

## Table of Contents

Particulars	Paragraph	Pages
<b>List of Abbreviations</b>		
<b>Preface</b>		
<b>Executive summary</b>		i to iii
<b>Chapter-1: Introduction</b>		
Organizational Structure	1.1	2
Audit Objectives	1.2	2
Audit criteria	1.3	3
Audit Scope and Methodology	1.4	3
Sample Selection	1.5	3
Response of the Ministry	1.6	4
Acknowledgement	1.7	4
<b>Chapter-2: Waste management at Railway Stations, Catering Units and Coaching Depots</b>		
Establishment of EnHM wing	2.1	5
Budget allocation and expenditure	2.1.1	6
Constitution of Accountable entities	2.2	7
Assessment of quantity of waste generated and its proper management	2.3	8
Regulatory requirements compliance at stations	2.4	9
Action Plan involving verifiable indicators at 37 identified major stations as per NGT's order	2.5	10
Action Plan involving verifiable indicators at other than 37 station (balance of 720 selected station)	2.6	12
Progress on actionable points under Swachh Bharat Mission	2.7	12
Efforts made for execution of railway works through CSR initiative	2.8	14
Collection and segregation of waste generated by catering units and from trains covered under OBHS	2.9	15
Assessment and collection/segregation of Plastic wastes at stations	2.10	16
Segregation, Collection and separate accumulation of Municipal Solid Waste	2.11	18
Transportation and disposal of solid waste	2.11.1	19
Facilities for Management of solid waste	2.11.2	20
Conclusion	2.12	20
Recommendation	2.13	22

<b>Particulars</b>	<b>Paragraph</b>	<b>Pages</b>
<b>Chapter-3: Management of waste generated at Railway workshops, Maintenance Sheds, Coaching Depots and Production Units</b>		
Consent to Establish (CTE) or Consent for Operation (CFO) under the Water Act, 1974	3.1	23
Authorisation from SPCBs for handling of Hazardous and other waste	3.2	24
Delay in Authorisation from SPCBs for handling of effluents and hazardous waste	3.3	24
Submission of Environmental Statements	3.4	25
Maintenance of records for storage and disposal of hazardous waste.	3.5	25
Storage of hazardous waste beyond the permissible period	3.6	26
Integrated Management System (IMS)/ Green Rating Certification	3.7	27
Conclusion	3.8	28
Recommendation	3.9	28
<b>Chapter-4: Management of waste water generated at railway stations, coaching depots, workshops and production units</b>		
Provision / Planning , commissioning and functioning of effluent/sewage treatment plant (ETPs/STPs)	4.1	29
Analysis of effluents /sludge discharged from ETPs/STPs provided in stations, coaching depots, workshops, sheds and Production Units	4.2	30
Provision of water recycling plants (WRPs)	4.3	31
Provision of Automatic Coach Washing Plants (ACWPs) at coaching depots and car sheds	4.4	32
Progress of works related to management of waste sanctioned from the funds created for Environment Related Works (ERWs)	4.5	32
Conclusion	4.6	33
Recommendation	4.7	34
<b>Chapter-5: Management of bio-medical waste generated at Railway Hospitals</b>		
Authorization for handling of bio-medical waste	5.1	35
Delay/discontinuity in renewal of authorization for handling of bio-medical waste	5.2	36
Creation of infrastructure at hospitals for handling of bio-medical waste	5.3	36
Pre-treatment of bio-medical waste before its storage	5.4	37
Segregation and pre-treatment of liquid chemical waste	5.5	38

<b>Particulars</b>	<b>Paragraph</b>	<b>Pages</b>
Proper storage facility for bio-medical waste (BMW)	5.6	38
Compliance of norms prescribed under the BMW Rules for disposal of bio-medical waste	5.7	39
Disposal of bio-medical waste at hospital level	5.8	40
Non- submission of Annual Reports as required under the BMW Rules	5.9	41
Health check-up, immunization and training of healthcare workers handling bio-medical waste	5.10	41
Existence of monitoring mechanism for managing bio-medical waste	5.11	42
Conclusion	5.12	43
Recommendation	5.13	44
<b>Chapter-6: Management of E-Waste</b>		
Absence of consolidated instructions and training for handling of E-Waste	6.1	45
Submission of stipulated Form 3 to SPCB	6.2	45
Storage of the E-Waste beyond permissible limit	6.3	46
Conclusion	6.4	46
Recommendation	6.5	47
<b>Annexures - 1.1 to 6.2</b>		49 - 110
