Dated: 19.11.2025

(As per standard e-mail list)

Sub: Conduct of SAS Exam-2 of 2025 in the revised SAS exam syllabus

Madam/Sir,

Exam Wing vide letter dated 13.11.2024 had circulated that revised syllabus of SAS exam will be implemented from SAS Exam-2 of 2025 which is supposed to be held in December 2025/January 2026.

In the Revised syllabus contains 20 papers of six branches. In revised syllabus, a candidate is required to pass 08 papers in 02 Groups of four papers each. 3 out of 4 papers in Group-I are common to all branches details mentioned in Annexure-I. Also, an exemption matrix is incorporated in the revised syllabus. Which clearly indicates to candidates to pass the paper where no exemption exists. The new paper added i.e. PC-12, PC-13, PC-14, PC-15 & PC-16 have to be attempted by all the candidates of respective streams.

In the revised syllabus focus will be on case studies/application and assertion/reasoning based questions having a graded difficulty level, in proportion to their weightage. In order to discourage rote learning, focus on testing the practical knowledge and conceptual understanding of the candidates should be there. This will be a major departure from the present exam pattern. The detailed syllabus, objectives, reference books for every paper and paper wise exemption matrix have been updated on the office website. Also, the sample model questions has been uploaded on CAG's official website under departmental examination tab.

It is also informed that candidates who have exempted/already qualified the Preliminary Examination and belong to offices where vacancies are available, as well as existing departmental candidates and DRAAOs are eligible for SAS Exam-2 of 2025. The final dates and schedule will be informed is due course.

This issues with the approval of competent authority.

Yours faithfully

 19/11/25
