महोदया / महोदय,

The Knowledge and Capacity Building Wing has operationalised the Departmental Learning Management System (LMS), hosted at learning.cag.gov.in, which is accessible to all employees of the Department. The platform hosts self-paced e-learning courses and recorded lectures developed with the assistance of external subject experts. A certificate is issued on successful completion of a course and the learning hours count towards the mandatory training hours prescribed for the officer/official.

2. Attention is invited, in particular, to the course on "Auditing Supply Chains and Analytics in the Oil & Gas Sector" now available on the LMS platform. The course is of direct relevance to the audit of procurement, stores and stock, warehousing, logistics and contract management, and an understanding of them materially strengthens the quality of audit scrutiny in these areas.

3. It is accordingly requested that:

- (i) the availability of the said course on learning.cag.gov.in may be brought to the notice of all officers and staff of your office;
- (ii) officers and officials, especially those associated with the audit of procurement, stores and inventory, works and public sector undertakings,

may be encouraged to enrol for and complete the course;

4. This issues with the approval of the competent authority.

सादर/ Kind regards,
