OFFICE MEMORANDUM

Sub: Implementation of Government's decision on the recommendations of the Sixth Central Pay Commission - Revision of pension of pre-2006 pensioners/family pensioners etc

The undersigned is directed say that in this Department's OM of even number dated 14.10.2008, all the pension disbursing public sector banks were requested to revise and disburse the enhanced pension (with dearness relief) and arrears within one month from the date of issue of that O.M. It was mentioned that a suitable entry regarding the revised pension would be recorded by the pension Disbursing Authorities in both halves of the Pension Payment Order and an intimation regarding disbursement of revised pension would be sent by the pension disbursing authorities to the Office of CPAO and Accounts Officer which had issued the PPO in the revised form given at Annexure-III of the said OM so that they could verify the pension so revised and update the Pension Payment Order Register, etc. In Annexure-III, it was mentioned that the verification/final revision of pension/family pension in respect of pensioners would be done by the Pay and Accounts Officer concerned.

2. Accordingly, in cases where the information in Annexure-III has been received by the Pay and Accounts Officer from the Pension Disbursing Banks etc., he should verify the same and issue a revised authority for payment of pension. In case there is any discrepancy in the revision of pension by the Bank, the bank should be informed by the Pay and Accounts Officer immediately for making necessary adjustment. In cases where the information in Annexure-III has not been received by the Pay and Accounts Officer from the Bank, the Pay and Accounts Officer should issue revised authority for payment of pension based on the PPO/available records and send it to Bank for making the payment of revised pension accordingly.

3. In the aforesaid OM dated 14.10.2008, it was provided that in case any information regarding date of birth, scale of pay or the qualifying service, etc. was not available with the bank, the bank may obtain the requisite information from the concerned Pay and Accounts Officer/CPAO. It would be the responsibility of the concerned Pay and Accounts Officer/CPAO to provide the information from the available records within two weeks of the receipt of request from the bank.

4. The matter regarding the methodology to be adopted for payment of additional pension to old pensioners/family pensioners in cases where the date of birth is not available in the PPO as well as in the office records of CPAO/Pay and Accounts Office had been under consideration in consultation with the Controller General of Accounts and the Ministry of Finance. It has now been decided that in case the exact date of birth is not available either in the PPO or in the office records but an indication regarding the age of pensioner/family pensioner is available in the office record, the additional pension/family pension shall be paid from the 1st January of the year following the year in which the pensioner/family pensioner has completed the age of 80 years, 85 years, etc. based on PPO/office records. For example, if the records show that the pensioner/family pensioner has already completed the age of 80 years/85 years as on 1st January, 2008, he shall be allowed additional pension/family pension from 1st January, 2008.
