## **Certificate of the Comptroller and Auditor General of India**

This compilation containing the Finance Accounts of the Government of Himachal Pradesh for the year ending 31 March 2015 presents the financial position along with accounts of the receipts and disbursements of the Government for the year. These accounts are presented in two volumes, Volume-I contains the consolidated position of the state of finances and Volume-II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Himachal Pradesh and the statements received from the Reserve Bank of India. Statements (No. 8, 9, 19 and 20), explanatory notes (Statements No. 14 and 15), appendices (IV, VIII, IX and XI) in this compilation have been prepared directly from the information received from the Government of Himachal Pradesh and its Corporations/Companies/Societies who are responsible to ensure the correctness of such information. Appendix VI has been prepared from the details collected from the Public Financial Management System portal of the Controller General of Accounts.

The treasuries, offices, and/or departments functioning under the control of the Government of Himachal Pradesh are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Principal Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the

Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position, and the receipts and disbursements of the Government of Himachal Pradesh for the year 2014-15.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Himachal Pradesh being presented separately for the year ended 31 March 2015.

**A. Broad overview of the structure of Government accounts**

1. The Finance Accounts of the State of Himachal Pradesh present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts.

2. The Accounts of the Government are kept in three parts:

**Part I: Consolidated Fund:** This Fund comprises all revenues received by the State Government, Public Debt, Loans and Advances raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, etc.), Ways and Means advances extended by the Reserve Bank of India and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments etc.), constitute a charge on the Consolidated Fund of the State (Charged expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted expenditure) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Loans). These are further categorised under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, viz., 'Tax Revenue', 'Non Tax Revenue' and 'Grants in Aid and Contributions'. These three sectors are further divided into sub-sectors like 'Taxes on Income and Expenditure', 'Fiscal Services', etc. The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, viz., 'General Services', 'Social Services', 'Economic Services' and 'Grants in Aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors like, 'Organs of State', 'Education, Sports, Art and Culture' etc. The Capital Expenditure section is sub-divided into seven sectors, viz., 'General Services', 'Social Services', 'Economic Services', 'Public Debt', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

**Part II: Contingency Fund:** This Fund is in the nature of an imprest which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Himachal Pradesh for 2014-15 is ₹ 5.00 crore.

**Part III: Public Account:** All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayables like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, viz., 'Small Savings, Provident Funds etc.', 'Reserve Funds', 'Deposit and Advances', 'Suspense and Miscellaneous', 'Remittances', and 'Cash Balance'. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

3. Government accounts are presented under a six tier classification, viz., Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (two characters), Detailed Heads (two to three digits), and Object Heads (two digits). Major Heads represent functions of Government, Sub- Major Heads represent sub-functions, Minor Heads

