Certificate of the Comptroller and Auditor General of India

This compilation containing the Finance Accounts of the Government of Telangana for the year ending 31 March 2018 presents the financial position along with accounts of the receipts and disbursements of the Government for the year. These accounts are presented in two volumes, Volume-I contains the consolidated position of the state of finances and Volume-II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 from the compiled accounts and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Telangana and the statements received from the Reserve Bank of India. Statements (8, 9, 19 and 20), Explanatory Notes (Statements 5, 14 and 15) and Appendices (VIII, IX and XII) in this compilation have been prepared directly from the information received from the Government of Telangana/Corporations/Companies/Societies who are responsible to ensure the correctness of such information.

The treasuries, offices, and/or departments functioning under the control of the Government of Telangana are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts of the Government of Telangana is discharged through the office of the Principal Accountant General (Accounts & Entitlement), Telangana. The audit of these accounts is independently conducted through the office of the Principal Accountant General (Audit), Telangana in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position, and the receipts and disbursements of the Government of Telangana for the year 2017-2018.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Telangana being presented separately for the year ended 31 March 2018.

A. Broad overview of the structure of Government accounts

1. The Finance Accounts of the State of Telangana present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government, as worked out from the balances recorded in the accounts.

2. The Accounts of the Government are kept in three parts:

Part I: Consolidated Fund: This Fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, etc.), Ways and Means advances extended by the Reserve Bank of India and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments etc.), constitute a charge on the Consolidated Fund of the State (Charged expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted expenditure) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Loans). These are further categorised under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, viz., 'Tax Revenue', 'Non Tax Revenue' and 'Grants in Aid and Contributions'. These three sectors are further divided into sub-sectors like 'Taxes on Income and Expenditure', 'Fiscal Services', etc. The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, viz., 'General Services', 'Social Services', 'Economic Services' and 'Grants in Aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors like, 'Organs of State', 'Education, Sports, Art and Culture' etc. The Capital Expenditure section is sub-divided into eight sectors, viz., 'General Services', 'Social Services', 'Economic Services', 'Grants in Aid and Contributions', 'Public Debt', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

Part II: Contingency Fund: This Fund is in the nature of an imprest which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional Major Head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Telangana for the period 2017-18 is ₹50 crore.

Part III: Public Account: All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayables like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, viz., ‘Small Savings, Provident Funds etc.’, ‘Reserve Funds’, ‘Deposit and Advances’, ‘Suspense and Miscellaneous’, ‘Remittances’, and ‘Cash Balance’. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

