### CAG's finding of unadjusted Bills to the tune of ₹88 crore of Election Branch

**Shillong, November 14:** The office of the Comptroller Auditor General of India, found that the Election department of the State was one of the departments which most prolonged non submission of detailed bills with unadjusted Outstanding abstract (AC) Bills amounting to ₹87.89 crore.

The CAG in its State Finance Audit Report for the year ending 31 March 2019, stated that as per the Finance Account of the year 2018-2019 for the AC Bills amounting ₹88.09 crore, no Detailed Countersigned Contingent (DCC) Bills were received.

“ Major defaulter in this regard is the Election department, with DCC bills against AC amounting to ₹87.89 crore still pending”

The report stated that advance drawal of money and without accounting, may lead to wasteful expenditure, diversion and mis-utilisation besides others.

“ This also means that the accounts cannot be vouched as correct and thus the DDOs should make sure that the detail are furnished on time” stated the report. At the same time CAG recommended that the State Government should fix responsibility on the concerned Officers for non adjustment of AC Bills within a month.
