INTRODUCTION

INTRODUCTION

This report covers the working of Pay and Accounts Offices (PAOs)/Assistant Pay and Accounts Offices (APAOs) in compiling accounts of Public Works (Irrigation, Roads &Buildings, Public Health and Panchayat Raj) and Forest Divisions during the year 2019-20 and rendering them to the Accountant General (A&E).

ORGANISATION

The PAO (W&P) Organization, under the Finance Department, has payment control over Irrigation Sector and Works Expenditure in respect of Roads &Buildings, Panchayat Raj and Public Health. The PAO functions as a pre-check-cum-Treasury Office in respect of the offices under the jurisdiction of its payment control and renders accounts to the Accountant General (A&E) on a monthly basis.

The Director of Works Accounts exercises overall control over 31 Pay and Accounts Offices/Assistant Pay and Accounts Offices rendering accounts of various departments of Public Works in Telangana.

In respect of Forest department, the District Forest Officers and Forest Divisional Officers were given cheque drawing powers vide GO Rt No 12, dated 04-02-2017. Accordingly, these officers are empowered to draw cheques and make payments to parties manually or online through direct beneficiary transfer by operating PD accounts opened for this purpose.

After preparation of bills, cheques are issued through IFMIS by District Forest Officers and Forest Divisional Officers and payments are made by District Treasury Offices (DTOs) through e-Kuber. List of Payments and List of Receipts and scheduled dockets are submitted to the concerned DTOs who consolidates all the forest division accounts and render to the Accountant General (A&E).

The Number of divisions at the end of the March 2020:

Public Works: 553 divisions

Forest: 54 divisions

**PART-II
ACCOUNTING
ISSUES**

1. Rendition of Accounts and Supporting Documents for the year 2019-20:

a. Monthly Accounts: PAOs/APAOs of Public Works/ Forest Divisions are to submit the accounts of each month to the O/o the Accountant General by 12th of the subsequent month. It was however, observed that monthly accounts in respect of Public Works were received with the delay ranging between one to twenty-two days and forest divisions ranging between one to fourteen days. The delay in submission of monthly accounts to the office of the Accountant General (A&E) is a matter of concern, as it adversely affects the time schedules prescribed for compilation/submission of Annual/Monthly Accounts to the State Government and preparation of other ancillary records in this office.

This fact has been emphasized in previous reviews but so far no fruitful action has been enacted by the State Government to rectify the situation. The dates of submission of Monthly Compiled Accounts for the year 2019-20 by all the Public Works and Forest PAOs/APAOs are shown in **Statements I(a) &(b)**.

Graph (Fig:1) depicts the number of PAO/APAOs delayed submission of monthly accounts during 2019-20:

b. Schedule of Dockets and Vouchers: As per Para 554(1) of P.W.A Code, the due date for submission of schedule of Dockets and vouchersto the O/o AG (A&E) is 25th of the succeeding month. During the year 2019-20, the delay in submission of schedule and dockets by the PAO/APAOs ranged from one to seventy days. As detailed in Statement-I(c), the delay was noticed mainly for the months of February 2020 and March 2020. PAOs/APAOs of Wanaparthy, Siddipet and Karimnagar district delayed submission throughout the year. Correctness of expenditure incurred and confirmation cannot be ensured due to delay in receipt of vouchers/schedule dockets.

Map (Fig:2) given below shows the Delay in receipt of vouchers/schedule dockets:

