	<i>Paragraph</i>	<i>Pages</i>
<b>Abbreviations</b>		
<b>Executive Summary</b>		i
<b>Chapter 1: Introduction</b>		
<i>Introduction</i>	1.1	1
<i>Earlier Audit coverage</i>	1.2	2
<i>Organizational Structure</i>	1.3	3
<i>How bio-toilets works</i>	1.4	4
<i>Audit Objectives</i>	1.5	6
<i>Audit Criteria</i>	1.6	6
<i>Audit Scope, Methodology and Sample Size</i>	1.7	6
<i>Acknowledgement</i>	1.8	7
<b>Chapter 2: Induction of bio-toilets in passenger coaches and implementation of Green Stations and Corridors</b>		
<i>Decision for induction of bio-toilets in passenger coaches in IR</i>	2.1	8
<i>Action Plan for induction of bio-toilets in passenger coaches</i>	2.2	9
<i>Fitment of bio-toilets in new coaches by PUs</i>	2.3	11
<i>Retro fitment of bio-toilets in existing coaches</i>	2.4	14
<i>Implementation of Green Train Stations and Green Corridors</i>	2.5	21
<b>Chapter 3: Management of material and infrastructure</b>		
<i>Supply of bio-digester tanks for fitment/retrofitment of bio-toilets</i>	3.1	24
<i>Bacteria generation facilities</i>	3.2	31
<i>Availability of infrastructure in Carriage Workshops/MLR Workshops</i>	3.3	33
<b>Chapter 4: Upkeep and maintenance of bio-toilets</b>		
<i>Maintenance of bio-toilets in passenger coaches in Coaching Depots</i>	4.1	35
<i>Joint Inspection of trains, fitted with bio-toilets and passenger feedback</i>	4.2	40
<i>Training on maintenance and operation of bio-toilets</i>	4.3	43
<i>Public Awareness Initiatives</i>	4.4	44
<b>Chapter 5: Conclusion and Recommendations</b>		
<b>Conclusion</b>	5.1	45
<b>Recommendations</b>	5.2	46
<b>Annexure</b>	Ann 1 to 4	48-54