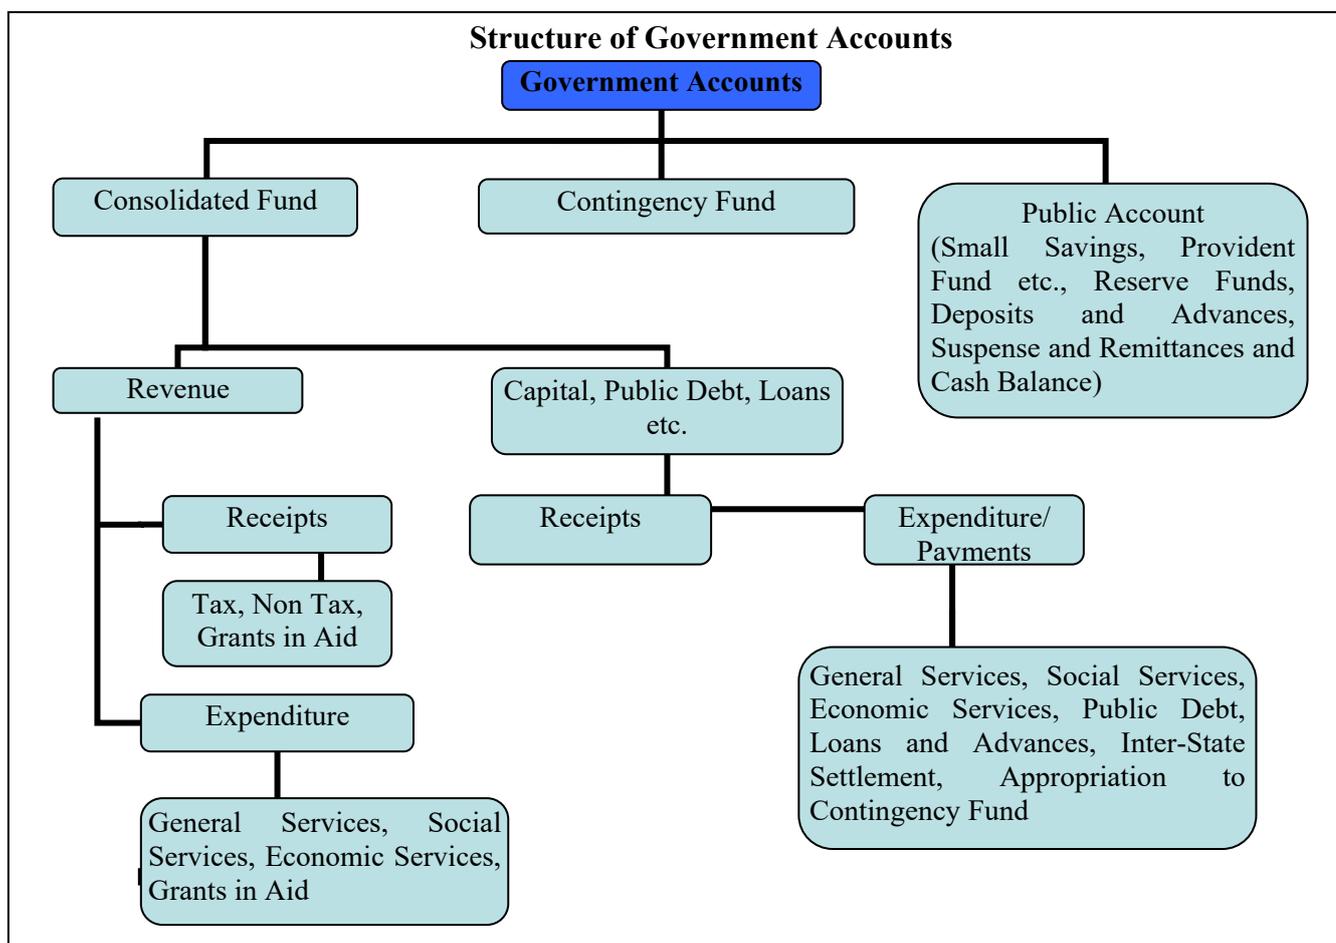

3. Government accounts are presented under a six tier classification, viz., Major Heads (four digits), Sub Major Heads (two digits), Minor Heads (three digits), Sub Heads (two characters), Detailed Heads (two to three digits), and Object Heads (two or three digits). Major Heads represent functions of Government, Sub Major Heads represent sub-functions, Minor Heads represent programmes/ activities, Sub Heads represent schemes, Detailed Heads represent sub-schemes, and Object Heads represent purpose/ object of expenditure.

4. The main unit of classification in accounts is the Major Head, which contains the following coding pattern (according to the List of Major and Minor Heads corrected upto March 2018)

0020 to 1606	Revenue Receipts
2011 to 3606	Revenue Expenditure
4000	Capital Receipts
4046 to 7810	Capital Expenditure (including Loans)
7999	Appropriation to the Contingency Fund
8000	Contingency Fund
8001 to 8999	Public Account

5. The Finance Accounts, generally (with some exceptions), depict transactions upto the Minor Head. The figures in the Finance Accounts are depicted at net level, i.e., after accounting for recoveries as reduction of expenditure. This treatment is different from the depiction in the Demands for Grants presented to the Legislature and in the Appropriation Accounts, where expenditure is depicted at the gross level.

6. A pictorial representation of the structure of accounts is given below:

D. Periodical adjustments and Book adjustments:

Certain transactions that appear in the accounts do not involve actual movement of cash at the time of booking. Some of these transactions take place at the level of the account rendering units (e.g. treasuries, divisions etc.) themselves. For instance, transactions involving adjustment of all deductions (GPF, recoveries of advances given etc.) from salaries are recorded by debiting functional Major Heads (pertaining to the concerned department) by book adjustment to Revenue/Loans/Public Account receipts. Similarly 'nil' bills where moneys transferred between the Consolidated Fund and Public Account represent non-cash transactions occurring at the level of the accounts rendering units.

