The purpose of the Review is to highlight irregularities, omissions and defects in the maintenance of initial accounts by these Forest Divisions/ Circle office, and to communicate them to the State Government. The review is intended to assist the State Government to take suitable corrective measures to improve the working of Divisions/Circle offices.*

The irregularities pointed out in the earlier reviews are still persisting and adequate action has not been taken by the Departments to rectify them. Timely action is therefore called for to set right the defects already pointed out and to enforce rules and regulations to minimize the irregularities. The Government/Head of Department may take suitable and effective steps to avoid their recurrences.

Part-I contain observations relating to accounts that were noticed in the office of the Principal Accountant General (A&E) Himachal Pradesh, Part-II contains common type of irregularities noticed in Central Audit and local audit of Forest Divisions by the office of the Pr. Accountant General (Audit), Himachal Pradesh during 2023-24.

PART-I- Deficiencies noticed in Monthly Compiled Accounts

This part contains observations about persistent and other common irregularities noticed during checking of monthly accounts received in the office of AG (A&E) from various divisions.

1. Reconciliation of Monthly Account Figures

In order to exercise effective control over expenditure and to ensure correct classification in accordance with budget allocation. Divisional Forest Officers are required to reconcile departmental expenditure with those booked in the office of the Principal Accountant General (A&E) H.P.Shimla.

The amount booked under Major Heads "**0406-Receipts on Forestry & Wildlife**" and **2406-"Revenue Expenditure on Forestry & Wildlife"**, **4406-Capital Outlay on Forestry & Wildlife"**, Complete reconciliation was achieved with below mentioned amounts which is commendable.

2 Balances outstanding under Forest Remittances/Inter Circle/Inter Division Transactions.

The payments made for or on behalf of other Forest Officers and booked under the head ICT/IDT in the Cash Accounts remain unadjusted till the credits in respect of these debits are booked by responding Forest Officers in their accounts. In order to liquidate the outstanding balances and to ensure incorporation of expenditure under the final head of account, it is necessary that the credit should invariably be booked in the following month and debit should not be raised without getting the bills accepted from the concerned divisions/circles. It was noticed that the full particulars were generally not being recorded in the Vouchers/Schedules.

As a result, the unadjusted balances of Rs. 1666.71 lakh (credit) under of different categories could not be analysed / cleared.

***Material for the Annual Review on the working of Forest Divisions of
State of Himachal Pradesh for the year 2023-24***

Part I (Audit Findings)

Expenditure Side

I. Blockade of government funds due to non-completion of works

Audit test checked the records (between July 2023 and April 2024) maintained in the office of two forest divisions¹ and noticed that an expenditure amounting to ₹101.9 lakh could not be utilized during the year which resulted in blockade of fund to that extent as per the details given in **Annexure-E-1**.

Recommendation:

Matter may be investigated properly, and compliance thereof intimated to Audit accordingly.

II. Non completion of works resulted in unfruitful expenditure.

Audit test checked the records (between July 2023 and April 2024) maintained in two divisions², it was noticed that an expenditure of ₹528.01 lakh was incurred on construction work of Inspection Hut at Bhunjund, Auditorium, Gymnasium and Badminton Hall and In-Service Training Hostel in Forest Training Centre Compound at Sunder Nagar which were still lying uncompleted, hence expenditure incurred was unfruitful as per the details given in **Annexure-E-2**

Action may be taken as per rules and compliance intimated to Audit accordingly.

III. Irregular expenditure on procurement of Material.

Audit test checked the records (between July 2023 and April 2024) maintained in the office of Pr.CCF(HoFF) Shimla and noticed that an expenditure of ₹3.57 lakh was incurred during 2016-17 and 2017-18 for procurement of Iron Bars (Steel) which were to be utilized for the construction of Type I quarters at Chakkar. As the proposed construction area falls in the green area of Shimla City and owing to the ban imposed by Hon'ble NGT, building plan was not approved by M.C. Shimla. All the material was purchased in anticipation of due clearance from M.C. Shimla, which violated the Rule 87 of HPFR. It was further noticed that all the material purchased was lying unutilized as of June 2023, as the work for the construction of quarters is yet to be started. Given the above circumstance, the chance of

¹ DFO Dalhousie and Add.Pr.CCF(R&T), Sundernagar

² DFO Keylong and Add.Pr.CCF(R&T), Sundernagar

deterioration/theft of government property could not be ruled out in the audit as per detail given in **Annexure-E-3**.

Recommendation:

Action may be taken as per rules and compliance intimated to Audit accordingly.

IV. Non utilization of funds.

Audit test checked the records (between July 2023 and April 2024) maintained in the office of the three divisions³ and observed that against the approved APOs of Rs. 503.44 lakh, an amount of Rs. 322.32 lakh was utilized for carrying out different activities and balance of **₹181.12 lakh** was surrendered to the sanctioned authority which was irregular and cannot be admitted in audit as per the details given in **Annexure-E-4**.

Recommendation:

Action may be taken as per rules and compliance intimated to Audit accordingly.

