annual academic journal, Manthan. The journal serves as a platform for scholarly discussions on advancements, innovations, and best practices in auditing, accounting, and financial management within the IA&AD and beyond.

To maintain the highest standards of academic rigour, neutrality, and integrity, all submitted articles undergo a double-blind peer-review process, wherein neither the authors nor the reviewers are made aware of each other's identities.

We are now expanding the panel of reviewers within the IA&AD for the second and subsequent editions of Manthan and invite willingness from the officials in IA&AD to participate in this review process. Your critical evaluation and constructive feedback will play a vital role in maintaining the scholarly quality of the publication.

We are also willing to expand the panel of external reviewers (e.g. professors in colleges/universities/institutes of repute, professionals in the field of accounting and auditing, etc.) as suggested by the Journal's Editorial Board. Please encourage experts/professionals known to you to send her/his interests for becoming the reviewers of the journal. We request you to kindly:

1. Confirm your willingness to serve as a reviewer for the IA&AD journal.
2. Indicate your preferred sectors/areas of interest for review so that related articles may be sent to you.

You may kindly respond to us by email, by 03 April 2026 at [naaa@cag.gov.in](mailto:naaa@cag.gov.in) / [naaa.cag@nic.in](mailto:naaa.cag@nic.in) with a copy to [dasnd@cag.gov.in](mailto:dasnd@cag.gov.in)

If you have already expressed your willingness for the panel of reviewers, it is not required to send willingness again, as we continue with the willingness, expressed earlier.

We sincerely look forward to your continued support in this important academic endeavour and thank you in advance for contributing to the success of IA&AD journal.
