Signature of authorized representative of firm with Seal (On each page).

rectified within aforesaid period of 24 hours of lodging the complaints. Faults booked will be treated as rectified only if the AMC holder gets satisfactory report from the user on the date of rectification. In case fault persists beyond one Week or faulty equipment is taken by the Contractor for repair and not returned within one week after repair, iCED shall be at liberty to get the same repaired from outside source and recover the cost from AMC Contractor from the pending AMC bill or from performance Bank Guarantee.

4.4.3 In case, if the vendor is not able to repair / replace the faulty equipment within a stipulated time frame, iCED reserves the rights to get it repaired / replaced at its own level under intimation to the firm, as cost is being reduced from the amount of CAMC.

4.5 Governing Laws & regulation

All legal proceedings shall be under the jurisdiction of courts situated at Jaipur. This Agreement shall be covered and construed in accordance with the Laws of India including without limitation, the relevant Central Acts and Rules, Regulations and Notifications issued and amended there under from time to time.

4.6 Contract Termination

4.6.1 Termination for Default.

iCED may, without prejudice, to any other remedy for breach of contract, by written notice of default sent to the Contractor, terminate the contract in whole or in part if:

- a) The qualified Contractor fails to deliver any or all the obligations within the time period(s) specified in the contract, or any extension thereof granted by iCED.
- b) The qualified Contractor fails to perform any other obligation(s) under the contract.

In case of termination for default, iCED reserves the right to forfeit the Performance Bank Guarantee submitted by the Contractor for successful execution of project.

4.6.2 Termination for Insolvency, Dissolution etc.

iCED may at any time terminate the contract by giving written notice to the Contractor without compensation to the Contractor, if the Contractor becomes bankrupt or otherwise insolvent or in case of dissolution of firm or winding up of company, provided that such termination will not prejudice or effect any right of action or remedy which has accrued thereafter to iCED.

4.6.3 Termination for Convenience.

iCED reserves the rights to terminate the part or whole of the contract, by prior written notice. The notice of termination shall specify that such termination is for iCED's convenience, the extent to which performance of work under the contract is terminated and the date on which such termination becomes effective.

4.7 No Claim Certificate

The qualified Contractor shall not, be entitled to make any claim, whatsoever, against iCED under or by virtue of or arising out of this contract nor shall iCED entertain or consider any such claim after Contractor shall have signed a "no claim" certificate in favour of iCED in such forms as shall be required by iCED after the works are finally accepted.

Signature of authorized representative of firm with Seal (On each page).

4.8 Suspension

iCED may, by a written notice of suspension, suspend all payments to the Contractor under the contract, if the Contractor fails to perform any of its obligations under this contract, (including the carrying out of the services) provided that such notice of suspension:

- a) Shall specify the nature of the failure and
- b) Shall request the Contractor for remedy of such failure within a specified period from the date of issue of such notice of suspension.

4.9 Force Majeure

Notwithstanding the provisions of the contract, the Contractor shall not be liable for forfeiture of its performance guarantee, Penalty or termination for default, if and to the extent that, it's a delay in performance or other failure to perform its obligations under the contract is the result of an event of standard iCED Force Majeure.

4.10 Protection & Limitations

4.10.1 Contractor (the "Indemnifying Party") undertakes to indemnify ICED (the "Indemnified Party") from and against all losses, claims or damages including losses, claims or damages on account of bodily injury, death or damage to any tangible assets.

4.10.2 There shall be no limitation of liability in case of any damages for bodily injury (including death) and damage to real property and tangible personal property as also intangible personal property and intellectual property rights. Personnel assigned by Contractor to perform the Services shall be employees of Contractor, and under no circumstances will such personnel be considered employees of the procuring and tendering agency. **Contractor shall have the sole responsibility for supervision and control of its personnel and for payment of such personnel's entire compensation, including salary, worker's compensation, employee and disability benefits and shall be responsible for all employer obligations under all applicable laws including obligations for withholding tax under the Income Tax Act and other social security taxes under the relevant laws.**

4.10.3 Contractor shall provide indemnity towards any damage, misdemeanour of the Contractor's employees or authorized personnel, appointed distributors, agents or subcontractors to iCED. Further iCED shall not be responsible for any payments, statutory obligations like insurance cover, PF, etc., for any accident, mishap, handicap and/or death occurring and affecting Service Providers employees or authorized personnel, appointed distributors, agents or subcontractors during and after the provision of the Services at iCED premises. iCED shall be entitled to full disclaimer and immunity towards compensations of any type and in any form, for the consequences of the services being provided including any eventual loss or damage suffered by the service provider, in any manner.

