

SOP for McAfee Endpoint Antivirus Installation.

Step1 – Open browser and type “antivirus.nic.in”.

The screenshot shows the NIC-ESP Endpoint Security Portal homepage. The header includes the Government of India logo, the NIC-ESP logo, and the Network Security Division name. A navigation bar contains links for Home, Advisories, Endpoint Security Solutions, FAQs, and Contact Us. Below the navigation bar, there are four colored boxes showing statistics: No. of Users Covered (114984), No. of Advisories (44), No. of Tools (26), and No. of Docs (27). There are also two green boxes for uploading logs and documents. Below these, there are two tables: one for log uploads and one for tool/document/advisory counts. The bottom section shows the latest advisories, including a phishing mail advisory.