In addition of the above, the Principal Accountant General/Accountant General (A&E) carries out periodic adjustments and book adjustments of the following nature in the accounts of the State Government, details of which appear in Annexure to Notes to Accounts (Volume I) and footnotes to the relevant statements.

Examples of periodical adjustments and book adjustments are given below:

(1) Creation of funds/ adjustment of contribution to Funds in Public Account by debit to Consolidated Fund e.g., Calamity Relief Fund, Reserve Funds, Sinking Fund, etc.

(2) Crediting of deposit heads of accounts in Public Account by debit to Consolidated Fund.

(3) Annual adjustment of interest on General Provident Fund (GPF) and State Government Group Insurance Scheme, where interest on GPF is adjusted by debiting Major Head 2049-Interest and crediting Major Head 8009-General Provident Fund.

(4) Adjustment of Debt waiver under the scheme of Government of India based on the recommendations of the Central Finance Commissions. These adjustments (where Central loans are written off by crediting Major Head 0075-Misc. General Services by contra entry in the Major Head 6004-Loans and Advances from the Central Government) impact both Revenue Receipts and Public Debt heads.

E. Rounding: Difference of ₹0.01 lakh/crore, wherever occurring, is due to rounding.

ANNEXURE - CASH BALANCES AND INVESTMENT OF CASH BALANCES

EXPLANATORY NOTES

(a) **Daily Cash Balance:** Under an agreement with the Reserve Bank of India the State Government has to maintain a minimum cash balance of ₹1.38 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by availing Special Drawing Facility (previously known as Special Ways and Means Advances)/Ways and Means Advances/ Overdraft from time to time.

For arriving at the daily cash balance⁽¹⁾ for the purpose of grant of Ways and Means Advances/ Overdraft the RBI evaluates the holdings of the 14 day treasury bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived the maturity of 14 day Treasury Bills if any is added and excess balance, if any after maintaining the minimum cash balance is reinvested in Treasury Bills. If the net cash balance arrived at results in less than the minimum cash balance or a credit balance and if there are no 14 day treasury bills maturing on that day, RBI rediscounts the holdings of the 14 day Treasury Bills and makes good the shortfall. If there is no holding of 14 day Treasury Bills on that day the State Government applies for Special Drawing Facility/ Ways and Means Advances/ Overdraft⁽³⁾.

(b) The Operative limit of Special Drawing Facility of Government of Telangana was ₹3,77.34crore as on 31 March 2018. The limit for Ways and Means advances for the state was ₹10,80.00 crore as on 31 March 2018.

Without resorting to Special Drawing Facility, Ways and Means Advance and Overdraft from Reserve Bank of India, the State Government maintained the minimum Cash Balance with the Bank on 161 days from 01 April 2017 to 31 March 2018.

The extent to which the Government maintained the minimum cash balance with the Reserve Bank during 01 April 2017 to 31 March 2018 is given below:-

(i) Number of days on which the minimum balance was maintained without taking any advance	161 ⁽²⁾
(ii) Number of days on which the minimum balance was maintained by taking Special Drawing Facility	204
(iii) Number of days on which the minimum balance was maintained by taking Ways and Means Advance	127
(iv) Number of days on which there was shortfall in minimum balance even after taking the above advances but no overdraft was taken	...
(v) Number of days on which overdrafts were taken	7

(1) The cash balance ('Deposits with RBI') above is the closing cash balance as on 31 March 2018, but worked out by 16 April 2018 and not simply the daily Balance on 31 March.

(2) The dates on which Special Drawing Facility was availed fall on the same dates on which Ways and Means advances and Overdraft were drawn. Hence the number of days on which minimum balance was maintained without taking any advance was 161 (365- 204).

(3) An amount of ₹ 13.82 crore was paid towards interest on Special Drawing Facility/ Ways and Means Advances/ Overdraft during the year 2017-18.

- B. Government Account:** Under the system of book-keeping followed in Government accounts the amount booked under Revenue, Capital and other transactions of Government the balances of which are not carried forward from year to year in the accounts are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small Savings Provident Funds, Reserve Funds, Deposits and Advances Suspense and Miscellaneous (Other than Miscellaneous Government Account) Remittances and Contingency Fund etc. are added and the closing cash balance at the end of the year is to be worked out and proved.

