In accordance with the recommendations of the Eleventh Finance Commission and the Twelfth Finance Commission, the 'Calamity Relief Fund' was constituted by the State Government under the Public Account below the Head ' 8235-00-111-0-01'. Natural calamities such as drought, flood, cyclone, earthquake, fire etc. qualify for relief under this scheme. Contributions to the Fund for the year 2006-07 fixed for the State of Karnataka was Rs.1,20.38 crores, seventy five *per cent* of which (Rs.90.28 crores) was contributed by the Central Government, credited initially under the head 1601-01-109-Grants towards Calamity Relief Fund and the balance twenty five percent (Rs.30.10 crores) was contributed by the State Government. Also additional contribution equal to twenty five *per cent* of the Central Government's share (Rs.23.70 crores) for Calamity Relief Fund for the year 2007-08 was also released.

Contribution by the Central Government as part of National Calamity Contingency Fund (NCCF) for the year 2006-07 was Rs.1,81.30 crores including Rs.1,58.15 crores being the refund of recovery made during November 2005 out of Grants released by the Government of India from the NCCF in August 2005.

The total contribution was to be transferred to the Fund under the head '8235-111-Calamity Relief Fund', after making provision in the Grant under the Major Head '2245-05-101-Transfer to Reserve Funds and Deposit Accounts-CRF'. Expenditure on relief work was to be initially debited against the provision in the Grant and the same was to be transferred to the Fund before the closure of the accounts for the year. During the year 2006-07 Rs.1,44.08 crores, (being the share of the Central Government and the State Government to CRF) and Rs.3,84.97 crores, (being the contribution from NCCF) together amounting to Rs.529.05 crores was transferred to the Fund by debit to the Head '2245-05-101-Transfer to Reserve Fund and Deposit Accounts-CRF'.

Expenditure shown as incurred on natural calamities during the year 2006-07 was Rs.4,01.61 crores which has been transferred to the Fund. The adverse balance of Rs.12,74,375 (in thousands) excluding the Opening Balance of Rs.1 crore during 2005-06 under the head '8238-11-CRF' during the year 2005-06 stands cleared during the year 2006-07.

According to the scheme guidelines issued during November 2000 and July 2005 when the Fund was classified under the Major Head '8235-111-Calamity Relief Fund', the accretions to the Fund are required to be invested in Treasury Bills, Government of India Securities, Public Sector Bonds and units of the Unit Trust of India, Public Sector Banks and Co-operative Banks. If it is not possible to invest the Fund in the aforesaid manner, the Fund should be constituted under the Major Head '8121 - General and Other Reserve Funds - 115 - Natural Calamities unspent Marginal Money Fund' in the interest bearing section of the Public Account with the permission of the Ministry of Finance, Government of India. State Government should pay interest to the Fund at the rate applicable to overdrafts under Overdraft Regulation Scheme of RBI. However, though the Fund is constituted under '8235 - General and Other Reserve Funds - 111 - Calamity Relief Fund' of Public Account, investments have not been made in the manner stated above.

Account of the transactions of the Fund is included in Statement No.16 of the Finance Accounts 2006-07.

The Minor Head 'Suspense' is not a final head of account. It accommodates interim transactions for which further payments or adjustments of value are necessary before transactions can be considered as complete and are finally accounted for. Accordingly, the transactions under this head, if not adjusted to the final head of account, are carried forward from year to year. 'Suspense' head has two sub-divisions viz.,

- (a) Stock

(a) **Stock:** This sub-division is debited with the value of stores acquired, not for any particular work but for the general use of the division. It is credited with the value of materials, issued for use of work or sold or otherwise disposed of. This sub-division will, therefore, show a debit balance representing the book value of the materials held in stock, plus unadjusted charges etc., connected with manufacture, if any.

(b) **Miscellaneous Works Advances:** This sub-division comprises debits for the value of stores sold on credits, payments made for stores not yet received, losses of stores or cash not written off and sums recoverable from other Governments, Departments, Government Servants, Local Bodies, etc. A debit balance under the sub-division thus represents recoverable amounts.
