Dear Madam

Representations are being received from pensioners of Andhra Pradesh and Telangana States who draw pension in other parts of the country stating that their pension is not consolidated periodically. To overcome this problem I have enclosed a statement of consolidation applicable as on date. This is hosted in the website of this office also.

I request you to instruct the disbursing authorities to review the cases of AP & TS pensioners and regulate the payment of pension as per the statement of the consolidation. Any difficulty in processing the cases as per the statement may kindly be brought to the notice of this office.

Further, we receive queries from other Accountant General Offices regarding the applicability of State orders to service pensioners and family pensioners of combined AP State (those who were drawing pension from AP Government on 01.06.2014), i.e., whether to apply Andhra Pradesh Government orders or Telangana State Government orders. In this connection we have already addressed the Governments of AP and Telangana. Until this issue is clarified, the orders of Government of Andhra Pradesh may be adopted for pre 02.06.2014 pensioners.

I also request you to communicate me the action taken in this regard.

Regards

Yours sincerely

M. huanab
