

TABLE OF CONTENTS

	Reference	
	Paragraph	Page No.
Preface		vii
Executive Summary		ix
Chapter 1		
Introduction		
Definition and classification of waste	1.1	1
Waste management Process and hierarchy	1.2	2
Role of Urban Local Bodies and waste generators in waste management	1.3	2
Organisational setup	1.4	3
Audit objectives	1.5	4
Audit criteria	1.6	5
Audit scope and methodology	1.7	5
Acknowledgement	1.8	6
Chapter 2		
Planning and Financial Sustainability in Waste Management		
Non-preparation of State policy and solid waste management strategy	2.1	7
Deficiencies in waste management plans	2.2	8
Deficiencies in Detailed Project Reports	2.3	9
Incorrect estimation of waste generation in Detailed Project Reports	2.4	10
Financial sustainability in waste management	2.5	15

Chapter 3		
Effectiveness and Efficiency in Management of Waste		
Solid waste generation	3.1	19
Implementation of waste management processes	3.2	20
Collection of municipal solid waste	3.3	20
Segregation of municipal solid waste	3.4	25
Transportation of municipal solid waste	3.5	30
Processing and disposal of municipal solid waste	3.6	31
Personal Protection Equipment	3.7	39
Chapter 4		
Effectiveness of Monitoring Waste Management		
Inadequate water and air quality monitoring	4.1	41
Non-submission of Annual Reports to MPCB and State Government	4.2	43
Constitution of the State Level Advisory Committee	4.3	44

APPENDICES	Reference	
	Appendix	Page No.
List of Urban Local Bodies test-checked in audit	1.1	47
Deficiencies in Detailed Project Report in test-checked ULBs	2.1	49
Deficiencies in Detailed Project Report prepared in test-checked ULBs	2.2	50
Status of user charges levied as of March 2022	2.3	51
Discrepancy in the data of collection efficiency, treatment efficiency between SLB notification and data provided by Director, Swachh Maharashtra Mission for the year 2021-22	3.1	52
Discrepancy in the data on collection efficiency, treatment efficiency for the year 2021-22 between SLB notification, data provided by Director, Swachh Maharashtra Mission and cross verification done by Audit in eight sampled ULBs	3.2	54
Discrepancy in the information furnished by Director, Swachh Maharashtra Mission and ULBs related to generation, collection and treatment of Solid Waste for the year 2021-22	3.3	55
Status of achievements against Service Level Benchmarks in the test-checked ULBs during 2021-22	3.4	56
Involvement of Organised Waste Picker and Self Help Group in door-to-door waste collection in the test-checked ULBs as of March 2022	3.5	57
Collection arrangement for and disposal of BMW from Household in the test-checked ULBs as of March 2022	3.6	58
Non-availability of sanitary landfill in the test-checked ULBs	3.7	59
Status of water quality testing in the test-checked ULBs during 2016-17 to 2021-22	4.1	60
Status of air quality testing in the test-checked ULBs during 2016-17 to 2021-22	4.2	61
Glossary of abbreviations	--	62