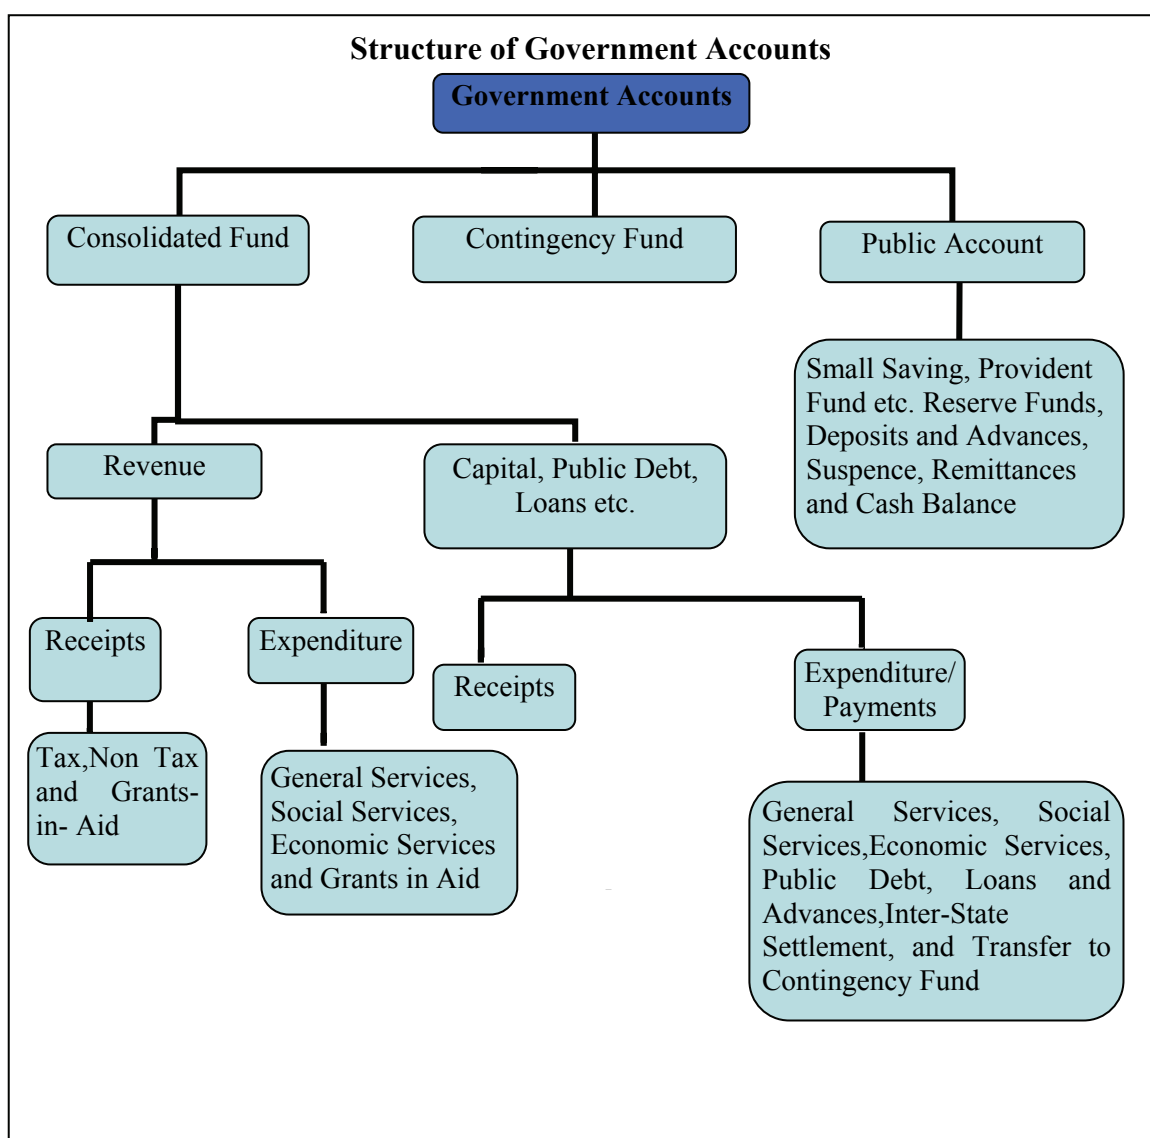

represent programmes/ activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes, and Object Heads represent purpose/ object of expenditure.

4. The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected upto March 2015)

0020 to 1606	Revenue Receipts
2011 to 3606	Revenue Expenditure
4000	Capital Receipts
4046 to 7810	Capital Expenditure (including Public Debt and Loans and Advances)
7999	Appropriation to the Contingency Fund
8000	Contingency Fund
8001 to 8999	Public Account

5. The Finance Accounts, generally (with some exceptions), depict transactions upto the Minor Head. The figures in the Finance Accounts are depicted at net level, i.e., after accounting for recoveries as reduction of expenditure. This treatment is different from the depiction in the Demands for Grants presented to the Legislature and in the Appropriation Accounts, where, expenditure is depicted at the gross level.

6. A pictorial representation of the structure of accounts is given below:

### D. Periodical adjustments and Book adjustments:

Certain transactions that appear in the accounts do not involve actual movement of cash at the time of booking. Some of these transactions take place at the level of the account rendering units (e.g. treasuries, divisions etc.) themselves. For instance, transactions involving adjustment of all deductions (GPF, recoveries of advances given etc.) from salaries are recorded by debiting functional major heads (pertaining to the concerned department) by book adjustment to revenue receipt/loans/public account. Similarly 'nil' bills where moneys transferred between the Consolidated Fund and Public Account represent non-cash transactions occurring at the level of the accounts rendering units.

In addition of the above the Principal Accountant General/Accountant General (A&E) carries out periodical adjustments and book adjustments of the following nature in the accounts of the State Government, details of which appear in Annexure to Notes to Accounts (Volume 1) and footnotes to the relevant statements.

Examples of periodical adjustments and book adjustments are given below:

(1) Creation of funds/ adjustment of contribution to Funds in Public Account by debit to Consolidated Fund e.g., State Disaster Response Fund, Central Road Fund, Reserve Funds, Sinking Fund, etc.

(2) Crediting of deposit heads of accounts in Public Account by debit to Consolidated Fund.

(3) Annual adjustment of interest on General Provident Fund (GPF) and State Government Group Insurance Scheme where interest is adjusted by debiting Major Head 2049-Interest and crediting Major Head 8009-State Provident Fund and Major Head-8011-Insurance and Pension Fund.

