**To,
All Heads of Department (As per mailing list)
Indian Audit & Accounts Department**

Subject: online courses on iGOT Karmayogi and SWAYAM/SWAYAM Plus portals for capacity building of officers/officials of IA&AD – reg.

Sir/Madam,

Coursera courses, available under the iGOT Karmayogi platform, offer structured online courses relevant to public policy, public finance, data analytics, cybersecurity, digital transformation, infrastructure, and leadership. After a detailed examination of 125 courses available on the Coursera Marketplace through the iGOT portal, 12 courses (list attached) have been identified as desirable for officers/officials working in IA&AD, keeping in view the nature and functional requirements of audit work. All the selected courses have a rating of more than four on the iGOT portal and are of suitable duration (ranging from two hours to three weeks), making them appropriate for in-service capacity building without disruption of regular duties.

The identified Coursera courses are proposed to be undertaken online through the iGOT Karmayogi portal, subject to availability of licenses and prevailing administrative instructions of iGOT Karmayogi. For Group 'A' and Group 'B' officers, the courses are available without restriction. For other categories of officials, availability shall be subject to fulfillment of eligibility conditions of Karmayogi iGOT.

In addition, **22 courses** (list attached) have been identified after a thorough analysis of existing bouquet of courses available on the **SWAYAM and SWAYAM Plus portals**.

The attached list of courses is circulated with a recommendation that officers/officials be encouraged to complete the said courses. Officers/officials completing courses on iGOT and SWAYAM/SWAYAM Plus portals shall be eligible for incentives as per extant guidelines (attached).

This issues with the approval of the competent authority.
