* The income from the house will mean the rent received by the owners where the house has been given on lease. Whether, however, the house has not been given on lease. Income will mean the rent which is taken into account by the municipal bodies for the purpose of determining house tax etc. while it is for the authority controlling the Government residential accommodation to satisfy itself about the correctness of the income of an officer from his house, the following documents may be considered for the purpose.

- iii. Whether the house has been given on lease, the lease deed.
- iv. House tax receipt in original.

It would also be desirable to get a certificate from the officer concerned to the effect that the documents produced by him related to all the houses owned by his/her wife/husband or by his/her depended children at the place of his/her posting. An undertaking should also be obtained to the effect that the officer will be responsible to intimate whenever there is an increase in the rent he received from his private house. In case the officer has only a share in a Hindu Undivided family house or in a joint property and the officer share is not a separate unit, the income for the purpose of this order may be taken to the proportionate share of the officer, his/her spouse and the dependent children in the total income from the whole property.