(4) Adjustment of Debt waiver under the scheme of Government of India based on the recommendations of the Central Finance Commissions. These adjustments (where Central loans are written off by crediting Major Head 0075-Misc. General Services by contra entry in the Major Head 6004-Loans and Advances from the Central Government) impact both Revenue Receipts and Public Debt heads.

**E. Rounding:**

Difference of ₹0.01 lakh/crore, wherever occurring, is due to rounding.

**EXPLANATORY NOTES**

**(a) Cash and Cash Equivalent:-** Cash and cash equivalents consist of cash in treasuries and deposit with Reserve Bank of India and other Banks and Remittances in Transit. The Balance under the Head "Deposits with Reserve Bank" depicts combined balance of the Consolidated Fund, Contingency Fund and the Public Account at the end of the year. To arrive at the overall cash position, the cash balances with treasuries, departments and investments out of the cash balances /reserve funds etc. are added to the balance in "Deposits with Reserve Bank of India".

**(b) Daily Cash Balance:** Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹0.55 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary and Special Drawing Facility/overdrafts from time to time.

For arriving at the daily cash balance\* for the purpose of grant of Ways and Means advances/Overdraft, the RBI evaluates the holdings of the 14 day treasury bills along with the transactions reported (at Reserve Bank of India counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 day Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. If the net cash balance arrived at results in less than the minimum cash balance or a credit balance and if there are no 14 day treasury bills maturing on that day, Reserve Bank of India rediscounts the holdings of the 14 day Treasury Bills and makes good the shortfall. If there is no holding of 14 day Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Drawing Facility/ Over Draft.

**(c) Ways and Means Advances:**The limit for ordinary ways and means advances to the State Government was ₹ 2,85.00 crore with effect from 11.11.2013. The Bank has also agreed to give Special Drawing Facility against the pledge of Government Securities. The limit of Special Drawing Facility is revised by the Reserve Bank of India from time to time.

\* The cash balance (Deposit with Reserve Bank of India) above in the closing cash balance of the year as on 31 March 2015 but worked out by May 2015 and not simply the daily balance on 31 March 2015.

### 13. SUMMARY OF BALANCES UNDER CONSOLIDATED FUND, CONTINGENCY FUND AND PUBLIC ACCOUNT

**B. Government Account:-** Under the system of book-keeping followed in Government accounts, the amount booked under Revenue, Capital and other transactions of Government, the balances of which are not carried forward from year to year in the accounts, are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund, etc. are added and the closing cash balance at the end of the year is to be worked out and proved.

The other headings in the summary take into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State, such as lands, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

The net amount at the debit of Government Account at the end of the year has been arrived at as under:-

**Note:-**

In a number of cases, there are unreconciled differences in the closing balance as reported in the statement of 'Receipts, Disbursements and Contingency fund and Public Account' (Statement no. 16) and that shown in separate registers or other record maintained in the Account office/ Departmental offices for the purpose. Steps are being taken to settle the discrepancies.

The balances are communicated to the officers concerned every year for verification and acceptance thereof. In a large number of cases such acceptances have not been received.

**Notes to Accounts****1. Summary of significant accounting policies:****(i) Entity and Accounting Period**

These accounts present the transactions of the Government of Himachal Pradesh for the period 1 April 2014 to 31 March 2015. The accounts of receipts and expenditure of the Government of Himachal Pradesh have been compiled based on the initial accounts rendered by 17 District Treasuries, 74 Public Works Divisions, 88 Forest Divisions, 52 Irrigation Divisions and Advices of the Reserve Bank of India. Rendition of monthly accounts by the Accounts Rendering Units of the State Government was satisfactory and no accounts were excluded at the end of the Financial Year.

**(ii) Basis of Accounting**

With the exception of some Periodical Adjustments and Book Adjustments (**Annexure-A**), the accounts represent the actual cash receipts and disbursements during the current year. Physical Assets and Financial Assets such as Government investment, etc., are shown at historical cost, i.e., the value at the year of acquisition/ purchase. Physical assets are not depreciated or amortized. Losses in physical assets at the end of their lives have not been expensed or recognized.

Liabilities on retirement benefits disbursed during the current year have been reflected in the accounts, but the future pension liability of the Government, i.e., the liability towards payment of retirement benefits for the past and the present service of its employees is not included in the accounts.

**(iii) Currency in which Accounts are kept**

The accounts of the Government of Himachal Pradesh are maintained in Indian Rupees.

**(iv) Form of Accounts**

Under Article 150 of the Constitution, the accounts of the Union and of the States are kept in such form as the President may, on the advice of the Comptroller and Auditor General of India, prescribe. The word 'form' used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads under which the transactions are to be classified.

