PREFACE

The Annual Review on working of the Public Works Divisions is prepared as per instruction contained in Para 8.54 of C.A.G M.S.O (A&E) irregularities / deficiencies noticed in maintenance and submission of accounts and in the functioning of the Public Works, Public Health Engineering, Water Resources and Minor Irrigation Divisions in the State of Manipur.

The review includes audit observations noticed during local audit. There is a scope for improvement in the upkeep, maintenance, and submission of accounts by the State PW Divisions. The State Government need to take urgent steps to remove the deficiencies/irregularities pointed out in this Review.

I hope this Annual Review for the year 2019-20 will help improve the functioning of these departments and the divisions to ensure better quality in preparation, maintenance and timely submission of Monthly Accounts to the Accountant General.

Principal Accountant General (A&E)

Date:

1. Introduction

The Annual Review on the working of Public Works Divisions comprising of four Departments, Public Works (PWD), Public Health Engineering (PHED), Water Resources(WRD) and Minor Irrigation (MID),has been prepared with the objective of presenting the status of maintenance of initial and subsidiary accounts and the rendition of Monthly Accounts by Divisions to the Accountant General.

The review aims to highlight in general, the non-adherence of codes and rules by various units working under the PWD. The accounting transactions of PWD include receipt and payment under various relevant heads. There is an established accounting procedure prescribed for PWD under which compiled accounts are submitted to the O/o. The Principal Accountant General (A&E), Manipur. The financial, accounting and administrative rules and procedures to be followed by the PWD have been elaborated in Departmental Financial Rules, Manipur Financial Rules, Account Code Vol.-III and Manuals of the Department. Any deviation from these rules and procedures by the PWD authorities affects the entire process of financial accountability. It is, therefore, essential to ensure that the Departments exercise essential controls with necessary checks and balances in place and have the requisite internal control structure.

The Review has been divided into two parts. Part-A includes the irregularities/defects and omissions noticed during the checking of Monthly Accounts, and Part - B includes irregularities, objections and shortcomings noticed during Central Audit and local Audit of Public Works Divisions.

2. Public Works Divisions

The number of divisions in the PWD, PHED, WRD and MID during 2019-20 were as under:

Sl. No.	Name of Department	No. of Divisions			
		At the commencement of 2019-20	Created during 2019-20	Abolished during 2019-20	At the close of 2019-20
1	PWD	33	-	-	33
2	PHED	25	-	-	25
3	WRD	20	-	-	20
4	MID	5	-	-	5
	Total	83	-	-	83

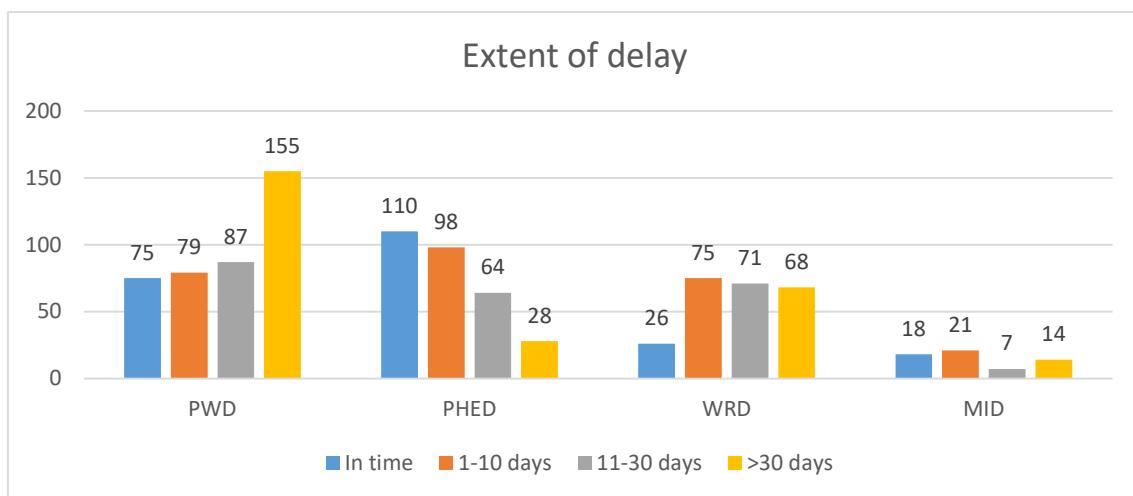

PART – A (ACCOUNTS)

1. Delay in submission of Monthly Accounts.

Monthly Accounts of the divisions should reach the office of the Accountant General (A&E) not later than 10th of the following month to which they relate. However, during the course of review it was noticed that 767(77 *per cent*) accounts out of 996 accounts were not received within the due dates thereby causing delay in compilation and consolidation of the accounts of the State as whole. Statements showing the extent of delay in number of days are enclosed in **Annexure – A to D**. Following table shows the status of receipt of accounts.