V. Irregular purchase of LED TV and irregular booking of expenditure under SoE– 37.

Recommendation:

Action may be taken as per rules and compliance intimated to Audit accordingly.

³ DFO Shimla(Urban), Pr. CCF(HoFF) Shimla, CCF WL(North) Dharamshala

(Details given in **Annexure E-7**).

Recommendation:

Action may be taken as per rules and compliance intimated to Audit accordingly.

VIII. Awaiting utilization certificates from the Village Forest Management Societies (VFMS).

Under Himachal Pradesh Forest Ecosystems Climate Proofing Project (HPECPP), Village Forest Management Societies (VFMS) will be formed for the arrangement of the plantation, improvement, protection, and management of the forest and these societies will be funded through the grants released under grant in-aid rules.

Audit test checked the records (between July 2023 and April 2024) maintained in the office of Divisional Forest Officer, Dalhousie and observed that there are thirty-nine (39) Village Forest Management Societies (VFMS) under the division and grants amounting to Rs. 13,46,94,189 /- have been released to them since their formation till 10/2023, it was further observed that Rs. 11,35,56,394/- have been utilized by the societies and its utilization certificates have been received so far whereas utilization certificates amounting to Rs. 2,11,37,795 /- (details given in **Annexure E-8**) are still awaited which is in contravention of ibid guidelines.

⁵ DFO Keylong, Pangti, CCF WL(North) Dharamshala, Add. Pr.CCF(R&T) Sundernagar, CF Mandi and CF WL(South) Shimla

rule. It was further noticed that an amount of ₹ 4,68,830 /- was utilized for the development and maintenance of roof rainwater harvesting structures in DFO residence-cum-building from NPV (under Rule 5 (2)(g)) during the year 2020-21, which was contrary to the provisions of CAF Rules 2018 as the same does not have provisions for incurring expenditure on infrastructure related to officers above the rank of Forest Range Officer. **(Annexure E-9).**

(SJPL) against which, a payment of ₹15 lakhs was made by Estate Branch (Forest) from SoE – Office Expenses. The water charges in respect of Forest Colony (residential accommodation) are to be paid by the allottees and are not covered under the SOE –Office expenses. Thus, payment of water charges of Forest Colony from SOE –Office Expenses instead of recovering the same from the allottees, was irregular and contrary to the rules ibid and resulted in the undue burden on State Exchequer to the above extent. **(Annexure E-11).**

Recommendation:

Action may be taken as per rules and compliance intimated to Audit accordingly.

XII. Non production of record.

Audit test checked the records (between July 2023 and April 2024) maintained in the office of the Divisional Forest Officer, Pangri at Killar, it was noticed that the records regarding cashbook was not maintained/produced to audit for the period 2020-21 to 2022-23 for scrutiny. All such plantations that have a survival percentage of more than 40 per cent and show natural regeneration in the plantation area were to be notified as established plantations. As no plantation was notified as an established plantation, chances of poor survival of plantations (survival less than 40 per cent) across the division could not be ruled out in the audit (**Annexure E-13**).

Recommendation:

Action may be taken as per rules and compliance intimated to audit accordingly.

XIV. Non achievement of targets for capturing the monkeys to make the monkeys sterilization programme a success.

Audit test checked the records (between July 2023 and April 2024) maintained in the office of the two circles⁷ and observed that target of capturing the monkeys was fixed as 49755 by Pr. Chief Conservator of Forest against which, 32240 monkeys were captured, out of which 24019 monkeys were sterilized by these Circles. Resultantly 17515 monkeys were neither captured nor sterilized by the circle. This shows the laxity and improper planning on the part of circle as per the details given in **Annexure E-14**.

Recommendation:

Action may be taken as per rules and compliance intimated to Audit accordingly.

The State Forest Department identifies the trees in the forest of the State; prepare a list of such trees both area-wise and classification-wise and such identified trees are handed over to the Corporation for exploitation and tapping of resin. The Corporation in turn pays royalty to the State Government for standing trees and per blazes of resin at the rate fixed by the State Pricing Committee. Para 3.1.1.4 of CPWD manual 2019 provides that no departmental charges are to be levied for Government Works. As both of the above works were Government works and BSNL civil wing follows the provisions of CPWD manual, levying of administrative charges amounting to ₹7929728 /- was wrong and contrary to the rules ibid and resulted in loss to the Government exchequer to the above extent.

Moreover, audit also test checked the records of office of the Divisional Forest Officer Shimla(Urban) and noticed that against due departmental charges of ₹2.82 lakh for Compensatory Afforestation, only ₹0.49 lakh were realized from the user agency which resulted in short credit of government receipts on account of departmental charges to the tune of ₹2.32 lakh.

It was however, noticed that the division failed to deposit the above funds promptly in the Government account and the same were deposited by the Division after a delay of 12 (cost of trees and departmental charges) and 77 days (GST on cost of trees) respectively, which was in contravention to HPFR, 2009 and also resulted in loss of interest to the tune of ₹3.11 lakh to government exchequer as detailed in **Annexure R – 15**.

Recommendation:

Action may be taken as per rules and compliance intimated to Audit accordingly.