**(v) Classification between Revenue and Capital**

Revenue expenditure is recurring in nature and is intended to be met from revenue receipts. Capital expenditure is defined as expenditure incurred with the object of increasing concrete assets of a material and permanent character or of reducing permanent liabilities. Further, as per Indian

Government Accounting Standards (IGAS) 2, expenditure on Grants-in-aid is recorded as revenue expenditure regardless of end utilization.

## **2. Quality of Accounts:**

### **(i) Booking under Minor Head 800-Other Receipts/ Expenditure**

Minor Head 800- Other Receipts/ Other Expenditure are intended to be operated only when the appropriate Minor Head has not been provided in the accounts. Routine operation of Minor Head 800 is to be discouraged, since it renders the accounts opaque. During the year, ₹2,680.31 crore under 48 Revenue Major Heads of accounts on the receipts side, constituting 15.02 per cent of the total Revenue receipts, was recorded under the Minor Head 800 'Other Receipts' below the concerned Major Heads. Similarly, ₹877.94 crore under 41 Revenue and Capital Major Heads of accounts on the expenditure side, constituting 3.94 per cent of the total expenditure (Revenue and Capital), was recorded under the Minor Head 800 'Other Expenditure', below the concerned Major Heads. Instances where a substantial proportion (50 per cent or more) of the receipts and expenditure were classified under the Minor Head 800 Other Receipts/ Expenditure are listed at **(Annexure-B,C and D)** respectively. In some cases, recoveries on account of over payment were also taken as receipts under Minor Head 800- Other Receipts instead of being accounted for as reduction of expenditure under the concerned service head as per the extant government accounting rules.

### **(ii) Advance payments**

Drawing and Disbursing Officers (DDOs) are authorized to draw sums of money in advance and submit adjustment bills thereafter. However, the State Government has not introduced a system for identifying such adjustment vouchers, following which, the Accountant General (A&E) is unable to certify whether all advances have been settled and that there is no misappropriation or fraud. Over the years, the Accountant General (A&E) has been requesting the State Government to adopt the mode of Abstract Contingent (AC) bills and subsequent submission of Detailed Countersigned Contingent (DC) bills (vouchers in support of final expenditure) prevalent in the Central Government and other States to ensure greater transparency. The State Government is yet to do this.

### **(iii) Outstanding Utilization Certificates**

In terms of Rule 164 of the Himachal Pradesh Financial Rules, 2009 (Revised), where grants are sanctioned for specific purposes, the departmental officers concerned should obtain Utilization Certificates (UCs) from the grantees, which, after verification, should be forwarded to the Accountant General(A&E) within the dates specified in the sanction. Grants-in-aid given by the Government are accounted for under the respective major heads of account. A significant

proportion of the outstanding UCs of the State is awaited from the Departments of Education, Rural Development and Social Justice.

Details of outstanding UCs up to March 2015 were as under:

Year	Number of UCs awaited	Amount (₹ in crore)
Up to 2012-2013	3,865	1,146.51
2013-2014	11,674	1,240.88
2014-15*	22,734	2,156.18
<b>Total</b>	<b>38,273</b>	<b>4,543.57</b>

(\* Except where the sanction orders state otherwise, UCs in respect of grants disbursed during 2014-15 become due only during 2015-16)

The purpose for which Grants-in-Aid were utilized can be confirmed only on receipt of UCs which would safeguard against diversion of funds for other purposes. Thus expenditure shown in the accounts cannot be treated as final to the extent of non-receipt of UCs, nor can it be confirmed that the amount has been expended for the purpose sanctioned.

#### (iv) Transfer of Funds to Personal Deposit Accounts

Under Rule 12.7 of the Himachal Pradesh Financial Rules Volume I, 1971, Personal Deposit (PD) accounts are operated by transferring amounts from the Consolidated Fund and booking these as final expenditure against the concerned service Major Heads to be utilized for specific purposes. Unspent balances lying in PD accounts are required to be transferred back to the Consolidated Fund on the last working day of the financial year, and reopened the next year, if necessary. These rules have not been followed by the State Government, despite persistent requests over the past many years by the Accountant General (A&E).

Details of balances in Personal Deposit accounts are as under:

PD Accounts as on 1.4.2014	Balance as on 1.4.2014 (₹ in crore)	PD Accounts opened during the year	PD Accounts closed during the year	PD Accounts as on 31.3.2015	Balance as on 31.3.2015 (₹ in crore)
109	225.10	15*	11	113**	361.00

\* State Government has operated 10 Personal Deposit accounts amounting to ₹22.98 crore in March 2015 which were inoperative since long (i.e more than five years).

