OFFICE OF THE ACCOUNTANT GENERAL (A&E), RAJASTHAN, JAIPUR

ANNUAL REVIEW ON WORKING OF FOREST DIVISIONS IN RAJASTHAN

FINANCIAL YEAR
2018-19

OVERVIEW

This Annual Review relates to the working of Forest divisions in Rajasthan State for the year 2018-19

The primary purpose of this review is to invite attention of the State Government on the shortcomings, arrears and errors in the maintenance of initial accounts noticed during the course of compilation of accounts, local audit and central audit of the forest divisions. The observations included in the review are expected to enable the executive to take corrective action to frame appropriate policies/guidelines as well as to issue directive that will lead to improved accounting and financial management and contribute to better governance.

Some of the important issues are highlighted below:

- The differences/ balances outstanding under remittance challans (head of account 8782-103-01) was `1.75 crore (debit balance) and cheques (head of account 8782-103-02) was `0.14 crore (credit balances) due to Non-reconciliation/Non-settlement of old items pertaining to the period prior to 1st April 2016.
- Balances of outstanding unpaired/unpaid cheques older than three months amounting to `0.43 crore in 32 units of forest divisions against 336 cheques were pending.
- Forest advances amounting to `0.20 crore were outstanding in 28 forest divisions up to March 2019.
- There was delay in settlement of outstanding 48 inspection reports containing 263 paras from the period 2009 to 2018
- Non-receipt of first compliance reports of forest department on local inspection during the year and observation during the central audit of forest divisions like overpayment, violation of contracts, avoidable/ excess expenditure, regulatory issues, idle investment/ blocking of funds, non-achievement of objectives apart from other miscellaneous irregularities were found.
- During the compilation of accounts and validation of vouchers for the year 2018-19, out of 27250 vouchers test checked errors were found in 3048 vouchers (11 percent) for non-submission of sanctions attached with original vouchers.

Therefore, based on the above highlighted issues and other observations mentioned as the review necessary action is required to be taken by the Forest Department.

CHAPTER-I INTRODUCTION

The review presents a collective picture of strengths and weaknesses in the functioning of 70 forest divisions in Rajasthan, bringing out salient points noticed during compilation of accounts and Central and Local audit of divisions of Forest department. Irregularities and omissions noticed are being detailed to facilitate examination and due rectification. Deficiencies mentioned are illustrative and are meant to highlight important areas which might be focussed upon by the government for greater scrutiny so that reformative action is facilitated.

Forest accounts are being received timely through Works Accounts Module (WAM) from treasuries since 1st April, 2016. No cheques and challans are being received because all payments by treasures are being made through electronic mode. Chapter-II contains observations related to clearance of Forest remittance balances, non-receipt of Form-51 related to clearance/adjustment, delayed reconciliation of accounts of receipt and expenditure heads, delay in reconciliation of accounts by divisional offices with treasury office, amount of forest advances and forest deposits, etc.

Observations made during Central and Local audit of divisions of Forest department are contained in chapter III and mainly relate to outstanding Audit Notes/Inspection Reports issued by office of The Accountant General (E&RSA), delayed receipt of compliance of Local/Central Audit Inspection Reports, etc.

CHAPTER-II OBSERVATIONS

I Monthly Accounts

With effect from 1st April 2016, the Monthly Accounts are being received timely in this office from treasuries through Works Accounts Module (WAM) along with Civil Accounts.

- II Non reconciliation/Non-settlement of items related to forest remittances of old outstanding differences of Cheques and Challans, balances of unpaid cheques requiring settlement with treasuries
- (i) Cheques and Challans were issued and remitted respectively by various Forest Divisions before 1st April 2016. As per rules, these cheques issued by the forest divisions and those encashed in treasuries should have been reconciled monthly with treasuries by forest divisions. Similarly, challans remitted by forest divisions and the amount of challans intimated as received by treasuries should have been reconciled monthly with treasuries and thereafter Form-51 should have been sent to this office. However, the reconciliation was not done in time hence, the old differences of challans `1.75 crore & cheques `0.14 crore in (77 Forest divisions in challan and 57 Forest divisions in cheque including closed divisions) cases are still lying unadjusted/unsettled.

