The Finance Accounts of the Government for the year showing the financial position along with the accounts of the receipts and disbursements of the Government for the year are presented in a separate compilation.

The Appropriation Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and departments responsible for the keeping of such accounts functioning under the control of the Government of Bihar and the statements received from the Reserve Bank of India.

The treasuries, offices and /or departments functioning under the control of the Government of Bihar are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of Accounts is discharged through the office of the Accountant General (A&E). The audit of these Accounts is independently conducted through the office of the Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organisations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Appropriation Accounts read with observations in this compilation give a true and fair view of the accounts of the sums expended in the year ended 31 March 2017 compared with the sums specified in the schedules appended to the Appropriation Acts passed by the State Legislature under Articles 204 and 205 of the Constitution of India.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Bihar being presented separately for the year ended 31 March 2017.

- (ix) (a) **Suspense Transactions:** Transactions booked under this head, not adjusted under final heads of account, are carried forward from year to year. The transactions include both debits and credits. The minor head “Suspense” has four sub-divisions viz, (i) Stock (ii) Purchases (iii) Miscellaneous Works Advances and (iv) Workshop Suspense.

The nature of transactions under each of these sub-divisions is explained below:

- (i) **Stock:** This head is charged with the value of materials received for stock purposes (not for any particular works). Value of the materials issued for use on works or otherwise disposed off is reduced from such a charge. The balance represents the value of materials held in stock.
- (ii) **Purchases:** When materials are received for specific works or for holding in stock without being paid for or adjusted during a month, their value is credited to the sub head “Purchases” by contra debit to the particular “Works” head of account or “Stock” sub head as the case may be. When payment is made or the value is adjusted by transfer of stores to other, the head “Purchases” is debited with the amounts thus relieving it of initial credit. This head will, therefore, show a negative balance representing the value of materials received but not paid for or adjusted. From 1974-75, this sub head has been abolished and the transactions of this nature is to be recorded under the head “8658-Suspense Accounts, 129-Material Purchase Settlement Suspense Account”. But the Departments, viz., Building Construction Department and Road Construction Department are still following the pre 1974-75 classification pattern.
- (iii) **Miscellaneous Works Advances:** Under this sub head debits are booked for the value of stores sold on credit, expenditure incurred on deposit works in excess of deposits received, losses of cash or stores not written off and sums recoverable from Government Servants etc. A debit balance under the sub head thus represents recoverable amounts.

Grant No. 3 - Conclld.

(iv) **Workshop Suspense:** The charges for jobs executed or other operations in Public works Departmental Workshop are debited to this sub head pending their recovery or adjustment.

(b) The details of the transactions under each of these sub-divisions during 2016-17 together with the opening and closing balances are given below:

Grant No. 39 - Contd.

(vii) State Disaster Response Fund (SDRF) :

Under the system of gross budgeting, the Demands for Grants placed in the legislature are for gross amounts required for expenditure. Consequently, the amount of recoveries which are adjusted in accounts in reduction of expenditure, are ignored and are shown as recovery below the line in the Budget. According to the budgeting and accounting procedure prescribed in the scheme also, the extent of relief expenditure to be financed from the fund is to be shown as 'recovery below the line' in the Demands for Grants of the State Government. Contrary to this, grants were obtained for net amount of expenditure arrived at after deducting the extent of relief expenditure ₹ 49,200.00 lakh proposed to be met from State Disaster Response Fund from the gross amount.

As per the 9th Finance Commission's recommendation, a scheme was formulated by the Government of India for providing Natural Calamity Relief Assistance to the State Governments, which came in force from the Financial year 1990-91 and was operative till the end of the financial year 1994-95. The 10th Finance Commission recommended continuation of the scheme of the Calamity Relief Fund with effect from the year 1995-96 and it was operative till the end of the financial year 1999-2000. The 11th Finance Commission again recommended continuance of the Calamity Relief Fund scheme with some modifications till the end of the year 2004-05. According to the scheme, State Disaster Response Fund has been constituted by the State Government. The balance as on 31 March 2010 in the Calamity Relief Fund transferred to the State Disaster Response Fund and Calamity Relief Fund has ceased to exist with effect from 1 April 2010.

As per the SDRF scheme, the Government of India would contribute 75 *per cent* to the Fund whereas 25 *per cent* should be contributed by the State. The scheme also stipulated that accretions to the Fund together with the income earned on the investment of the Fund should, till contrary instructions are issued by the Government of India, be invested in one or more of the following instruments:-

- (a) Central Government dated securities;
- (b) Auctioned Treasury Bills;
- (c) Interest earning deposits and certificates of deposits with Scheduled Commercial Banks.

The 14th Finance Commission has made provision of funds for the State Disaster Response Fund and recommends that all States contribute 10 per cent to the SDRF and the remaining 90 per cent coming from Union Government. Government of India vide Ministry of Home Affairs (Disaster Management Division) O.M. No. 33-5/2015-NDM-1 dated 30th July 2015 has accepted the recommendations of the 14th Finance Commission with the modification that the percentage share of the States will continue to be as before. The amount of annual contribution to the SDRF of Bihar for every financial year from 2015-16 to 2019-20 would be as follows:-

Share	2015-16	2016-17	2017-18	2018-19	2019-20	Total

Total	469.00	492.00	517.00	543.00	570.00	2,591.00

Grant No. 39 - Concl'd.

Suspense Transactions: (a) Out of the expenditure under the grant ₹ (-) 37,658.39 lakh (net) was booked under the head “Suspense” which is not a final head of account. The negative balance is under investigation. Transactions booked under this head, not adjusted under final heads of account, are carried forward from year to year. The transactions include both debits and credits. The minor head “Suspense” has four sub-divisions viz, (i) Stock (ii) Purchase (iii) Miscellaneous Work Advances and (iv) Workshop Suspense. The nature of transactions under each of these sub-divisions is explained below:			
(i) Stock: This head is charged with value of materials received for stock purposes (not for any particular works). Value of the materials issued for use on works or otherwise disposed off is reduced from such a charge. The balance represents the value of materials held in stock.			
(ii) Purchase: When materials are received for specific works or for holding in stock without being paid for or adjusted during a month, their value is credited to the sub head “Purchases” by contra debit to the particular “Works” head of account or “Stock” sub head as the case may be. When payment is made or the value is adjusted by transfer of stores to other, the head “Purchases” is debited with the amounts thus relieving it of initial credit. This head will, therefore, show a negative balance representing the value of materials received but not paid for or adjusted. With effect from 1974-75, this sub head has been abolished and the transactions of this nature are to be recorded under the head “8658-Suspense Accounts, 129-Material Purchase Settlement Suspense Account”. But the Departments, viz., Building Construction Department and Road Construction Department are still following the pre 1974-75 classification pattern.			

Grant No. 41 - Contd.

- (iii) **Miscellaneous Works Advances:** Under this sub head are booked debits for the value of stores sold on credit, expenditure incurred on deposit works in excess of deposits received, losses of cash or stores not written off and sums recoverable from Government Servants etc. A debit balance under the sub head thus represents recoverable amounts.
- (iv) **Workshop Suspense:** The charges for jobs executed or other operations in Public Works Departmental Workshop are debited to this sub head pending their recovery or adjustment.
- (b) The details of the transactions under each of these sub-divisions during 2016-17 together with the opening and closing balances are given below:
