2.2 New Pay Structure

The new pay structure shall involve a pay matrix with an ascending series of levels and ascending cells in each level. The new pay matrix shall subsume the pay band and grade pay in one simple chart as given in **Annexure - I**. The pay matrix shall comprise of two dimensions – a horizontal range of levels starting from the lowest level in the hierarchy and ascending to the highest level, with the levels being numbered from 9A to 13A1 covering the entire gamut of Teachers and other. Within each level, the salary increases as one goes down vertically, with each progression of going down represented by a "Cell". Each Cell within that level represents the steps of annual financial progression of 3%. On recruitment / promotion, an employee shall join at a particular level and progress within the level as per the vertical range. The movement shall be based on annual increments till the time of his /her next promotion. When the employee will receive a promotion, he/she will progress to the next level in the horizontal range till it exhausts.

2.3 Levels and Cells

The method followed by the 7th CPC shall be adopted in the academic pay structure also, moving from the concept of Pay Band and Academic Grade Pay to that of Levels and Cells. The changes will appear only due to the existing difference between the two streams in terms of Academic Grade Pay vis-à-vis the corresponding Grade Pay. The levels for academic pay shall be numbered as per the corresponding non-academic level. Thus, the levels are numbered as 9A, 10, 11, 12 and 13A1 corresponding to the present AGP of Rs. 5400, 6000, 7000, 8000 and 9000 respectively.

2.4 Pay matrix and Fixation of Revised Pay:

a) For fixation of pay of an Employee in the Pay Matrix as of 1st January, 2016, the existing pay (Pay in Pay Band plus Academic Grade Pay) in the pre-revised structure as on 31st December, 2015 shall be multiplied by a **factor of 2.57** rounded off to the nearest Rupee. The figure so arrived at, will be located at that Level in the Pay Matrix and If such an identical figure corresponds to any cell in the applicable level of the Pay Matrix, the same shall be the pay, and if no such cell is available in the applicable level, the pay shall be fixed in the immediate next higher cell in that applicable level of the pay Matrix. If the figure arrived at in this manner is less than the first cell on that Level, then the pay shall be fixed at the first cell on that Level of Pay Matrix (Annexure – I).

b) In cases where in revision of Pay, the pay of Government Servant drawing pay at two or more stages in pre-revised Pay Band and Grade Pay or scale, as the case may be, get fixed at same Cell in the applicable Level in the new Pay Matrix, one additional increment shall be given for every two stages bunched and the pay of Government Servant drawing higher pay in the pre-revised structure shall be fixed at the next vertical cell in the applicable level as per Ministry of Finance, Department of Expenditure OM No. 1-6/2016-1C dated 7th September 2016."

c) In other words, if a situation arises whenever more than two stages are bunched together, one additional increment equal to 3 % may be given for every two stages bunched, and pay fixed in the subsequent cell in the pay matrix.

For instance, if two persons drawing pay of Rs. 53,000 and Rs.54,590 in the GP 10000 are to be fitted in the new pay matrix, the person drawing pay of Rs.53,000 on multiplication by a factor of 2.57 will expect a pay corresponding to Rs.1,36,210 and the person drawing pay of Rs.54,590 on multiplication by a factor of 2.57 will expect a pay corresponding to Rs.1,40,296. Revised pay of both should ideally be fixed in the first cell of level 14 in the pay of Rs.1,44,200 but to avoid bunching the person drawing pay of Rs.54,590 will get fixed in second cell of level 14 in the pay of Rs. 1,48,500.

The following shall be kept in view while determining the extent of bunching as also the benefits to be extended on account of bunching at the time of initial fixation of pay.

- (i) Benefit on account of bunching is to be extended when two or more stages get bunched.
- (ii) Benefit of one increment is to be extended on account of bunching of every two consecutive stages.
- (iii) As stipulated, a difference of 3% is to be reckoned for determination of consecutive pay stages specific to each employee.
- (iv) All pay stages lower than Entry Pay in the 6th PRC pay structure as indicated in the Pay Matrix contained in the 7th PRC report are not to be taken into account for determining the extent of bunching.

2.4.1 Pay Fixation in the case of Direct Recruitment / Promotions:

(i) The pay of employees appointed by direct recruitment on or after the 1st day of January 2016 shall be fixed at the minimum pay or the first cell in the level, applicable to the post to which such employee is appointed. In case of promotion, the candidate would be given a notional increment (F.R. 22 a (i)) in his/her existing Level of Pay, by moving him/her to the next higher cell at that level. The pay shown in this cell would now be located in the new level corresponding to the post to which candidate has been promoted. If a cell identical with that pay is available in the new level, that cell shall be the new pay; otherwise the next higher cell at that level shall be the new pay of the employee. If the pay arrived at in this manner is less than the first cell in the new level, then the pay shall be fixed on the first cell of that level."

(ii) The Pay fixation of Principals and other faculty members already drawing the pay in the AGP of Rs. 10000 as per 6th CPC; an appropriate column of the pay matrix table presented by 7th CPC for central Government employees shall be used as given in Annexure-I.

Annual increments to each employee would move up in the same academic level, with an employee moving from the existing cell in the academic level to the immediate next cell in the same academic level.
- (ii) There shall be two dates of increment i.e., 1st January and 1st July of every year, provided that an employee shall be entitled to only one annual increment on either one of these two dates depending on the date of appointment, promotion or grant of financial up-gradation.
- (iii) The increment in respect of an employee appointed or promoted during the period between the 2nd day of January and 1st day of July (both inclusive) shall be granted on 1st day of January and the increment in respect of an employee appointed or promoted during the period between the 2nd day of July and 1st day of January (both inclusive) shall be granted on 1st day of July.