The other headings in the summary take into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

It must be understood that these balances cannot be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State such as lands, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

NOTES TO ACCOUNTS

1. Summary of Significant Accounting Policies:

(i) Entity and Accounting Period:

The Finance Accounts 2017-18 present the transactions of the Government of Telangana for the period 01 April 2017 to 31 March 2018. These accounts have been compiled based on the initial accounts rendered by 31 District Treasuries, 31 Public Works & Forest Pay and Accounts Offices (PAO), PAO-Telangana Legislature, Pension Payment Office-Hyderabad, PAO-Telangana Bhavan, New Delhi, PAO-Hyderabad and Advices of the Reserve Bank of India. In Telangana, treasuries compile the accounts from the vouchers (primary compilation) which, along with the vouchers/sub-vouchers, are then rendered to the Accountant General [AG (A&E)] for secondary compilation. Rendition of accounts by the accounts rendering units is satisfactory and no accounts have been excluded at the end of the year.

(ii) Basis of Accounting:

With the exception of some periodical adjustments and book adjustments (**Annexure-A**), the accounts represent the actual cash receipts and disbursements during the account period. Assets, Government investments, etc., are shown at historical cost. Physical assets are not depreciated or amortized.

Retirement benefits disbursed during the account period have been reflected in the accounts. Actuarial assessment of the liabilities towards future payments of retirement benefits has not been carried out by the State Government.

(iii) Currency in which Accounts are kept:

The accounts of Government of Telangana are maintained in Indian Rupees (₹).

(iv) Form of Accounts:

Under Article 150 of the Constitution, the accounts of the Union and of the States are kept in such form as the President may, on the advice of the Comptroller and Auditor General, prescribe. The word “form” used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads of accounts under which the transactions are to be classified.

(v) Classification under Revenue and Capital:

Revenue expenditure is recurring in nature and is intended to be met from revenue receipts. Also, as per the Indian Government Accounting Standard (IGAS) 2, expenditure on Grants-in-Aid is to be classified as Revenue expenditure regardless of end utilization. Capital expenditure is defined as expenditure incurred to create assets of a material and permanent character, or to reduce permanent liabilities. Consequently, expenditure on ‘Major Works’ is required to be booked as Capital expenditure and expenditure on ‘Minor Works’ and Grants-in-aid as Revenue expenditure. The State Government, however, budgeted and spent

₹ 153.28 crore on ‘Minor Works’ and ₹335.86 crore on Grants-in-Aid under Capital Section.

2. Quality of Accounts:

(i) Goods and Service Tax (GST):

Advance apportionment and devolution of un-apportioned integrated Goods and Service Tax (IGST): As per sanction orders issued by the Ministry of Finance, Government of India, an amount of ₹705.00 crore was received on account of advance apportionment of IGST, and an amount of ₹1,657.12 crore was stated to have been devolved to the Telangana Government, on the basis of the recommendations of the Fourteenth Finance Commission.

(ii) Operation of omnibus Minor Head 800:

The Minor Heads 800 Other Expenditure/Other Receipts are to be operated only when the appropriate Minor Head has not been provided in the accounts. Routine operation of Minor Head 800 is to be discouraged, since it renders the accounts opaque. During the year, the State Government classified ₹3,555.35 crore, constituting around 4.00 *per cent* of total Revenue Receipts (₹88,824.09 crore) under the omnibus Minor Head 800- ‘Other Receipts’ under 47 Major Heads. Similarly, ₹13,214.31 crore, constituting around 12.09 *per cent* of total revenue and capital expenditure (₹1,09,266.74 crore) was classified under Minor Head 800-Other Expenditure under 45 Major Heads. Instances (10 *per cent* or more of total receipt/expenditure of the respective Major Head) classified under Minor Head 800-Other Receipts and Other Expenditure are listed in **Annexure B and C** respectively.