The details of differences/balances outstanding in remittance heads of various forest Divisions as on 31.03.2019 under remittance challans (Head of Account 8782-103-01) and cheques (Head of Account 8782-103-02) are given in Annexures-A & B. The detailed and updated differences of undisposed cheques and challans were not provided in Form- 51 submitted by seventy forest Divisions upto March 2016. Wherever balance is outstanding reconciliation is necessarily required to be carried out by the divisions for clearance of remittance by adjustment /settlement or by transfer to relevant head of Account. Differences between amounts of challans deposited by forest divisions and amount of challans intimated as received by treasuries under Head of Account - 8782-103-01 might have occured due to misclassification but possibility of embezzlement cannot be ruled out. Similarly, expenditure under the concerned head will be an incorrect depiction if it is required to be written back or the cheques are to be timely encashed at the end of financial year under Head of Account - 8782-103-02 but not done so in the same financial year.

Hence, considering the significance of reconciliation, necessary directions should be issued from time to time to forest divisions. While fresh errors of misclassification need to be rectified immediately, attention should also be focused on settlement of pending differences/balances. All the divisional officers of forest department are required to take this responsibility on board as a special drive.

(ii) Unpaid Cheques

Forest divisions are yet to take action regarding write back of cheques older than three months. The amount outstanding as on 31st March 2019 was Rs 0.43 crore in 32 units of forest department against 336 cheques. The detailed list of the Divisons with amount of unpaid cheques is enclosed and is marked as Annexure-F. Despite regular correspondence by this office for clearance of unpaid cheques, effective action is still awaited.

Assurance had been given to this office for expeditious adjustment of outstanding cheques older than three months, while initiating IFMS on 01.04.2016, however, action is awaited in this matter. Necessary instructions in this regard need to be issued to concerned divisions for clearance of unpaid cheques on priority basis.

(iii) Submission of Form 51

According to Note 4(i) of rule 740 of Public Works Financal & Accounts Rule (PWF&AR) Form 51 were required to be submitted by the forest divisions to AG office on the 17th of the following month to which it relates. All the transactions are being routed through treasuries due to submission of forest accounts from 1st April 2016. However the details of balances related to old outstanding cheques and challans along with Form-51 are not being submitted by various forest divisions, causing bottlenecks for obviation of differences.

Upto the month March 2016 Form-51 have been submitted to this office by forest divisions but in seventy forest divisions differences of challans `3.41 crore & cheques `3.47 crore had occurred between the balances of these divisions and broadsheets of this office, the details of which are given in Annexure-C & D. The outstanding balances of challans was amounting to `1.75 crore and that of cheques was amounting to `0.14 crore upto the month of March (suppl.) 2019. Total Clearance of Challans amounting to `1,64,481.00 (0.93%) has been made and there was "Nil" clearance of Cheques during the year.

For the clearance of outstanding old balances under Remittance head 8782-103-01 challans and 8782-103-02 cheques the following Three camps were held at the treasury level during the financial year 2018-19.

The details of missclassification detected during the Camps are as under:-

S.N.	Name of	Period	Clearance		Internal Clearance	
Treasury			Cheque	Challan	Cheque	Challan
1.	Bikaner	28.05.18 to 01.06.18	-	256100	811397	38142649
2.	Udaipur	27.08.18 to 31.08.18	-	117261	-	203499
3.	Barmer	22.10.18 to 26.10.18	-	9004706	-	-

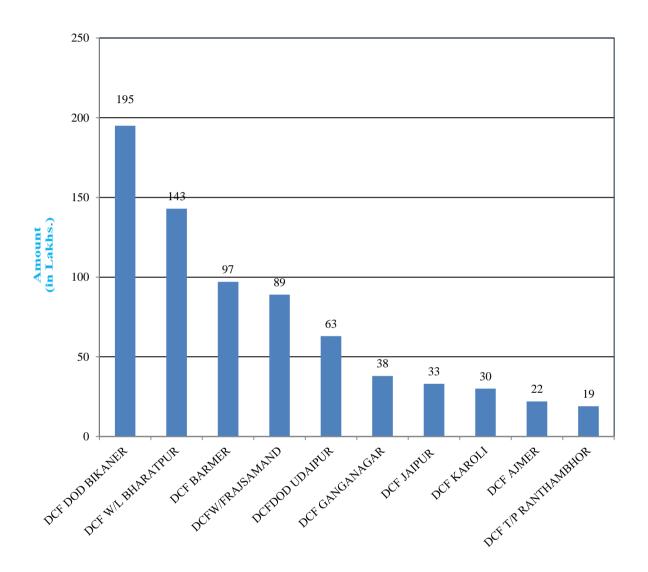

In the financial year 2013-14 an amount of `1,41,47,989/- was wrongly booked in the Major Head 0406 instead of Remittance Head 8782-103-01 of DCF W/L Bharatpur (FRT 035) at Bharatpur Treasury level. The same error was booked by the T.O. Barmer amounting to `90,04,706/- of DCF Barmer (FRT-063) during November 2010 to Feburary 2015.

