

**OFFICE OF THE  
ACCOUNTANT GENERAL (AUDIT-II), ODISHA,  
BHUBANESWAR**

**CIRCULAR**

**Sub: Permission/ex-post facto approval of medical treatment- regarding**

It is noticed that many requests regarding permission/ex-post facto approval for treatment at CGHS empanelled/non-empanelled hospital are coming from the CGHS/CS (MA) beneficiaries of this office.

In this regard, all CGHS/CS(MA) beneficiaries of Audit-II (BBSR/Puri) are hereby notified that henceforth ex-post facto approval would not be entertained except emergency cases would be allowed if the employee intimates to the office within two days for emergency admission/treatment in the hospitals with justification (excepting holidays), failing which claims may not be admissible. Group Officers should be informed on priority so that genuine cases would be processed only. Others are as per CGHS/CS(MA) Rules. It is advised that treatment of self/families of officials may be made at nearest CGHS empanelled hospital.

This issues with the approval of the Accountant General.