\*\* 13 Personal Deposit accounts amounting to ₹ 0.20 crore are inoperative since 2010-11 onwards.

**(v) Reconciliation of Receipt and Expenditure**

Chief Controlling Officers (CCO)/ Controlling Officers (CO) are required to reconcile the receipts and expenditure figures of the Government with the figures accounted for by the Accountant General (A&E). Such reconciliation has been completed by all CCOs/COs for both receipts and expenditure.

**(vi) Cash Balance (deposit with Reserve Bank of India)**

The difference of ₹ 6.73 crore (net debit) between the Cash Balance of the State Government as worked out by the Accountant General and as reported by the Reserve Bank of India is mainly due to non reconciliation of figures by the Agency Banks, and is being reviewed.

**3. Other items****(i) Liabilities on Pensionary Benefits**

Expenditure during the year on Pension and other retirement benefits to State Government employees recruited on or before 14 May 2003 was ₹2,914.49 crore (including ₹10.96 crore of Pension to legislatures, ₹194.38 crore of leave encashment benefit and ₹92.21 crore of Government Contribution for Defined Contribution Pension Scheme), constituting 14.73 per cent of the total revenue expenditure of ₹19,787.05 crore). State Government employees recruited with effect from 15 May 2003 are eligible for the New Pension Scheme which is a defined contributory pension scheme. In terms of the Scheme, the employee contributes 10 per cent of his/her basic pay and dearness allowances, which is matched by the State Government.

As per prescribed procedure, both the contributions are to be initially credited to the Public Account under Major Head 8342-Other Deposits-117 Defined Contribution Pension Scheme for Government Employees. Thereafter, the entire amount is to be transferred to the National Securities Depository Limited (NSDL)/ Trustee Bank through the designated fund manager in the same year itself. (The Major Head 8342-Other Deposit comes under the category of 'deposits bearing interest', implying thereby, that the Government is required to pay interest on balances that are retained in the Public Account without transfer to NSDL/ Trustee Bank). This procedure makes it possible to verify whether the entire deductions under the employees' contributions have been matched by the employer and transferred into the Public Account and whether the entire amount (employees' and employer's contributions) has been transferred to the NSDL/ Trustee Bank. It also makes it possible to verify whether the Government has paid and transferred to NSDL/ Trustee Bank the interest on the balances that are retained in the Public Account at the end of the year.

The Government of Himachal Pradesh, however, did not follow the above procedure. While the employees' contributions are correctly transferred to the Public Account for eventual transfer to NSDL/ Trustee Bank, the State Government transfers the employer's contribution directly to NSDL/ Trustee Bank without routing it through the Public Account. During 2014-15, the State Government deducted ₹162.56 crore towards employees' contribution which was credited to the Public Account. However, as in previous years, the State Government did not credit the employer's contribution to the Public Account, and instead, directly transferred ₹92.21 crore to NSDL/Trustee Bank. The short contribution of ₹70.35 crore represented current liabilities (short contribution of employer's share), but since the State Government did not route the employer's contribution through the Public Account, it has not been possible to ascertain the quantum of past liabilities representing employer's share remaining to be transferred to NSDL. Such short contributions over the years, if any, will attract interest, which will also have to be included at the time of transferring the employer's contribution to NSDL, but in the absence of information on quantum of short employer's contribution over the years, it has not been possible to estimate this.

As on 1 April 2014, ₹46.78 crore representing employees' contribution yet to be transferred to NSDL was available in the Public Account under Major Head 8342-117. (The interest accruing on such retained balances -which constitute liabilities of the State Government- since the inception of the Scheme, has not been estimated. It has also not been possible to estimate whether the employees' contributions over the years under the Scheme have been correctly assessed). Against ₹209.33 crore (₹46.78 crore opening balance plus ₹162.55 crore deducted from the employees during the year), the State Government transferred ₹177.26 crore leaving a balance of ₹32.07 crore in the Public Account as on 31 March 2015. Uncollected, unmatched and untransferred amounts, with accrued interest, represent outstanding liabilities under the Scheme besides erroneously enhancing the liquidity position of the State Government.

## **(ii) Guarantees**

The information contained in statement 9 of the Finance Accounts for the year 2014-15 is based on information received from the State Government/ corporation/ Boards/ Government Companies, Cooperative Society/Bank consisting of 14 Statutory Corporation/ Boards/ Government Companies, Cooperative Society/Bank. The outstanding amounts guaranteed against their liabilities stood at ₹ 4,281.33 crore at the end of 2014-15.

