which the Pension Disbursing Authority will start disbursement of revised pension/family pension **provisionally** w.e.f. 1/1/2020 which have to be **adjusted** with the revised basic pension/family pension to be authorised finally by this Office. It is to be carefully noted in this regard that payment of only revised pension/family pension will be commenced by the Pension Disbursing Authority provisionally as stated above, but **no payment of balance amount of revised gratuity and commuted value of pension on additionally commuted portion of pension will be made provisionally** on the strength of Annexure II/III, received from the Pension Sanctioning Authority until revised authority for this purpose is issued by this office.

3. The balance amount of revised retiring/death gratuity and additional commuted value of pension in such cases will be disbursed by the Pension Disbursing Authority on the basis of revised authority issued by this Office. The Pension Disbursing Authority shall start deducting the 'Amount commuted additionally', if any in these cases, w.e.f. the 1st date of the month of disbursement of additional commuted value of pension as stated above. If in any case, the balance amount of revised retiring/death gratuity and commuted value of pension on additionally commuted portion of pension have already been paid by the Pension Disbursing Authority on receipt of Annexure II/III in terms of Para D (i) of the Memo. No. 536-F (Pen) dated 1/10/2019, they shall either disburse the balance amount of revised gratuity and commuted value of pension or recover the amount of excess payment already made in this regard on the basis of revised authority to be issued by this office in this respect.
4. As a special case in relaxation of normal rules, the additional commuted portion of pension in these cases **only** will be restored after 15 years from the first day of the month on which the commuted value of pension in such cases will be disbursed. However, the portion of pension already commuted during or after retirement on pre-revised basic pension as well who commute for the first time after fixation of revised basic pension as per ROPA 2019 will be restored as usual i.e. after 15 years from the date of retirement. Similarly, commuted portion of pension of those pensioners retiring on or after 1/1/2020 after coming into revised pay structure as per ROPA 2019 will be restored as usual i.e. after 15 years from the date of retirement. The additionally commuted portion of pension due to revision of pension on account of any purpose other than revision of pension for implementation of the benefit of 6th pay commission in respect of the pensioners retired/died-in-harness between 01/01/2016 and 31/12/2019 and whose pensionary benefits have already been issued by this office, will also be restored as usual as per existing provision, i.e. 15 years from the date of retirement. In this connection, it is also to mention that as per the decision of the

Government, the Pension Disbursing Authority will restore the commuted portion of pension (both original and additional) on his/her own after the period of restoration is over without insisting the pensioners to apply for the benefit.

5. In case of the pensioners/family pensioners residing in other states, this Office shall issue authority for all revised benefits i.e. revised pension/family pension, balance amount of revised retiring/death gratuity and additional commuted value of pension under special seal and signature of authorised officer of this Office.
6. Pension Disbursing Authorities will start payment of additional quantum of family pension to the old aged pensioners at the rates mentioned in Memo. No. 536-F (Pen) dated 1/10/2019 on the basis of the date of birth mentioned in the PPO issued from this Office. However, in case, the date of birth of the family pensioner is not available in the original/revised authority, the Pension Disbursing Authority will extend the benefits of additional quantum of family pension in terms of prevalent Govt. orders circulated by this office from time to time.

All concerned Pension Disbursing Authorities are, therefore, requested to make necessary arrangements for payment of retirement benefits to the post-1/1/2016 Govt. of West Bengal pensioners/family pensioners as per the instructions laid down hereinabove.
