Shri Rajdeep Singh
Director General,
RCB&KC New Delhi

Dear Readers,

With great pride, I present the sixth edition of GYANAAMRIT, the official e-newsletter of Regional Capacity Building and Knowledge Centre, New Delhi. This half-yearly publication highlights our strong commitment to capacity building and continuous learning within the IA&AD.

From hands-on training programs and standardized curriculum to smart infrastructure and All-India workshops, our team has made remarkable progress. I deeply appreciate the dedication and efforts of the RCB&KC team in driving these efforts forward.

Let this edition serve as both a reflection and a roadmap. I welcome your ideas and feedback as we move ahead with our shared vision of excellence.

Warm regards,

Rajdeeps@cag.gov.in

Respected Sir,

I would like to sincerely express my gratitude for the opportunity to attend the IDEA Software Training Program recently organized. The training was extremely useful, insightful and practically enriching.

In particular, the faculty members demonstrated excellent teaching skills and deep subject knowledge, which made the learning process both engaging and effective. The infrastructure and facilities provided by the institution also contributed to a smooth and productive training experience.

What added even more value were the practical sessions and hands-on exercises, which helped in understanding the real-life applications of the software. These practical aspects gave clarity on how IDEA can be effectively used for data analysis, audits, and decision-making in day-to-day work.

This training will not only strengthen our technical proficiency but will also contribute to improving quality and efficiency in our work.

Once again, I extend my heartfelt thanks for the excellent training and thoughtful arrangements.

Regards,
Arvind Godara