Under the Himachal Pradesh Fiscal Responsibility and Budget Management (FRBM) Act (as amended), the total outstanding guarantees should be limited to 40 percent of revenue receipt for the

year preceding the current year. Thus the outstanding guarantees work out to be 27.25 percent of the Revenue Receipts during 2013-14 which is within the target of FRBM Act.

### **(iii) Loans and Advances**

Except in respect of loans and advances made to Government servants where the Accountant General (A&E) maintains detailed accounts, information on all other loans and advances as depicted in Statement 7 and 18 have been collected from State Government departments who are responsible for maintaining such accounts. The statements, however, do not contain details regarding interest payment in arrears, since these have not been furnished by the State Government departments. During last five years loans amounting to ₹2,191.70 crore were given by the State Government to various entities. Out of these, terms and conditions in respect of loans amounting to ₹33.33 crore have not been finalised. During 2014-15, the State Government received ₹9.40 crore toward repayment of advances by Government Servant and ₹31.16 crore as repayment of other outstanding loans (₹2,346.82 crore as on 31 March 2015).

### **(iv) Investment**

In terms of the accounts the investment of Government in 66 entities was ₹2,731.65 crore as on 31 March, 2015. These figures, however, have not been reconciled with the figures of the investee organizations, which is to be done.

### **(v) Adjustment of excess repayment against written off Central Loans**

In furtherance of the recommendation of the Thirteen Finance Commission, Ministry of Finance, Government of India, in a series of orders, all dated 29 February 2012, wrote off loans advanced to the State Government by various Ministries (except those advanced by the Ministry of Finance itself) as on 31st March 2010 towards Central Plan and Centrally Sponsored Schemes. Ministry of Finance permitted the State Government to adjust the excess repayments of principal and interest made from the effective date of the order (31 March 2010) and its implementation, against future repayment to the Ministry of Finance. Out of the excess repayment of ₹15.58 crore, Ministry of Finance had adjusted ₹ 10.57 crore against the dues payable by the Government of Himachal Pradesh during the year 2013-14. During the year 2014-15 no excess repayment has been adjusted by Ministry of Finance. The principal amount (which is not estimated) out of the balances pending for adjustment by Ministry of Finance (₹5.01 crore) will constitute an adverse balances in the loan

account of the State of Himachal Pradesh and also an overstatement of public Debt of the Government, till it is adjusted or written off. Details of Ministry wise breakup of loans written off are given below:

Ministry/Department	Write off	Excess paid
Ministry of Textiles and Department of Commerce	₹ 0.01 crore written off during 2011-12	₹ 0.02 crore (principal) and ₹ 0.01 crore (interest)

#### (vi) Reserve Funds

Details of Book adjustments carried out by the Accountant General (A&E) on the contribution of the State Government to various Reserve / Deposit Funds and their utilization, are indicated in **Annexure-A**. Detailed information on reserve funds and the investments from the earmarked funds is available in Statements 21 and 22 respectively. There were eight Reserve Funds earmarked for specific purposes. The total accumulated balance as at the end of 31 March, 2015 in these funds was ₹228.48 crore. The State Government, however, has not created two significant reserve funds (viz. Consolidated Sinking Fund and the Guarantee Redemption Fund). Details of significant reserve funds are as under:

#### (a) Consolidated Sinking Fund

In terms of the recommendations of the Twelfth Finance Commission, State Governments are required to create a Consolidated Sinking Fund to be administered by the Reserve Bank of India (RBI) for redemption of outstanding liabilities. The State Government is required to make minimum annual contributions to the Fund at 0.5 per cent of the outstanding liabilities at the end of the previous financial year. Outstanding liabilities are defined as comprising Internal Debt and Public Account liabilities (Statement No. 6) of the State Government. The State Government has not, however, created a Consolidated Sinking Fund and accordingly contribution to the extent of ₹169.42 crore (0.5 percent of outstanding liabilities of ₹33,884.05 crore as on 31 March 2014) were not made to Consolidated Sinking Fund during the Financial year.

**(b) Guarantee Redemption Fund**

The State Government was required to set up a Guarantee Redemption Fund as recommended by the Twelfth Finance Commission to meet the contingent liabilities arising from the guarantees given, and make minimum annual contributions to the Fund at the rate of 0.5 per cent of the outstanding guarantees at the end of the previous year. The Fund has not been created. While no reliable figures are available from the State Government, based on the figures provided by 14 guaranteed entities, the outstanding guarantees as on 31 March 2014 amounted to ₹4,332.86 crore in respect of these 14 entities. On this basis ₹21.66 crore was liable to be contributed to this fund during the year 2014-15.

