Subject: Request for contribution for April 2022 issue of ASOSAI Journal

Dear Sir/Madam,

The Asian Journal of Government Audit is a well known and popular resource for the SAI community for promotion of sound and effective audit systems. This bi-annual journal has been in circulation since 1983 and has provided a forum to ASOSAI members for discussion and dissemination of good practices. The journal accepts articles, special reports, news items and other materials from member SAIs of ASOSAI and INTOSAI.

We are glad to inform you that SAI India has recently uploaded the October, 2021 issue of ASOSAI Journal on the revamped ASOSAI Journal website. The Journal can be viewed at the following website www.asosaijournal.org. You can also follow the twitter handle of ASOSAI Journal (@AsosaiJournal) for latest updates on journal and ASOSAI related activities.

The theme of next issue (April 2022) of the journal is "Auditing Climate Change- Carbon Emission and Carbon Finance". In this regard, we request you to please provide contributions in the form of articles and other relevant material in the journal latest by 30th April, 2022.

You may kindly refer to the submission guidelines uploaded on the ASOSAI Journal website.

You are also requested to please give wide publicity to this email so that the staff members may be inspired to contribute articles in the journal on pertinent themes and encouraged to explore the revamped ASOSAI Journal website and follow its Twitter handle.

Best regards,
