Office Order

Right to Information Act, 2005 mandates that the sought information should be supplied to the applicant within 30 days of the receipt of the application. However in some recent cases the information from wing has been received in Admn-I Section on very last day of the prescribed timeline of 30 days. Competent Authority has viewed this matter very seriously and accordingly, following timeline has been decided for the disposal of RTI application:

1.	CPIO will transfer the RTI to concerned wing	Within 03 days of receiving of the application.
2.	Reply from concerned wing	Information should be provided within 20 days of the receiving of the application from Admn-I Section and if the information does not pertain to that wing it should be informed within 02 days.
3.	Disposal of RTI application	Before expiry of the 30 days timeline.