The Himachal Pradesh Financial Rules, 2009 do not prescribe a minimum of guarantee fees. Nevertheless, guarantee fees of ₹0.01 crore was received during 2014-15.

**(c) State Disaster Response Fund**

The State Government has created a “State Disaster Response Fund” (SDRF) as recommended by the Thirteenth Finance Commission. In terms of the guidelines, the Centre and the State Government are required to contribute to the Fund in the proportion of 90:10. Further, if the State does not have adequate balance under SDRF, Government of India provides additional assistance from the National Disaster Response Fund (NDRF). During 2014-15, the State Government received ₹147.06 crore (₹4.00 crore for capacity building and ₹143.06 crore towards Central Government share of 90 per cent contribution to SDRF). Against its own share of ₹15.89 crore, the State Government released only ₹11.87 crore. Against the corpus of ₹167.98 crore (₹9.05 crore opening balance plus ₹158.93 crore transferred in 2014-15) the State Government adjusted ₹159.04 crore towards expenditure on account of natural calamities during the year, leaving a balance of ₹8.94 crore lying in the Fund as on 31 March 2015, which however, has not been invested. The Public Account under Major Head 8121 pertaining to SDRF belongs to the category ‘Reserve Fund bearing interest’ and the State Government is required to pay interest on uninvested balance. Consequently, the State Government is required to pay interest of ₹0.72 crore (estimated at 8.00 per cent applicable on Ways and Means Advances) which was not done.

In the meantime, during 2014-15, the State Government received an additional assistance of ₹65.30 crore under NDRF and an expenditure of ₹1.42 crore has been incurred under Major Head 2245-Relief on account of natural calamities. The State Government however has not adjusted/utilized the amount received from Government of India.

**(vii) Inoperative Reserve Fund**

There were two inoperative Reserve Funds namely (i) Depreciation Reserve Funds Government Commercial Departments and Undertakings under Major Head 8115 Depreciation/Renewal Reserve Funds, Reserve Fund bearing interest and (ii) Depreciation Reserve Funds Government Commercial Departments and Undertakings under Major Head 8226 Depreciation/Renewal Reserve Funds, Reserve Fund not bearing interest and these funds are inoperative since 1971. The total accumulated balance as at the end of 31 March, 2015 in these funds was ₹1.54 crore. The State Government has not initiated any action to close these funds.

**(viii) Interest Adjustments**

Government is liable to pay /adjust Interest in respect of balances under categories- 'I. Small Savings Provident Funds etc.', 'J-Reserve Funds (a. Reserve Funds bearing Interest)' and 'K-Deposits (a. Deposits bearing Interest)', and specific sub-major heads. An amount of ₹820.09 crore on account of interest on Small Savings, Provident Fund etc., has been charged to Major Head '2049 Interest Payment' during the year. No amount has been charged to '05 Interest on Reserve Funds' and '60 Interest on other Obligations'. The State Government is required to pay interest on balance of ₹46.78 crore lying in interest bearing deposits (Defined Contribution Pension Scheme for Government employees) that has not been invested. This interest has been estimated at 8.7 per cent, which is the rate of interest payable on General Provident Funds in 2014-15 and comes to ₹4.07 crore. The interest liabilities payable on balances retained in interest bearing reserve funds and deposits in previous years has not been estimated.

**(ix) Status of Suspense and Remittance Balances**

Statement 21 of the Finance Accounts depicts net balances under Suspense and Remittance Heads. Outstanding balances under these heads are worked out by aggregating the outstanding debit and credit balances separately under various heads.

The position of Suspense and Remittance Balances for the last three years is given below:

### (x) Contingency Fund

The Contingency Fund of the State of Himachal Pradesh has a corpus of ₹5.00 crore. No amount has been spent during 2014-15 from the Contingency Fund.

### (xi) Rush of Expenditure

Rush of expenditure, particularly in the closing months of the financial year shall be avoided in terms of rule 43(3) of Himachal Pradesh Rules 2009. It is also mentioned in the H.P. Govt. letter No. Fin.1-C(14)-1/83 dated 06.09.1995 and corrigendum of even number dated 06.02.1997, to regulate the expenditure in the phased manner, the administrative Departments shall ensure that both the Non-Plan and Plan budget of the respective departments is allowed to be spent in a controlled manner i.e. 25 per cent in the 4<sup>th</sup> quarter. The trend of expenditure incurred during the last quarter, Month of

March and last three days of March 2015 as compared to the total expenditure during 2014-15 is as under:

(₹ in crore)

Expenditure incurred during January to March 2015	Expenditure incurred in March 2015	Expenditure incurred during Last three days of March 2015	Total Expenditure	Percentage of total expenditure incurred during		
				Jan to March 2015	March 2015	Last three days of March 2015
7,829.35	4,568.13	1,708.85	22,259.94 (Revenue 19,787.05 and Capital 2,472.89)	35.17	20.52	7.68

**(xii) Operation of Major Head 8670-Cheques and Bills:**

Balances under Major Head 8670 represent cheques issued by treasuries that remain unencashed. All treasuries in Himachal Pradesh (except the New Delhi treasury) operate the Real Time Gross Settlement (RTGS) system whereby payments are made electronically. As on 31 March 2015, cheques valued at ₹0.37 crore issued by the New Delhi Treasury, remained unencashed which is under reconciliation.