Sl. No.	Name of Department	Total no. of accounts to be received	No. of accounts received in time	No. of accounts delayed	Range of delay (Days)
1	PWD	396	75	321	1-83
2	PHED	300	110	190	1-50
3	WRD	240	26	214	1-116
4	MID	60	18	42	4-67
	Total	996	229	767	1-116

1.1 Extent of Delay in submission of Monthly Accounts by Divisions

As such, urgent action needs to be initiated from the highest level to ensure timely submission of the Monthly Accounts by the Divisions so as to enable this office to prepare the Monthly Civil Accounts and in turn submit to the State Government in time.

2. Schedule of Misc. Public Work Advances

In terms of Para 13.4.1 of Central Public Works Accounts Code, transactions recorded under the head “Miscellaneous Public Works Advances” are divided into four classes:

- (a) Sales on credit.
- (b) Expenditure incurred on Deposit Works in excess of deposits received.
- (c) Losses, retrenchments, errors, etc.
- (d) Other items.

In terms of Para 22.4.16, a Schedule of Misc. Public Works Advances in CPWA Form 70 should be prepared and furnished along with the monthly account, month after month, so long as there are balances outstanding under the accounts concerned. This schedule should be restricted to the items affected during the month. Besides, a list of items outstanding for more than six months is required to be furnished to Accountant General (A&E), Manipur half yearly with Monthly Accounts of September and March. However, none of the divisions rendered the Schedule of Misc. Public Works Advances along with the Monthly Accounts as per codal provisions.

Appropriate action may be initiated to ensure furnishing the Schedules of Misc. Public Works Advances of along with divisional accounts.

3. Cash Settlement Suspense Accounts (CSSA)

There was no transaction under Major Head “8658-107-Cash Settlement Suspense Account” during the year 2019-20. However, there was an outstanding balance of `47.19 crore (Dr.) as on 31st March, 2020. The concerned Departments may take necessary steps to clear the balances.

4. Non-submission of Schedule of Reconciliation of Cheques & Remittances (CPWA Form-51)

Divisional Officer has to submit Reconciliation Statement in Form 51 indicating the differences between the cheques issued and remittances made by the Division on one hand and cheques encashed and remittances accounted for by the bank. The Divisional Officer should also prepare and furnish list of cheques issued but not cashed and remittances made but not accounted for during the month as well as cheques issued and remittances made during the previous months accounted for in the bank scroll during the month on hand along with the Monthly Account. However, none of the divisions are submitting Reconciliation Statements in Form - 51 during the period under report.

The Departmental Heads should issue instructions to all the concerned Divisions having cheque-drawing authority to prepare Form -51 - Schedule of Reconciliation of Cheques and Remittances (Format-Annexure E) alongwith Monthly Accounts.

5. Position of Reconciliation:

This office had issued the Tentative Calendar for reconciliation of Departmental figures with the Principal Accountant General (A&E) figures on a quarterly basis. Necessary instructions may be issued to the Chief Controlling Officer to ensure quarterly reconciliation of expenditure booked by this office and to send reconciliation certificates promptly so that differences, if any, noticed by the Department could be rectified before the completion of the financial year. Statements showing the position of reconciliation for the year 2019-20 are as follows:-

Reconciliation status of Expenditure and Receipt (Department wise):

Department	Expenditure	Receipt
	(in percentage)	(in percentage)
PWD	90.64	89.53
PHED	100.00	100.00
WRD	92.47	77.12
MID	100.00	100.00
Total Percentage	95.78	91.66

6. Irregularities in the preparation of Monthly Accounts.

The Monthly Account should be prepared in Form 80 for presentation (with all supporting registers, schedules, vouchers, etc.) to the Divisional Officer and submission to the Accountant General (A&E), Manipur. It should be supported with the following documents:

- (a) Cash Balance Report in Form 5.
- (b) Schedule of Revenue realized in Form 46A.
- (c) Schedule of Works Expenditure in Form 64.
- (d) Classified Abstract of Expenditure in Form 74, etc.
- (e) Schedule Deposit of Works in Form 65.
- (f) Schedule of Deposits in Form 79.

It was observed that the documents mentioned above were not enclosed in most of the accounts submitted. The Divisions may be instructed to mandatorily ensure inclusion of the required forms in their Monthly Accounts.

Part – B (AUDIT)

Irregularities Noticed During Audit of Public Works Divisions

The result of audit for the year 2019-20 revealed that maintenance of initial records of accounts and functioning of the Divisions was not satisfactory and irregularities continued to persist despite having been pointed out in the Inspection Reports during the local Audit.
