

## TABLE OF CONTENTS

Particulars	Paragraph	Page(s)
<i>Preface</i>		<i>xv</i>
<i>Executive Summary</i>		<i>xvii-xxix</i>
<b>Chapter – 1</b>		
<b>Introduction</b>		
Introduction	1.1	1
Healthcare Services	1.2	1-2
Overview of healthcare institutions in the State	1.3	2
Organisational Set-up	1.4	3
Status of Health Indicators in the State	1.5	3-5
Status of overall health Indicators	1.6	5
Chhattisgarh Health indicators compared with National Health Indicators as per National Family Health Survey (NFHS)	1.6.1	5-6
Audit Objectives	1.7	7
Audit Scope and Methodology	1.8	7-9
Doctors’/ patient Survey/prescription audit	1.9	9
Patient-doctor survey conducted at healthcare institutions	1.9.1	9
Prescription audit	1.9.2	9
Audit Criteria	1.10	9-10
Ayushman Bharat Scheme	1.11	10-12
Audit Findings	1.12	12
Acknowledgement	1.13	12
<b>Chapter -2</b>		
<b>Human Resources</b>		
Introduction	2.1	14
Policy/norms for Human Resources Management	2.2	14
Human resource availability against sanctioned strength	2.3	14-16
Availability of staff in various posts under Director Health Services (DHS)	2.4	16-17
Uneven distribution of Sanctioned post of doctors in public HIs at District Level	2.4.1	18
District wise availability of doctors in the State	2.4.2	19-21
Doctor to Population Ratio in the State	2.4.3	21-22

<b>Particulars</b>	<b>Paragraph</b>	<b>Page(s)</b>
Trend of Doctor population ratio	2.4.4	22-23
Availability of Nursing and Paramedical staff	2.4.5	24-25
Human Resources in DHs/ MCHs/ CHCs/ PHCs/ SHCs in the State	2.5	26
Availability of manpower in District Hospitals	2.5.1	26-29
Availability of manpower in Community Health Centres	2.5.2	30-31
Availability of manpower in Primary Health Centres	2.5.3	31-32
Availability of manpower in Sub health Centres	2.5.4	32
Availability of manpower in Maternal and Child Health (MCH)	2.5.5	32-33
Shortage of human resources and its impact on delivery of health services in test-checked districts	2.6	33-34
Human Resources under National Health Mission	2.7	34-35
Availability of Accredited Social Health Activists (ASHAs)	2.8	35-36
Human resource under Directorate of Medical Education (DME)	2.9	36-40
Specialty wise availability of doctors in GMCHs	2.9.1	40-41
Sanctioned strength was not according to MCI norms in Staff Nurse cadre	2.9.2	41-42
Staff nurse to Bed ratio	2.9.2.1	42
Intake capacity in State	2.9.2.2	42-44
Human Resource under Food and Drug Administration Department	2.10	44-45
Availability and management of human resource in AYUSH	2.11	46
Non availability of key medical and non-medical staff	2.11.1	46-48
Conclusion		48-49
Recommendations		49-50
<b>Chapter-3</b>		
<b>Healthcare Services</b>		
Introduction	3.1	53
Delivery of healthcare services	3.2	53
Availability of OPD Services	3.3	54
OPD Services	3.3.1	54
Availability of OPD services in District Hospitals (DHs)	3.3.1.1	54-55

<b>Particulars</b>	<b>Paragraph</b>	<b>Page(s)</b>
Availability of OPD services in CHCs	3.3.1.2	55-56
Availability of OPD services in PHCs	3.3.1.3	57
Non-availability of AYUSH services in DHs, CHCs and PHCs	3.3.1.4	57
Availability of OPD services in GMCHs	3.3.1.5	57-58
OPD cases	3.3.2	58
In test checked DHs, CHCs and GMCHs	3.3.2.1	58
OPD services in AYUSH facilities	3.3.2.2	58-59
Average OPD cases per doctor per annum against available OPD services	3.3.2.3	59-60
Average consultation time	3.3.3	61
Availability of registration counter and average daily patient load per registration counter	3.3.4	61-63
IPD Services	3.4	63
IPD cases in DHs/CHCs/GMCHs	3.4.1	63
Availability of IPD wards/beds in District Hospitals	3.4.2	63-64
Availability of Burn and Isolation wards in District Hospitals	3.4.3	64
Availability of six beds in PHCs with Maternal and Child Health Care	3.4.4	65
Evaluation of IPD services through Outcome Indicators	3.4.5	65-66
Operation Theatre (OT) services	3.4.6	66
OT services in District Hospitals	3.4.6.1	66-69
In Community Health Centers	3.4.6.2	69-70
In Primary Health Centers	3.4.6.3	70
OT in Government Medical College Hospitals	3.4.6.4	70-71
Emergency services	3.5	71-72
Availability of emergency services	3.5.1	72-76
Availability of Intensive Care Units: Critical care services	3.5.2	76-78
Emergency cases referred to other Healthcare Institutions (HIs)	3.5.3	78-79
Maternity Services	3.6	79
Achievement of required four Antenatal Care check-ups and delivery of Iron folic Acids tablets, Tetanus Toxoid to pregnant women	3.6.1	79
Status of institutional deliveries	3.6.2	79-80