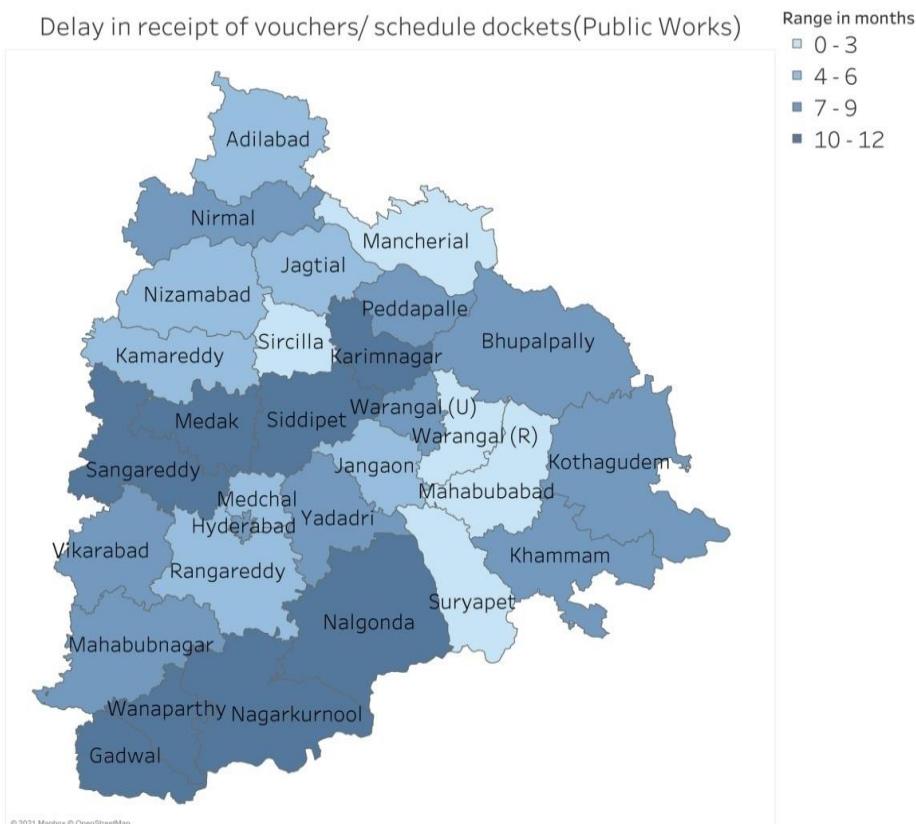

Fig:2

2. Schedule of Settlement with the Treasuries (SSTs):

Schedule of Settlement with the Treasuries (SSTs) is one of the documents designed to ensure that all the cheques drawn and remittances made by the departmental authorities are properly accounted by the Treasuries and included in Government Accounts. As per Para 567(16) of P.W.A Code, PAOs are required to submit SSTs (with supporting consolidated Treasury Receipts and Certificates of Issues, signed by the Treasury officer) to the AG (A&E) in support of the Monthly Accounts by 20th of the succeeding month. Submission of SSTs cannot be delayed beyond the last day of second succeeding month vide Government Memo dated 8-2-1978.

The outstanding items in SST at the end of the month comprise the transactions that appeared in the PAOs' accounts and not accounted for in the treasury accounts and vice versa. SSTs were not submitted by 26 out of 29 Forest PAOs/APAOs. Non-submission of SSTs in respect of Public Works remittances and cheques are shown in maps (Fig:3&4) given below. **Statement V** depicts the delay in receipts of SSTs month wise by PAO/APAOs during the year 2019-20.

Map (Fig:3) Non-receipts of SSTs in respect of PWs remittances are shown in map below:

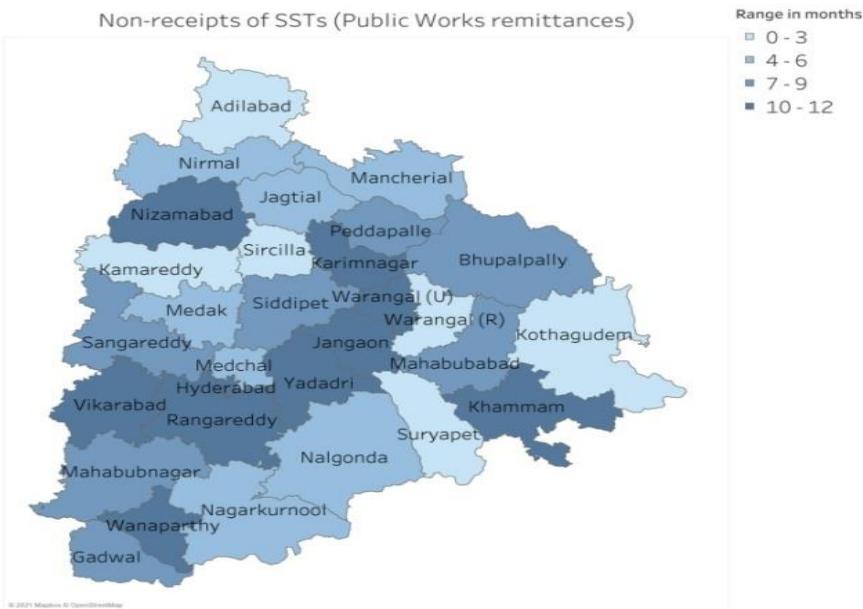

Fig:3

Map (Fig:4) Non-receipts of SSTs in respect of PWs cheques during 2019-20 are shown below:

3. Outstanding Balances in respect of Remittance Head:

Due to non-receipt of SSTs from PAOs as well as misclassification of amounts by treasuries, credit amount of ₹215.61 crore (8782-102-01 remittances) and credit amount of ₹211.90 crore (8782-102-02 cheques) are outstanding under Public Works. In respect of Forest Division, credit amount of ₹876.49 crore (8782-103-01 & 03 remittances) and Debit amount of ₹577.11 crore (8782-103-02 cheques) are outstanding. Year-wise details are given in **Statement VI**. The difference between the Treasury and Divisional figures under the Sub Heads I – Remittances into Treasury and II-Cheques appear as outstanding balances under the respective Sub Heads. The reasons for the differences between the Divisional and Treasury figures are as under:

- i) Non-receipt of SSTs/non encashment of cheques.
- ii) Misclassification of the transactions of one division against another division or under different Major Heads.

These outstanding items indicate that the authenticity of transactions could not be ensured due to absence of supporting documents.

4. Wanting Vouchers:

Land Acquisition vouchers amounting to ₹14.46 crore (54 voucher) pertaining to the period 1988-89 to 1997-98 were not received in the Office of the AG (A&E) as detailed in Statement VII. This has been emphasized in previous reports as well.

5. Non-reconciliation of figures of expenditure and receipts by CCOs:

According to Para 16.9.1 read with 16.7.1 of the Budget Manual (2011), the figures of receipts and expenditure as booked in the AG (A&E) office are to be reconciled with the Departmental figures by the Chief Controlling Officers (CCOs) on a quarterly basis and reconciliation certificates (RCs) are to be rendered to AG (A&E).

The Department wise Receipts and Expenditure figures are available on AG

(A&E)'s website to facilitate reconciliation. To the end of 2019-20, receipts to the tune of ₹ 365.79 crore (98.97per cent) and expenditure to the tune of ₹10,848.88 crore (81.20per cent) of Public Works remain un-reconciled. Details are shown in **Statement VIII**.Forest divisions completed 100% reconciliation of both Receipt and Expenditure.

Non reconciliation impacts the assurance that all the receipts/expenditure have been booked under the appropriate heads of account.

6. Issues relating to GPF Accounts:

a. Non rectification of Discrepancies between booked figures and schedules furnished: In the monthly accounts submitted to AG (A&E),PAOs/APAOs are to ensure that the amounts shown under List of Receipts/List of Payments pertaining to GPF tally with the supporting schedules/vouchers.PAOs of: Irrigation Division,Rangareddy,Hyderabad (HQ),Projects Nalgonda and APAOs of Irrigation division: Gadwal, Nagarkurnoolsubmitted schedules/vouchers with discrepancies between booked figures and schedules during the year 2019-20 as detailed in **Annexure- I(a)**.

b. Non-receipt of GPF schedules for the booked figure: GPF recovery schedules containing names of the subscribers, account number,subscription and refund details are to be submitted by PAO/APAOs to AG(A &E) every month. During 2019-20, 259 schedules amounting to ₹1.14 crore were not submitted along with the monthly accounts as detailed in **Annexure-I(b)**.

