## PREFACE

This is the ninth issue of our annual publication '**Accounts at a Glance**'.

The Annual Accounts of the State Government are prepared and examined under the directions of Comptroller and Auditor General of India (C&AG) in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 for being laid before the Legislature of the State. The Annual Accounts consists of (a) Finance Accounts and (b) Appropriation Accounts. Finance Accounts are summary statements of accounts under the Consolidated Fund, Contingency Fund and the Public Account. The Appropriation Accounts record the Grant-wise expenditures against provisions approved by State Legislature and offer explanations for variations between the actual expenditure and the funds provided. The Accountant General (Accounts and Entitlements) prepares the State Finance Accounts and the Appropriation Accounts.

'**Accounts at a Glance**' provides a broad overview of Governmental activities, as reflected in the Finance Accounts and the Appropriation Accounts. The information is presented through brief explanations, statements and graphs.

We look forward to suggestions that would help us in improving the publication.

# CHAPTER I

## OVERVIEW

The monthly accounts of the State Government are compiled and consolidated from the accounts submitted by the District Treasuries, Public Works and Forest Divisions, etc to the Accountant General (Accounts and Entitlements). Besides, the Finance Accounts and the Appropriation Accounts are prepared annually by the Accountant General under the directions of the Comptroller and Auditor General of India in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971.

The accounts of Government are kept in the following three parts:

Part I	Consolidated Fund
Part II	Contingency Fund
Part III	Public Account

There are two main divisions under the Consolidated Fund:

The Revenue division (Revenue Account) deals with the proceeds of taxation and other receipts classed as revenue and the expenditure met therefrom, the net result of which represents the revenue surplus or deficit for the year.

In the Capital division, the section 'Receipt Heads (Capital Account)' deals with receipts of capital nature which cannot be applied as a set off to capital expenditure. The section 'Expenditure Heads (Capital Account)' deals with expenditure met usually from borrowed funds with the object of increasing concrete assets of a material and permanent character. It also includes receipts of a capital nature intended to be applied as a set off to capital expenditure. The section 'Public Debt, Loans and Advances, etc.' comprises loans raised and their repayments by Government such as 'Internal Debt' and 'Loans and Advances' made (and their recoveries) by Government.

In the Contingency Fund, the transactions connected with Contingency Fund established under Article 267 of the Constitution of India are recorded.

In the Public Account, the transactions relating to 'Debt' (other than those included in Part I), 'Deposits', 'Advances', 'Remittances' and 'Suspense' are recorded.

Annual Accounts of the Government of Arunachal Pradesh for the year 2007-2008 and the Audit Report of the Comptroller and Auditor General of India for the year 2007-2008 are yet to be presented to the Legislature.
