

Preface

This Report on the audit of expenditure incurred by the Government of Rajasthan has been prepared for submission to the Governor under Article 151 of the Constitution. The Report covers significant matters arising out of the compliance and performance audits of various departments including autonomous bodies. Audit observations on the Annual Accounts of the Government and departmentally run commercial undertakings would form part of a Report on State Finances, which is being presented separately. The Report containing the observations arising out of audit of statutory Corporations, Boards and Government Companies and the Report containing observations on audit of revenue receipts of the Government are also presented separately.

This Report starts with an introductory chapter which provides auditee profile, comparative position of fiscal operations of the Government of Rajasthan, authority for audit, planning and extent of audit and follow-up on Audit Reports. Chapter 2 covers performance audits while Chapter 3 discusses material findings emerging from compliance audits.

The cases mentioned in this Report are among those which came to notice in the course of test-audit of Accounts during the year 2009-10 as well as those which had come to notice in earlier years but could not be dealt with in previous Reports; matters relating to the period subsequent to 2009-10 have also been included wherever necessary.