Non submissions of schedules result in incomplete posting of Provident Fund accounts and consequent missing credits in individual subscriber's accounts.

7. Issues relating to Loan Schedules:

a. Wanting Schedules from PAO(W&P) for the year 2019-20: Detailed loan accounts are maintained in this office in respect of interest-bearing advances recoverable in 60 or more monthly installments for both Gazetted and Non-Gazetted

Officers.

During the year 2019-20, due to non-receipt of recovery schedules towards Loans and Advances of Governmentservants from PAOs/APAOs,an amount of ₹3,26,085and minus amount to a tune of ₹39,588could not be posted to the individual loanees' accounts. This has resulted in missing credits in loanees accounts and resulted in delay in the issue of clearance certificates.

Voucher-wise wanting schedules are detailed in **Annexure II(a)**.

b.Misclassification in Loan accounts:The following misclassifications in loan accounts, submitted by PAOs were noticed during the year 2019-20:

- i. Recovery of interest on HBA drawn by the Government servants to a tune of ₹75,787/- was misclassified under Loan Principal Head (MH-7610)instead of crediting interest head (MH-0049). Details are shown in **Annexure II(b)**.
- ii. Misclassification of ₹1,20,000/- relating to All India Services HBA under HBA (others). Details are shown in **Annexure II(c)**.

However, the above misclassifications were rectified after obtaining the required details from PAO by proposing Transfer Entry in accordance with the provisions laid down under Art 7.1 of Account Code for Accountants' General.

PART-III

AUDIT ISSUES

Consolidated Common/Miscellaneous irregularities noticed during Audit of Vouchers:

A. Concluding agreements based on Single Tender: As per Rule 194 of GFR 2017 and Public Works Manual, selection by direct/negotiation/nomination on the lines of single tender made is considered appropriate only under exceptional circumstances like tasks that represent a natural continuation of previous work carried out by the firm under emergency situations and natural calamities.

Para 6.4 of Works Audit Manual also depicts “If only single bid is received in the first call then it shall be out rightly rejected and second call shall be made with short tender notice of eight working days”.

However, audit noticed that many agreements were concluded based on single tender without specifying valid reasons for entrusting the works, resulting in evasion/avoidance of competitive bidding.

B. Hiring of Vehicles for employees of Government of Telangana: In Circular Memo No. 826/29/A2/OCN/2017 dated 16-06-2017, Finance Department of Telangana issued instructions, on hiring of private vehicles for concluding of Agreements with vehicle owners and rates of vehicle hiring to be adopted along with supporting documents to be furnished.

On scrutiny of hiring vehicle vouchers, it was noticed by audit that many of the vouchers were not supported by the relevant documents viz.agreements, copy of logbooks, tour diary copies of the officials who have actually utilised the vehicle for official purpose etc. In the absence of the supporting key documents, the correctness of the amount claimed cannot be ensured.

C. Supporting Documents for the vouchers: The Manual of Pay and Accounts Department stipulates that payments have to be supported by vouchers containing full details of payments made. However, in violation of these provisions, submission

of bills in incomplete shape has been noticed frequently.

D. Procurement of Goods: As per Rules 148 & 149 of GFR, procurement of goods and services should be done through Government e-Market place (GeM) for common use Goods and Services. The rules further state that splitting up of works into small parts to avoid tendering should not be resorted to.

However, audit noticed that the items available on GeM are being purchased through local market. It was also noticed by audit that the work is being split up into small parts and given to one contractor, thus avoiding the tendering procedure. Audit Objections for the selected PAOs are detailed in **Annexure III (a) to (c).**
