Madam/Sir,

I am directed to inform you that the **SHe-Box (Sexual Harassment electronic Box)** has been operationalised in this office.

SHe-Box is an online complaint management system launched by the Government of India for the registration of complaints related to sexual harassment at the workplace. It is aimed at ensuring a safe, secure, and dignified work environment for all women employees.

Women employees of this office may lodge complaints of sexual harassment, if any, through the SHe-Box platform. The system enables both the complainant and the concerned authority to track the status of the complaint filed.

For further details and to file a complaint, please visit the official portal: <https://shebox.wcd.gov.in/>

You are encouraged to familiarise yourself with the platform and make use of it, should the need arise.
