Dated- 24.07.2024

CIRCULAR

Subject: Clarification regarding Transfer and Postings of Divisional Accounts Officers/Divisional Accountants retiring within three years

In terms of Headquarters' guidelines on the above noted subject, a Sr DAO/DAO/DA retiring on superannuation within the next three years, may be allowed 'Station' of his choice subject to the condition that a vacant Division is available in the 'Station' in which he/she has not served during the past 10 years and such choice of posting is not in continuation of six years of posting in that 'Station'. In this regard, clarifications are being sought by the DA cadre about methodology for reckoning/considering the choices in the current Annual Transfer and Positioning cycle, especially when multiple officers fall under the 'three-year' category.

It is clarified that all such officers/officials retiring within the next one year* and within three years (upto 30th April of corresponding year) will be grouped together, and their choices will be considered upfront, in the order of their inter-se seniority as per the gradation list. The choices of other officers outside the 'three-year' period will be considered only after accommodating the preferences of those officers who retire within three years, in accordance with the spirit of Headquarters' guidelines.

- * Those officers who are retiring within the next one year and have exercised their option for continuing in the same station have been excluded from the current T&P cycle.