**(xiii) Restructuring of Centrally Sponsored Schemes (CSSs)/ Additional Central Assistances (ACA-excluding Block Grants):**

Planning Commission has mapped 137 CSSs and 5 ACA Schemes (excluding Block Grants) under 66 Umbrella schemes in the 12<sup>th</sup> Five Year Plan (2012-17). From 1 April 2014 onwards Government of India released central assistance for CSSs/ ACA directly to the State Government instead of to the implementing agencies; these releases are now classified as 'Central Assistance to the State Plan'. Government of Himachal Pradesh, however, has continued with the budgetary statement in terms of the Government of India transfers as depicted in the State budget documents of earlier years and not in terms of the restructured pattern of CSS/ACA under umbrella schemes.

Out of ₹6,399.68 crore depicted in the Public Financial Management System (PFMS) portal of CGA as Central assistance to the State Plan and Central Sector Scheme of Government of Himachal Pradesh in 2014-15, Clearance memos from RBI, CAS, Nagpur and supporting sanction orders from the respective Ministries were received only in respect of ₹5,978.64 crore and appropriately booked in the accounts of the State Government under Major Head 1601 Grants-in-aid from Central

Government under Sub Major Head 02 Grants for State/Union Territory Plan Schemes, 03 Grants for Central Plan Schemes and 04 Grants for Centrally Sponsored Plan Schemes. State Government, however continues to depict the plan expenditure in terms of the existing classification pattern. As against receipts of ₹5,978.64 crore, plan expenditure under CSS/CP was ₹5,634.29 crore (₹3,203.83 crore in revenue side and ₹2,430.46 crore in capital side ) which includes State's own expenditure on state plan scheme and Central assistance matching share towards CSS . Details are given in Statement No. 15 and 16. Reasons for short utilization of Government of India's Grants-in-Aid towards plan expenditure of the State Government could not be ascertained.

**(xiv) Direct transfer of Central Scheme Funds to implementing Agencies in the State (funds routed outside the State Budget)**

Till recently, Government of India transferred substantial funds directly to State Implementing Agencies/ Non-Government Organizations (NGOs) for implementation of various schemes/ programmes. As per the PFMS portal of the Controller General of Accounts (CGA), GOI released ₹278.55 crore to the implementing agencies in Himachal Pradesh as on 31.03.2015. Details are at Appendix-VI. Government of India's decision to release all assistance to CSSs/ ACA directly to the State Government and not to implementing agencies has reduced the direct transfers to implementing agencies by 83.33 *per cent*, as compared to 2013-14.

**(xv) Fiscal Responsibility and Budget Management (FRBM) Act.**

The Government of Himachal Pradesh has enacted the Fiscal Responsibility and Budget Management (FRBM) Act, 2005.

Achievements during the year 2014-15 against fiscal targets laid down in the Act and rules framed there under, were as follows:-.

Sr. No.	Financial Parameter	Actual (₹ in crore)	Ratio to GSDP*	
			Target	Achievement
1	Revenue Deficit	1,943.60	Eliminate by 2011-12	2.03
2	Fiscal Deficit	4,200.12	3 percent or less	4.39
3	Debt and Other Obligations	38,191.83	40.1	39.95

\* Source: GSDP figure (₹ 95,587 crore) is taken from the Economic and Statistics Department, Government of Himachal Pradesh as the same was not available on the website of Ministry of Statistics and Programme Implementation, Govt of India.

The outstanding guarantees (as estimated by the State Government) on long term debt at the end of year was 27.25 per cent of revenue receipt of previous financial year, which was well within the

target of 40 per cent of revenue receipt of previous financial year.

The State Government had made disclosures to the Legislature required under the Himachal Pradesh Fiscal Responsibility and Budget Management Rules, 2005.

**(xvi) Committed liabilities**

The State Government has not furnished information on committed liabilities in the future, and hence, these have not been included in the accounts.

**(xvii) Impact on revenue deficit and fiscal deficit:**
