

Enhancing transparency and accountability in public finance and government functioning is widely recognized as a core principle of good governance and will greatly contribute to the achievement of national priorities and goals. The Comptroller & Auditor General of India efforts tirelessly towards this goal.

This effort will be further reinforced if the greatest stakeholders, i.e. the citizens become more aware of the roles and responsibilities of C&AG of India, as the first step towards any change is awareness.

So....

Join steps in the

AWARENESS RUN ON C&AG'S AUDIT
