CIRCULAR No.19

All the participants who are attending the training programmes at Regional Capacity Building and Knowledge Institute (RCBKI), Chennai need to submit the online impact assessment forms, through SAI-CB Portal, within 10 days on completion of three months after the course, to their Branch Officer or to their Groups Officer for onward submission to RCBKI, Chennai.

However, on verification it is seen that huge number of online impact assessment forms are pending either with the participants who have attended the training or with their Branch officers or Group officers even after long time from completion of the training.

Hence all officers/officials are requested to login in SAI-CB Portal (<https://training.cag.gov.in/Login.aspx>) and check whether any online impact forms are required to be submitted from their end either as a participant (Section-I) or as a Branch Officer (Section-II) and if so submit the same. The same may be strictly adhered to and completed on or before **15.11.2024**.

(Vide orders of Sr.DAG/Admn. dated 01-11-2024)

J.P. Palat