<b>Particulars</b>	<b>Paragraph</b>	<b>Page(s)</b>
Labour room facilities in DHs/ CHCs/ PHCs	3.6.3	80
Pathological investigations	3.6.4	80-81
Caesarean deliveries (C-Section)	3.6.5	81-82
Plotting of partograph	3.6.6	82
Special Newborn Care Unit	3.6.7	82-83
Vaccination of birth doses to new-born	3.6.8	84
Less check-up within 48 hours of delivery in post-natal care	3.6.9	84-85
Maternity care outcomes	3.6.10	85-87
Availability of services in Health and Wellness Centers	3.7	87-88
Support Services	3.8	88
Availability of Support Services in DHs in State	3.8.1	88-89
Diagnostic Services	3.8.2	89-93
Pathology services	3.8.3	93-95
Ambulance services	3.8.4	95-99
Oxygen services	3.8.5	99-100
Dietary services	3.8.6	100-101
Blood bank	3.8.7	101-102
Laundry services	3.8.8	102-103
Mortuary services	3.8.9	103-104
Water supply	3.8.10	104-105
Power supply	3.8.11	105-106
Citizen charters	3.9.1	106-107
Patient registration, grievance/ complaint redressal	3.9.2	107-109
Infection Control Management	3.9.3	109-110
Patient safety	3.9.4	110-113
Availability of seating arrangement, toilet facility and signage for Emergency, Departments and Utilities	3.9.5	113-114
Patient satisfaction survey	3.10	115
Outcome of patient survey conducted at Healthcare Institutions	3.10.1	115-116
Conclusion		116-119
Recommendations		119

Particulars	Paragraph	Page(s)
<b>Chapter-4</b>		
<b>Availability of Drugs, Medicines and Equipment in the Healthcare Institutions</b>		
Introduction	4.1	124-125
Centralised Procurement by CGMSCL	4.2	125
Finalisation of Annual Indents (AI)	4.2.1	126-127
Non-implementation of policy for centralised and decentralised procurement	4.2.2	127-129
Inordinate delay in preparing purchase manual/ rules of doing business	4.2.3	129
Irregular extension of the validity of Rate Contracts for procurement of drugs, medicines and equipment in violation of CGSPR	4.2.4	130
Abnormal delay in finalisation of tenders	4.2.5	130-131
Non-finalisation of RCs for all indented drugs resulted in purchase of drugs through local purchase	4.2.6	131
Finalisation of RCs for high value equipment	4.2.7	131-132
Purchase of equipment in excess of the quantity indicated in tender due to non-assessment of actual requirement	4.2.8	132-133
Irregularities in procurement of equipment and its reagents	4.2.9	133-136
Framing tailor made specification of equipment to qualify only particular bidder	4.2.10	136-138
Finalisation of RCs for equipment in contravention of tender committee recommendation on the basis of single bid received resulting in irregular procurement of equipment worth ₹ 31.83 crore	4.2.11	138-139
Avoidable extra expenditure due to finalisation of tenders at higher rate – ₹ 3.26 crore	4.2.12	139
Procurement of IV stand for supply to healthcare institutions of DHS at higher rate, despite having available RC at lower rate resulted in avoidable extra expenditure of ₹ 1.24 crore	4.2.12.1	139-140
Cancellation of tender for Microscope neurosurgery on unjustifiable ground and finalisation of subsequent tender at higher rate resulted in loss of ₹ 1.08 crore	4.2.12.2	140-141
Avoidable extra expenditure of ₹ 56.70 lakh on procurement of Advance Heart Lung Machine at higher rate	4.2.12.3	141-142