(iii) Abstract Contingent (AC) bills:

In terms of the provisions of the Andhra Pradesh Financial Code (APFC) Drawing and Disbursing officers are authorised to draw sums of money by presenting Abstract Contingent (AC) bills by debiting service heads. As per Government orders Detailed Contingent (DC) bills are required to be presented subsequently along with supporting documents within a period of 90 days. Delayed submission or prolonged non-submission of supporting DC bills, renders the expenditure under AC bills opaque. Details of unadjusted AC Bills as on 31 March 2018 pending for submission of DC Bills are given below:

Year	Number of pending DC bills	Amount (₹ in crore)
Upto 2015-16	1383	220.04
2016-17	447	42.40
2017-18	334	18.02
Total	2164	280.46

Out of ₹808.33 crore drawn against AC bills in 2017-18, AC bills amounting to ₹20.79 crore (2.57 *per cent* of the total amount drawn against AC bills during 2017-18) were drawn in March, 2018 alone and of this bills amounting to ₹ 0.73 crore were drawn on the last day of the Financial year. A list of major defaulting departments is in **Annexure – D**.

(iv) Personal Deposit (PD) accounts:

As per Andhra Pradesh Financial Code (APFC) as adapted by Telangana, the purpose of PD accounts is to enable the Drawing Officers to incur expenditure pertaining to a scheme, for which funds are placed at their disposal, by transfer from the Consolidated Fund of the State. As per orders of Government vide GO.Ms.No.43 dated 22 April 2000, Deposit accounts were classified into three categories as follows:

A. Non lapsable deposits: The Deposit Accounts under which the Local Bodies, Institutions, Corporations, State Undertakings and other Account Holders deposit amounts which are collected as their own collections like Taxes collected by the Local Bodies, Special Fees collected by the Educational Institutions, etc.,

B. Lapsable deposits as per Codal Provisions: Funds as per the Codal Provisions such as Revenue Deposits, Civil and Criminal Court Deposits, Caution Money Deposits, etc.,

C. Lapsable deposits as per Government orders issued: Under these orders, the funds released during a particular financial year under category 'C' shall lapse by 31 March of the following year and the administrators of PD accounts are required to close such accounts and transfer the unspent balances back to the Government account. The status of PD Accounts during the year 2017-18 is given below:

Opening Balance as on 01 April 2017		Additions during the year 2017-18		Withdrawals during the year 2017-18		Closing Balance as on 31 March 2018	
Number	Amount (₹in crore)	No. of PD A/cs opened	Deposits made in PD A/cs including new accounts (₹in crore)	No. of PD A/cs closed	Withdrawals made from PD A/cs including closed accounts (₹in crore)	Number	Amount (₹in crore)
28087	9,438.71	191	50,118.15	556	47,463.03	27722	12,093.83

Note: OB differs from CB of previous year due to lapsed amounts of ₹1,433.92 crore of 2016-17 omitted previously.

The category-wise details of PD accounts and amount of lapsable unspent balances was not provided by the State Government. PD account administrators are required to reconcile their balances with those of Treasury accounts which was not carried out. As per Article 271 of AP Financial Code, the State Government is required to close all the PD accounts remaining inoperative for a considerable period. As per information furnished by Director of Treasuries and Accounts, 1170 PD Accounts with an outstanding balance of ₹315.43 crore were inoperative for more than three years as on 31 March 2018.

(v) Cash Balance:

As on 31 March 2018, there was a net difference of ₹99.98 crore (Credit) between the balance as worked out by AG(A&E) and the figures as reported by Reserve Bank of India. The difference was mainly due to wrong reporting by Agency Banks and is under reconciliation.

(vi) Reconciliation of Receipts and Expenditure:

AG (A&E) receives compiled accounts each month from the Treasuries and Pay and Accounts Officers (PAOs). Funds are placed at the disposal of Chief Controlling Officers (CCOs) for incurring expenditure. Accuracy of the accounts maintained by the CCOs is an important requirement for effective budgetary control. The Financial Rules stipulate that CCOs should reconcile the receipts and expenditure recorded in their books every month with that recorded by the AG (A&E). During the year 2017-18, out of total 248 CCOs, 83 CCOs have fully reconciled and 125 CCOs have partially reconciled an amount of ₹ 71,306.15 crore which works out to 65.26 *per cent* of total expenditure of ₹1,09,265.75 crore. On the receipts side, out of 26 CCOs, 4 CCOs have fully reconciled and 1 CCO has partially reconciled an amount of ₹47,007.78 crore which works out to 52.92 *per cent* of total receipts of ₹88,824.09 crore. There is no assurance about the completeness and correctness of the receipts and expenditure figures depicted in the Finance Accounts to the extent of non-reconciliation.

