

APPENDIX 4.1 Glossary of Terms

Terms	Description
Appropriation Accounts	Appropriation Accounts present the total amount of funds (Original and Supplementary) authorised by the Legislative Assembly in the budget grants under each voted grant and charged appropriation <i>vis-à-vis</i> the actual expenditure incurred against each and the unspent provisions or excess under each grant or appropriation. Any expenditure in excess of the grants requires regularisation by the Legislature.
Autonomous Bodies	Autonomous Bodies (usually registered Societies or Statutory Corporations) are set up whenever it is felt that certain functions need to be discharged outside the Governmental set-up with some amount of independence and flexibility without day-to-day interference of the Governmental machinery.
Buoyancy ratio	Buoyancy ratio indicates the elasticity or degree of responsiveness of a fiscal variable with respect to a given change in the base variable.
Committed expenditure	The committed expenditure of the State Government on revenue account mainly consists of interest payments, expenditure on salaries and wages, pensions and subsidies on which the present executive has limited control.
Consolidated Fund of the State	The fund constituted under Article 266 (1) of the Constitution of India into which all receipts, revenues and loans flow. All expenditure from the Consolidated Fund of the State is by appropriation: voted or charged. It consists of two main divisions namely Revenue Account (Revenue Receipts and Revenue Expenditure) and Capital Account (Public Debt and Loans, etc.).
Contingency Fund	Contingency Fund is in the nature of an imprest into which is paid from time to time such sums as may be determined by law, and the said fund is placed at the disposal of the Governor to enable advances to be made by him out of it for the purpose of meeting unforeseen expenditure pending authorisation of such expenditure by Legislature Assembly by law under Article 115 or Article 116 of the Constitution.
Contingent liability	Contingent liability is a liability which may or may not be incurred by an entity depending on the outcome of a future event such as a court case.
Debt sustainability	The Debt sustainability is defined as the ability of the State to maintain a constant debt-GSDP ratio over a period of time and also embodies the concern about the ability to service its debt. Sustainability of debt therefore also refers to sufficiency of liquid assets to meet current or committed obligations and the capacity to keep balance between costs of additional borrowings with returns from such borrowings. It means that rise in fiscal deficit should match with the increase in capacity to service the debt.
Domar Model	The Domar model is one of the models of analysing sustainability of public debt. In order to achieve a stable debt to GDP ratio, the model lays out the necessary <i>i.e.</i> , real rate of interest should be lower than real rate of growth and sufficient conditions <i>i.e.</i> , occurrence of primary surplus.
Guarantees	Guarantees are liabilities contingent on the Consolidated Fund of the State in case of default by the borrower for whom the guarantee has been extended.
Primary revenue expenditure	Primary revenue expenditure means revenue expenditure excluding interest payments.
Public Accounts Committee	A Committee constituted by the Legislative Assembly for the examination of the reports of the Comptroller and Auditor General of India.
Re-appropriation	Means the transfer of funds from one primary unit of appropriation to another such unit.
Sinking Fund	A Fund into which the Government sets aside money over time, in order to retire its debt.
Supplementary grants	If the amount authorised by any law made in accordance with the provisions of Article 114 of the Constitution to be expended for a particular service for