Correspondence with the forest department and finance department is being done by this office for the clearance of the aforesaid outstanding balances but matter is still pending at finance department level.

Outstanding heavy balances (Plus & Minus) under Cheques and Challans upto March 2019 are as follows:-

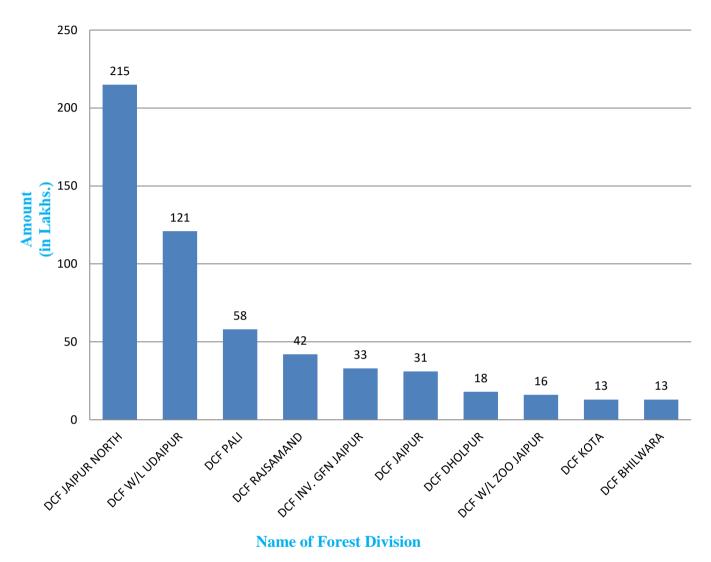

A- CHALLANS

(A-1) Top Ten Forest Divisions having outstanding balances of Challans (upto March 2019)

Name of Forest Division

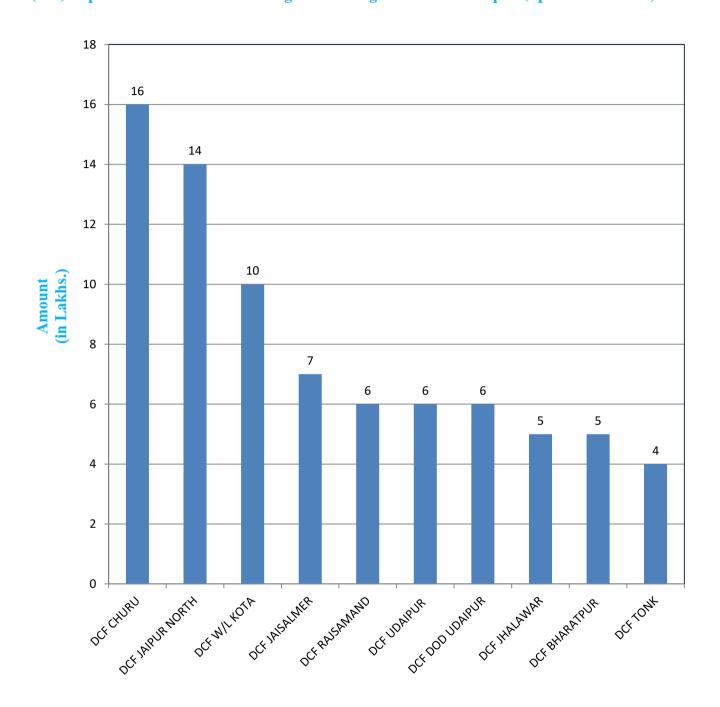

(A-2) Top Ten Forest Divisions having outstanding Minus balances of Challans (upto March 2019)