(vii) Misclassification of receipts from Kaleshwaram Project:

During the year, an amount of ₹1,500 crore was remitted as Receipts from Kaleshwaram Project and classified under the Major Head 0700- Receipts from Major Irrigation – Min Head 232. Government stated that the receipts are on account of transfer of land to Kaleshwaram Irrigation Project Corporation Ltd. (KIPCL). As per List of Major and Minor Heads (LMMH), receipts on account of sale of land are to be classified under MH 0075- Min Head 105-Sale of Land and property. However, details of transfer of land were not provided.

(viii) Misclassification of unspent balances of crop loan waiver scheme:

As per para 3.10 of General Directions in LMMH, the unspent balances of schemes are to be credited as minus expenditure under the relevant expenditure head if the unspent balance pertains to the current year. If the unspent balance pertains to the previous year(s), the same should be adjusted under the distinct minor head 912 - ‘Deduct Recoveries of unspent balances’ below the relevant major head. The unspent balance of crop loan waiver to farmers amounting to ₹2.49 crore was, however, credited as Receipts under MH 0435-00-800-03-00 Other Receipts during the year and the receipts were overstated to that extent.

3. Other items:

(i) Liabilities towards Pensionary Benefits

During the period 01 April 2017 to 31 March 2018, ₹11,931.66 crore (13.98 *per cent* of total revenue expenditure) was incurred on “Pension and Other Retirement benefits” to State Government employees recruited on or before 01 September 2004. State Government employees recruited on or after 01 September 2004 are covered under the New Pension Scheme (NPS) which is a defined contribution pension scheme. In terms of the Scheme, the employee contributes 10 *per cent* of his monthly salary and dearness allowances, which is matched by the State Government and the entire amount is transferred to the designated fund manager through the National Securities Depository Limited (NSDL)/ Trustee Bank. The actual amount payable by the employees and the matching Government contribution has not been estimated. Consequently, the actual liability of the employees and the Government under the Scheme is not ascertainable.

As against employees contribution of ₹481.61 crore during the year, the State Government contributed ₹431.74 crore and the total amount of ₹913.35 crore has been deposited under MH 8342-117 Defined Contribution Pension Scheme. Out of the total available balance of ₹1,091.79 crore (including opening balance of ₹177.12 crore as on 01 April 2017), an amount of ₹926.89 crore has been transferred to NSDL/Trustee Bank during 2017-18, leaving a balance of ₹164.90 crore in the fund as on 31 March 2018 which has not been transferred to NSDL/Trustee Bank. The statements are incomplete to the extent the detailed information has not been furnished by the Government.

The State Government orders stipulate that as per RBI guidelines, guarantee commission/fees @ 2% is to be collected on the total guaranteed amount. The guarantee commission should be transferred to the Guarantee Redemption Fund.

The Government of India (GoI) enacted the Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996 aimed at providing safety, health and welfare measures for the benefit of building and other construction workers. GoI also enacted the Building and Other Construction Workers Welfare Cess Act, 1996 (Cess Act) to levy and collect cess for providing benefits to the workers. The GoI also framed the relevant Rules under the above Acts. The Act, inter alia, mandated constitution of a Building and Other Construction Workers' Welfare Board and framing of rules by every State Government to exercise the powers conferred under the Act. Accordingly, the Andhra Pradesh Building and Other Construction Workers (Regulation of Employment and conditions of Service) Rules, 1999 have been framed under the Act and AP building & other construction Workers Welfare Board was constituted. (xi) Restructuring of Centrally Sponsored Schemes (CSSs)/ Additional Central Assistance (ACA) excluding Block Grants:

Planning Commission (now NITI Aayog) had mapped CSSs and ACA schemes (excluding Block Grants) under 66 umbrella schemes in the 12th Five Year Plan (2012-17). As per recommendations of sub-group of Chief Ministers in the NITI Aayog, Govt. of India in OM dt. 17 August 2016, rationalized the existing 66 Centrally Sponsored Schemes into 28 umbrella schemes under three categories viz., (i) Core of core Schemes-6 (ii) Core Schemes – 20 and (iii) Optional Schemes – 2.