4.11 Sub-contracting. No sub-contracting is allowed.

4.12 Payment Terms & Schedule. The bills shall be prepared by the contractor in triplicate and submitted to iCED. Payment shall be made on following conditions:

Signature of authorized representative of firm with Seal (On each page).

- d) iCED can convey specific observations to any incorrect/wrong-invoiced amounts by written notice to the Contractor.

4.13 Warranty

- a) The Contractor shall provide the warranty for the items supplied/replaced from the date of supply/installation for original period but commencing from its installation at iCED. In case of repairs expected warranty is for one year. The replacements/repairs shall be new/free from all defects and faults in material, workmanship and manufacture and shall be of the highest grade and consistent with the established and generally accepted standards for materials of the type ordered and shall be in full conformity with the specifications provided. The Contractor shall be responsible for any defects that may develop under the conditions provided by the Contract and under proper use, arising from faulty materials, design or workmanship such as corrosion of the equipment, inadequate quantity of materials to meet equipment requirements, inadequate Contract protection, deficiencies in circuit design and/or otherwise and shall remedy such defects at his own cost when called upon to do so by iCED who shall state in writing in what respect the stores are faulty. This warranty shall survive inspection or payment for, and acceptance of goods, but shall expire except in respect of complaints notified prior to such date, twelve months after the store have been taken over.
- b) If it becomes necessary for the Contractor to replace or renew any defective portion/portions of the equipment under this clause, the provisions of the clause shall apply to the portion/portions equipment so replaced or renewed or until the end of the above-mentioned period of twelve months, whichever may be later. If any defect is not remedied within a reasonable time. iCED may proceed to do the work at the contractor's risk and expenses, but without prejudice to any other rights, which iCED may have against the Contractor in respect of such defects.
- c) Replacement under warranty clause shall be made by the Contractor free of all charges at site including freight, insurance and other incidental charges.

4.14 The Maintenance Contractor shall record the calls/complaints attended and get the signature of the user along with User's name.

4.15 After expiry of the Contract, It is expected that all the machines are to be handed over by the outgoing Contractor to the in-charge or to the new Contractor within 7 working days of expiry of Contract in working conditions and a certificate to this effect is required to be obtained by the Contractor from the concerned Officer in-charge of the maintenance and to be produced along with the final claim of the AMC charges. The faults pointed out by new Contractor during the inspection before takeover of the Services are to be rectified within next one working day by the outgoing Contractor,

Signature of authorized representative of firm with Seal (On each page).

and any further delay in rectification of faults thus pointed out shall make him liable for imposition of penalty as per Tender terms and conditions applicable to outgoing AMC Contractor. Failure to handover all the machines within 7 days will attract penalty of half percentage to five percentage.

- 4.16 Nodal Officer: Director (Administration) iCED** shall officiate as Nodal Officer for dealing all matters relating to this contract.
- 4.17 Commencement of the Contract:** The Contractor shall commence the work within 7 days of issue of the contract document. The period of operation of the Contract shall be 12 months from the date of start of contract. The Contract may be renewed for additional period of 12 more months at the option of the Purchaser. Immediately after issuance of the contract, the Contractor shall designate its representatives, who will work closely with Nodal Officer for the execution of the work. The Contractor's representatives are obliged to work in close coordination with the Nodal Officer and abide by the directives issued to them that are consistent with the terms of the contract. The Contractor's representative shall be responsible for managing the activities of all the personnel engaged for performance under the contract.
- 4.18 Extension:** The term of contract may be extended for another term on similar terms/rate/conditions subject to the offering of satisfactory services in previous period by the competent authority.