<b>Particulars</b>	<b>Paragraph</b>	<b>Page(s)</b>
Non-finalisation of tender for Central Monitoring System and it's consequent purchase at higher rate on nomination basis resulted in avoidable extra expenditure of ₹ 36.78 lakh.	4.2.12.4	142-143
Unwarranted procurement of equipment	4.2.13	143
Unwarranted procurement of Biosafety Cabinet valuing ₹ 72.41 lakh	4.2.13.1	143
Unwarranted purchase of Calorimeter resulted in avoidable loss of ₹ 1.44 crore due to unrealistic indent by DHS	4.2.13.2	143-144
Purchase of micro pipette in excess of the requirement resulted in unwarranted purchase of ₹ 20.92 crore	4.2.13.3	144
Unwarranted procurement of costlier stethoscope	4.2.13.4	145
Unfruitful expenditure on procurement of PET-CT machine	4.2.14	145-146
Idling of medical equipment	4.2.15	146
Idling of equipment in GMCHs valuing ₹ 8.13 crore	4.2.15.1	146-147
Idling of medical equipment in District Hospitals valuing ₹ 8.66 crore	4.2.15.2	147-148
Idling of equipment in Primary HIs	4.2.15.3	148
Non-recovery of penalty of ₹ 4.62 crore from the supplier due to delay in supply of materials	4.2.16	149
Purchase of drugs at higher rates	4.2.17	149
Purchase of drugs and medicines at higher rate due to lack of monitoring of prevailing market price resulting in extra expenditure of ₹ 5.05 crore	4.2.17.1	149-150
Extension of undue benefit to supplier resulted in avoidable extra expenditure of ₹ one crore on purchase of RD Kit	4.2.17.2	150-151
Purchase of drugs amounting to ₹ 13.14 crore at higher rates without inviting tenders and by ignoring the existing RC resulted in avoidable extra expenditure of ₹ 1.86 crore	4.2.17.3	151-152
Finalisation of RC at higher rate due to reduction in indented quantity resulted in deprival of benefit of bulk purchase and consequent avoidable loss of ₹ 4.09 crore	4.2.17.4	152-153
Avoidable expenditure of ₹ 44.20 lakh due to rejection of existing rate contract and purchasing the same at higher rate with the same supplier in subsequent tender	4.2.17.5	153-154

<b>Particulars</b>	<b>Paragraph</b>	<b>Page(s)</b>
Irregularities in purchase of Anti Rabies Vaccine	4.2.17.6	154-156
Irregular purchase of drugs amounting to ₹ 23.98 crore from the blacklisted firms	4.2.18	156
Quality Assurance	4.3	156-157
Non-replacement of NSQ drugs by the suppliers and non-levy of penalty of ₹ 1.69 crore and demurrage charges ₹ 24.60 lakh against such default suppliers	4.3.1	157
Distribution of the Not of Standard Quality (NSQ) drugs to the healthcare institutions	4.3.2	157-158
Inventory and Warehouse Management	4.4	158
Inventory Management	4.4.1	158
Management of stock of fast moving drugs	4.4.1.1	158-159
Expiry of drugs	4.4.2	159
Placement of purchase order without assessment of current stock and consumption trend resulted in expiry of drugs – ₹ 9.53 crore	4.4.2.1	159-163
Expiry of drugs valuing ₹ 3.27 crore due to acceptance of drugs with less than 80 per cent shelf life	4.4.2.2	164
Expiry of reagent kits worth ₹ 2.32 crore at HIs	4.4.3	164-165
Deficiencies in push mechanism	4.4.4	165-166
Warehouse Management	4.4.5	166
Standard Operating Procedures (SoP)	4.4.5.1	166
Improper lighting arrangement	4.4.5.2	166-167
Temperature Management in Warehouse	4.4.5.3	167-168
Poisonous medicines and hazardous chemicals	4.4.5.4	168
Management of expired Drugs and NSQ drugs	4.4.5.5	168
Other miscellaneous issues	4.4.5.6	168-169
Distribution of drugs by HIs	4.5	169
Availability of essential drugs at healthcare facilities	4.5.1	169-172
Prescription audit	4.6	172
Maintenance of medical equipment	4.7	173
Discrepancies in the annual maintenance contract of equipment	4.7.1	173
Procurement under COVID-19	4.8	173-174