From 01 April 2014 onwards GoI released central assistance for CSSs/ACA directly to the State Government instead of to the implementing agencies. Consequent on merger of Plan/Non-Plan, the Central assistance released is now classified as Central Assistance/share under Centrally Sponsored Schemes. The Government of Telangana has modified their budget depiction and the Central assistance/State share for CSSs/ACA has been shown under relevant Centrally Sponsored Schemes.

As against ₹7,802.66 crore depicted in the Public Financial Management System (PFMS) portal of Controller General of Accounts (CGA) as Central assistance for Centrally Sponsored Schemes of the Government of Telangana in 2017-18, clearance memos from RBI, CAS, Nagpur and supporting sanction orders from the respective Ministries were received for ₹8,058.80 crore and the same were appropriately booked in the accounts of the

State Government under MH 1601 Grants-in-Aid from the Central Government. Total expenditure under Centrally Sponsored Schemes is ₹9,054.37 crore (Revenue Expenditure: ₹7,050.69 crore and Capital Expenditure: ₹2,003.68 crore) which includes expenditure out of Central Assistance and State share for Centrally Sponsored Schemes.

(xii) Direct transfer of Central Scheme Funds to Implementing Agencies in the State (Funds routed outside State Budget):

Till 31 March 2014, GoI transferred substantial funds directly to State Implementing Agencies/Non-Government Organizations (NGOs) for implementation of various schemes/programmes. From 01 April 2014 onwards GoI decided to release funds directly to the State Government instead of to the implementing agencies. However, it is observed that, as per the PFMS portal of the Controller General of Accounts (CGA), Government of India has released ₹14,801.11 crore directly to the State implementing agencies in Telangana State during the year 2017-18 as against ₹3,248.85 crore in 2016-17. Details are at Appendix-VI.

(xiii) Committed Liabilities: In terms of the Twelfth Finance Commission recommendations, some action has been initiated by the Central Government to move towards accrual basis of accounting. However, as the transition would occur in stages, for a changeover to the accrual based system of accounting, some additional information in the form of statements were required to be appended to the present system of cash accounting to enable more informed decision making. The Appendix No. XII on committed liabilities has been kept blank for want of information from the State Government. The accounts are therefore incomplete to that extent.

(xiv) Impact of incorrect/ inadequate booking on Revenue Surplus/Fiscal Deficit:

Impact on Revenue Surplus of the State Government consequent to the incorrect/inadequate booking (details given in preceding paragraphs) is given below:

Paragraph no.	Item	Impact on Revenue Surplus	Impact on Fiscal Deficit
		Overstatement	Understatement
1 (v)	GIA and Minor works booked under Capital Section	₹489.14 crore	...
3 (i)	Short contribution of Government matching share towards NPS	₹49.87 crore	₹49.87 crore
3 (vii)(b)	Non provision of interest on interest bearing Deposits	₹13.46 crore	₹13.46 crore
3 (vii)(c)	Non contribution to Consolidated Sinking Fund(CSF)	₹673.69 crore	₹673.69 crore
3 (vii)(d)	Non contribution to Guarantee Redemption Fund (GRF)	₹209.45 crore	₹209.45 crore
Total impact		₹1,435.61 crore (Net overstatement)	₹946.47 crore (Net understatement)

(xv) Disclosures under the Telangana Fiscal Responsibility and Budget Management (FRBM) Act, 2005

As per the Telangana Fiscal Responsibility and Budget Management (Telangana FRBM) Rules, 2006, the State Government shall, at the time of presenting the budget, make various disclosures. The budget of 2017-18 did not make the following disclosures: Weighted Average Interest Rate on State Government Liabilities, Statement of Assets, Tax Revenue raised but not realized, and Statement of Outstanding Miscellaneous Liabilities.

Targets fixed by the State Government in Telangana FRBM Act, 2005 and the rules framed there under, and ceilings fixed based on the recommendations of the Fourteenth Finance Commission, and achievements as per the accounts of 2017- 18 are given below:
