MESSAGE

Vigilance Awareness Week (27th October to 2nd November 2020)

The Commission observes the Vigilance Awareness Week to emphasize the importance of integrity in public life. We are fully committed to implement the policy of "Zero Tolerance against Corruption".

"सतर्क भारत, समृद्ध भारत - Satark Bharat, Samriddh Bharat (Vigilant India, Prosperous India)" has been chosen as the theme this year. Development and progress of the nation takes place when individuals and organisations are vigilant in safeguarding integrity as a core value.

The Commission believes that citizens and organisations must look inwards at a time when the world is facing an unprecedented crisis. All organisations may focus on improvement of internal processes and activities during this year. Systemic improvements may be carried out to improve the delivery of public services in all organisations. Training and capacity building of staff is an important component supporting this objective. We have been encouraging organisations to implement these initiatives.

The Commission appeals to all citizens to actively work towards promotion of integrity in all aspects of life for the progress of the country.