<b>Particulars</b>	<b>Paragraph</b>	<b>Page(s)</b>
Finalisation of tender with the ineligible bidders resulted in irregular purchase valuing ₹ 22.98 crore and consequent undue financial benefit to the suppliers.	4.8.1	175-176
Avoidable extra expenditure due to finalisation of tenders at higher rates – ₹ 22.54 crore	4.8.2	176-179
Procurement without the recommendation of COVID committee – ₹ 23.13 crore	4.8.3	179-180
Finalisation of higher rate of RNA Extractor Machine resulted in avoidable extra cost of ₹ 24.41 lakh	4.8.4	180
Undue benefit to supplier by not levying penalty for default in supply of drugs	4.8.5	180-181
Irregularities in procurement of equipment and consumables by DME	4.8.6	181-182
Non utilisation of Automatic Nucleic Acid Extraction System valuing ₹ 2.77 crore due to non-availability of reagent	4.8.7	182-183
Availability of ventilators in test checked districts	4.8.8	183-184
Availability of drugs, medicines, equipment and other consumables in AYUSH	4.9	184
Delay in finalization of annual indent of drugs	4.9.1	184-185
Non-Availability of standard equipment at Drug Testing Laboratory and Research Centre (DTLRC), Raipur	4.9.2	185
Shortfall in achievement of targets of production of medicines	4.9.3	185-186
Excess supply of equipment worth ₹ 0.75 crore	4.9.4	186
Information Technology System developed by CGMSCL	4.10	186
Introduction	4.10.1	186-187
General Controls	4.10.2	187
Lack of planning in developing IT system	4.10.2.1	187-188
Non-operational Integrated e-Procurement System and DPDMIS	4.10.2.2	188-189
Application Controls	4.10.3	189
Input controls	4.10.3.1	189-192
Processing controls	4.10.3.2	192-196
Output Controls	4.10.3.3	196-198
Information system security	4.10.4	198
Non-formulation of Password policy	4.10.4.1	198

<b>Particulars</b>	<b>Paragraph</b>	<b>Page(s)</b>
Absence of robust website security policy	4.10.4.2	198-199
Audit Trail	4.10.5	199
Conclusion		199-201
Recommendations		201-202
<b>Chapter-5</b>		
<b>Availability and management of healthcare infrastructure</b>		
Introduction	5.1	204
Availability of Infrastructure	5.2	204-206
Availability of DHs, CHCs, PHCs and SHCs vis-à-vis prescribed norms	5.3	206-213
Gaps in availability of Healthcare Institutions	5.4	213
Availability of Healthcare Institutions in tribal and non-tribal areas	5.4.1	213
Operation of healthcare institutions in same premises	5.4.2	213-214
Non-functional PHCs in the State	5.4.3	214-215
Non-achievement of target for operating First Referral Units and Primary Health Centres on 24x7 basis	5.5	215-216
Availability of infrastructure	5.6	216
Operation of healthcare institutions in other buildings	5.6.1	216
Basic infrastructure	5.6.2	216-221
Infrastructure not created in Government Medical College Hospital	5.6.3	222-225
Availability of beds against norms in Healthcare Institutions	5.7	226-229
Health and Wellness Centres	5.8	229-230
Target and achievement for upgradation of HWCs	5.8.1	230-231
Operationalisation of HWCs	5.8.2	231-232
Drugs storage facility at district level	5.9	232-234
Status of new construction and upgradation works	5.10	235-238
Establishment of Super Specialty Institute	5.11	238-241
Infrastructure facility created for management of COVID-19	5.12	241-242
Inadequate infrastructure in test checked HIs of AYUSH	5.13	242
Lack of storage space, inefficient stock management and lack of operation space	5.13.1	242-245

<b>Particulars</b>	<b>Paragraph</b>	<b>Page(s)</b>
Lack of infrastructure in Panchakarma	5.13.2	246
Conclusion		246-248
Recommendations		248
<b>Chapter 6</b>		
<b>Funding for healthcare in Chhattisgarh</b>		
Introduction	6.1	250
Expenditure on public healthcare	6.2	250
Allocation on healthcare sector	6.2.1	251-252
Component wise expenditure on healthcare by the Department	6.2.2	252-253
Total expenditure on healthcare by the Department in comparison with NHP targets	6.2.3	253-254
Revenue and Capital Expenditure	6.2.4	254-255
Planning and allocation of resources	6.3	255
Non preparation of State Health Policy	6.3.1	255
Allocation of resources	6.3.2	255-256
Funding under Corporate Social Responsibility	6.3.3	256-257
Budget allocation and expenditure by Health Directorates	6.4	257-258
Funding under National Health Mission	6.5	258-259
Funding under National AYUSH Mission	6.6	259
Non-utilisation of funds under National AYUSH Mission	6.6.1	259-260
Delay in release of NAM fund from GoCG to the Society	6.6.2	260-261
Financial Management in CGMSCL	6.7	261
Blocking up of funds with CGMSCL due to non-surrender of un-utilised fund to the GoCG	6.7.1	261-263
Non submission of utilisation certificate on timely basis	6.7.2	263-264
Non-crediting of liquidated damages to the Government's fund	6.7.3	264-265
Financial support under COVID-19	6.8	265
State Budget	6.8.1	265-266
State Disaster Relief Fund (SDRF)	6.8.2	266
Emergency Response and Health System Preparedness Package	6.8.3	266-267
Failure to utilise available fund under ECRP II	6.8.3.1	267-268