Name of Forest Division

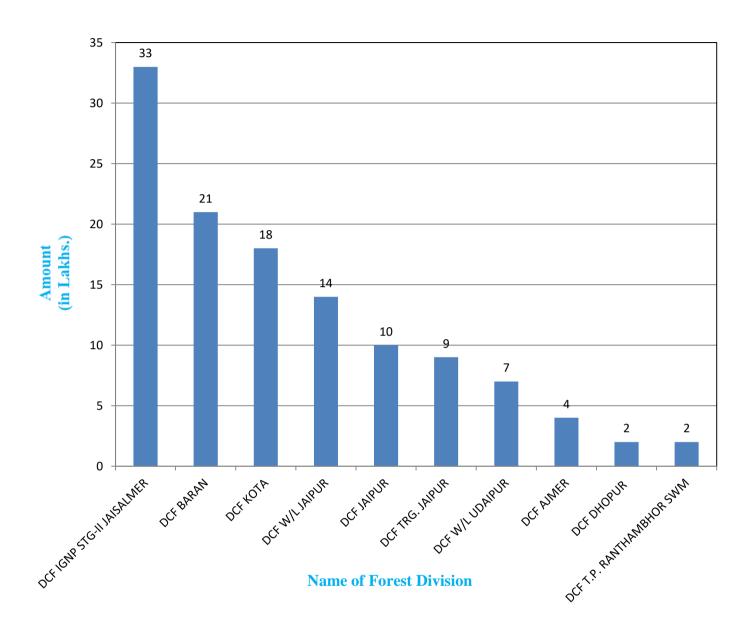

B- CHEQUES

(B-1) Top Ten Forest Divisions having outstanding balances of Cheques (up to March 2019)

Name of Forest Division

(B-2) Top Ten Forest Divisions having outstanding Minus balances of Cheques (up to March 2019)

In view of the above, reconcilation with the books of A.G. (A&E) Rajasthan, Jaipur is necessary by the concerned forest divisions. After that forest divisions should reconcile the accounts with treasury offices and prepare GA-10 for the clearance of the outstanding balances. Based on GA-10, the treasury officers submit TY-65 of the concerned month to A.G. (A&E) Rajasthan, Jaipur, so that action for the clearance/adjustment of outstanding balances may be taken by this office.

Some divisions have been closed/merged with other divisions but action regarding the transfer of their balances has not been taken making clearance/adjustment of balances difficult. Therefore instructions need to be issued regarding adjustment/clearance of balances including closed/merged divisions. The list of such 09 divisions having total balance of `-87,985.50 (Challan) `30, 87,517.00 (Cheque) and `17, 20,963.00 (Deposit) is enclosed as Annexure-E.

III <u>Delay in Reconciliation of departmental figures related to receipts and expenditure with the figures posted in books of AG office</u>

As per Government of Rajasthan, Finance Department's circular No. F-4 (13) Finance 1(V)/Budget/91 dated 04-09-1991, departmental figures of receipts and expenditure should be reconciled with the figures posted in books maintained in the office of Accountant General by concerned departments within the stipulated time. The reconciliation where the controlloing officers are situated in Headquarters i.e. PCCF, Jaipur is to be done as detailed below:

Reconciliation of the accounts for the months	Reconciliation of April accounts is to be done in
of April to February.	the first week of June. For subsequent months till
	the month of February, reconcilation is to be done
	by the first week of the month subsequent to
	closure of accounts.
Reconciliation of March accounts i.e. closing	Reconciliation is to be done as per the dates
of the Financial year.	informed by the Accountant General (A&E)
	Rajasthan, Jaipur.

The reconciliation work of receipts and expenditure have not been done by the department within the stipulated time. There was a delay ranging from one to four months in the reconciliation by the controlling officers. The detailed statement of delay is enclosed as Annexure - H. Strict compliance is needed for adherence to the prescribed time schedule for reconciliation and to ensure that the prescribed procedure is followed so that misclassifications /other errors could be rectified timely. Necessary directions need to be issued to the concerned offices for the reconciliation of receipts and expenditure.

(IV) Forest advances

Broadsheet of this office indicates outstanding balances amounting to `0.20 crore under forest advances in 28 divisions till the month of March (supplementary accounts), 2019 which have been depicted division wise in Annexure-G.

The amount of forest advance of some divisions is pending before 1st April,2016. A special drive is expected to be undertaken for adjustment of these amounts so that pendency may be cleared.

(V) Validation of vouchers

Vouchers of Major head 2406 & 4406 received from Treasuries of all 70 forest divisions during the financial year 2018-19 are as under:-

S.N.	A/C Month	Total Vouchers Received	Total no of vouchers	Error in Vouchers	Types of Error

12.	03/2019	9082	9082	377	
	Total	27250	27250	3048	

Total number of vouchers received (as per the table above) and validated during the period 2018-19 are 27250 wherein error was found in 3048(11.19%) vouchers. Correspondence is being done with the respective divisions and treasuries for rectification of errors and only 03 divisions replied for rectification of errors i.e. FRT 089 DCF Training Jaipur, FRT054 DCF Jalore and FRT 061 DCF Ganganagar. Total 79 vouchers error rectified out of 3048 (2.59%) from these 03 divisions.
