

Introduction

Charbagh workshop, which is a part of Northern Railway , was established by Oudh and Rohilkhand Railway in the year 1867-68. In its long journey in service of the nation ,it has excelled in adapting to latest technology and has kept pace with changing requirements of motive power and rolling stock of Indian Railways. The workshop which was established primarily for maintenance of steam locomotives started maintaining diesel locomotives from 1975, Electric locomotives from 1987, DEMU train sets from 1996 and recently in June 2018 turned out first rake of MEMU train sets.

Section and Function of Charbagh Workshop/NR/Lucknow
