To

All Heads of Departments,
User Offices of RTI Shillong.

Subject: Development of Pool of Faculties for Information Technology Courses.

Sir/Madam,

As you are aware, the Training Courses conducted by the Regional Training Institute, Shillong are increasingly being focused towards practical topics. This is being done in order to maximize the impact of the Training Programmes conducted by the Institute. Consequently, the Institute regularly require guest faculties with practical experience to lead the training sessions.

It is therefore planned to prepare a pool of visiting faculty for IT / IT Audit courses from amongst the officers who have practical experience and expertise in Information Technology topics. RTI Shillong would like to draw from the services of this pool of faculty when Training courses in their area of experience and expertise are conducted.

The tentative list of courses/topics that would likely be conducted in the future are as per the enclosed Annexure.

The employees may kindly be encouraged to fill the survey form that has been created for this purpose.

The survey is available at the following link: bit.ly/rtis-faculty-pool or
: forms.office.com/r/92DpjXN5YN

The form shall be open upto 31-08-2023.

I would like to request that this circular may kindly be displayed prominently on the Office Notice Board for one month.

Yours faithfully,

Director General.