<b>Particulars</b>	<b>Paragraph</b>	<b>Page(s)</b>
Failure to report monthly expenditure and physical progress of the work under ECRP	6.8.3.2	268
Utilisation of fund in test checked districts under COVID -19	6.8.4	268-269
Conclusion		269
Recommendations		269
<b>Chapter-7</b>		
<b>Implementation of Centrally Sponsored Schemes</b>		
Introduction	7.1	272
Fund allocation and expenditure	7.2	272-273
Implementation of National Urban Health Mission	7.3	273-274
Utilisation of funds	7.3.1	274
Planned vs execution of outreach camps	7.3.2	275
Outreach services and Orientation workshop of NUHM	7.3.3	275-276
National Disease Control Programmes	7.4	276
Abnormal Savings of ₹ 36 crore under Non-Communicable Diseases	7.4.1	276-278
National Mental Health Programme	7.4.2	278
Non-utilisation of funds under National Mental Health Programme	7.4.2.1	278-279
Implementation of Mental Health Programme in State	7.4.2.2	279-280
Availability of mental health services	7.4.2.3	280
Availability of Mental Health Programme drugs in test checked Health Institutions	7.4.2.4	281
National Iodine Deficiency Disorders Control Programme	7.4.3	281-282
National Tuberculosis Elimination Programme (NTEP)	7.4.4	283
Family Welfare Scheme	7.5	283
Non-disbursement of compensation for sterilisation acceptors (Male/Female)	7.5.1	283-284
Achievement of targets for Sterilisation and spacing methods	7.5.2	284-285
Janani Shishu Suraksha Karyakaram (JSSK)	7.6	285-286
Janani Suraksha Yojana	7.7	286-287
Implementation of Mukhyamantri Haat Bazar Clinic Yojana	7.8	287-288
Kayakalp Programme	7.9	288-289

<b>Particulars</b>	<b>Paragraph</b>	<b>Page(s)</b>
Achievement under National Quality Assurance Programme	7.10	289-290
Ayushman Bharat Pradhanmantri Jan Aryogya Yojna	7.11	290-291
Conclusion		291-292
Recommendations		292
<b>Chapter 8</b>		
<b>Adequacy and effectiveness of the regulatory mechanism</b>		
Introduction	8.1	293-294
Implementation of the Clinical Establishments Act and Rules in the State	8.2	294-295
Registration Services	8.3	296
Deficiencies in functioning of councils	8.4	297
Functioning of Food and Drug Administration in Chhattisgarh	8.5	297-299
Bio Medical Waste Management	8.6	299-303
Conclusion		303
Recommendation		304
<b>Chapter 9</b>		
<b>Sustainable Development Goal-3: Good Health and Well Being</b>		
Introduction	9.1	305
Targets of SDG – 3	9.2	306-307
Policy and framework for implementation of SDGs	9.3	308
Institutional Framework	9.3.1	308
Chhattisgarh SDG Vision 2030	9.3.2	308
Chhattisgarh SDG Indicator Framework (CG-SIF)	9.3.3	308
SDG Baseline and Progress Report-2020, Chhattisgarh	9.3.4	308-309
SDG 3 – Good health and well being	9.4	309
Preparation of Vision 2030 for SDG-3 without considering the line departments	9.4.1	310
Deficiencies in Vision 2030 documents, Action Plan and Strategic Plan for SDG-3	9.4.2	310-311
Review and Monitoring of SDG-3	9.5	311
Status of health indicators with respect to the first milestone (three years action plan)	9.6	312-314
Maternal Mortality Ratio (MMR)	9.6.1	315

<b>Particulars</b>	<b>Paragraph</b>	<b>Page(s)</b>
Infant Mortality Ratio and Under-5 Mortality Ratio	9.6.2	315-316
Neonatal Mortality Rate	9.6.3	316-317
Institutional Deliveries	9.6.4	317
Tuberculosis (TB) Success rate	9.6.5	317-318
Malaria Incidence	9.6.6	318
HIV Prevalence Rate	9.6.7	318-319
Monthly per capita out-of-pocket expenditure (OOPE) on health	9.6.8	319-320
Total physicians, nurses and midwives	9.6.9	320
Suicide mortality rate and death rate due to road traffic injuries	9.6.10	321
SDG-3 Index score	9.6.11	321-322
Conclusion		322
Recommendations		323
<b>Appendices</b>		325-414
<b>Glossary and Abbreviations</b>		415-420
