RCB&KC, New Delhi**

Dear Readers,

It gives me immense pleasure to present seventh edition of GYANAAMRIT, the official Newsletter of our training Centre, highlighting the key activities, achievements, and developments during the period October 2025 to March 2026.

Over the past months, Our Centre has continued its commitment to strengthening professional competencies and supporting capacity building through structured training programs, expert-led sessions, and practical learning initiatives. A total of 17 training programs were conducted, benefiting more than 438 participants. The enthusiastic participation and positive feedback from trainees reaffirm the relevance and quality of our training efforts.

We remain focused on continuous improvement, innovation in training methodologies, and expanding opportunities for collaborative learning. I extend my sincere appreciation to all experts and participants for their valuable contributions.

I welcome your feedback and reviews to improve further.

With best wishes and regards.....

Feedbacks

The knowledge possessed by the faculty members of their respective topics was excellent. All the queries were answered in detail.

Shyam Kumar, Participant, IT Enabled Environment

I thoroughly enjoyed this training course and found it highly valuable. The content was well-structured, engaging, and applicable to my work. The faculty explained concepts clearly, provided real-world examples, and encouraged active participation, which made the sessions both informative and enjoyable. I feel better equipped and more motivated in my role.

Yogesh, Participant, MCTP L-II, B(3)

Classes on IT topics like KNIME, IDEA, Tableau, HADOOP & HIVE were helpful for data analysis and interpretation during audit. It helped gain good understanding on these tools which will be helpful during audit. Overall all other topics also enhanced my knowledge.

Priya Sharma, Participant, MCTP L-1, Orientation Training

This course was different from other regular courses as it covered aspects that are not directly related to routine work but significantly impact employee performance, such as time and stress management, analytical thinking, working in a team and change management etc.

Lokesh Mann, Participant, MCTP L-3

Feedbacks

The detailed discussion on main challenges faced by MSMEs in getting timely payments and the initiative being undertaken by government to address this issue by developing new mechanism were very insightful.

Basant Kumar, Participant, Ease of doing business in Defence Sector by MSMEs.

Diversity of topics covered is appreciated as we have been lectures on audit related topics as well as personality development, communication, gender sensitisation and yoga as well.

Trisha, Participant, MCTP-1 Orientation Training

I have gained valuable insights into IT Audit as a whole and appreciate its practical applications within the Auditee Unit. I found the topic of Data Analytics using the software "IDEA" particularly interesting.

Priyank Tyagi, Participant, IT Audit, Batch-1

Faculties have knowledge of his subject. They has clarity in delivering the lecture and resolve the queries on the spot.

Pradeep Kumar, Participant, Risk based Audit Training
