This compilation containing the Finance Accounts of the Government of Manipur for the year ending 31 March 2013 presents the financial position along with accounts of the receipts and disbursements of the Government for the year. These accounts are presented in two volumes, Volume I contains the consolidated position of the state of finances and Volume-II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Manipur and the statements received from the Reserve Bank of India. Statement No.9, explanatory notes (information regarding number of pensioners in Statement No.12) and appendices (V, IX, X, XI, XII and XIII) in this compilation have been prepared directly from the information received from the Government of Manipur who is responsible to ensure the correctness of such information.

The treasuries, offices, and/or departments functioning under the control of the Government of Manipur are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position, and the receipts and disbursements of the Government of Manipur for the year 2012-2013.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Manipur being presented separately for the year ended 31 March 2013.

## Guide to the Finance Accounts

---

### A. Broad overview of the Structure of Government Accounts

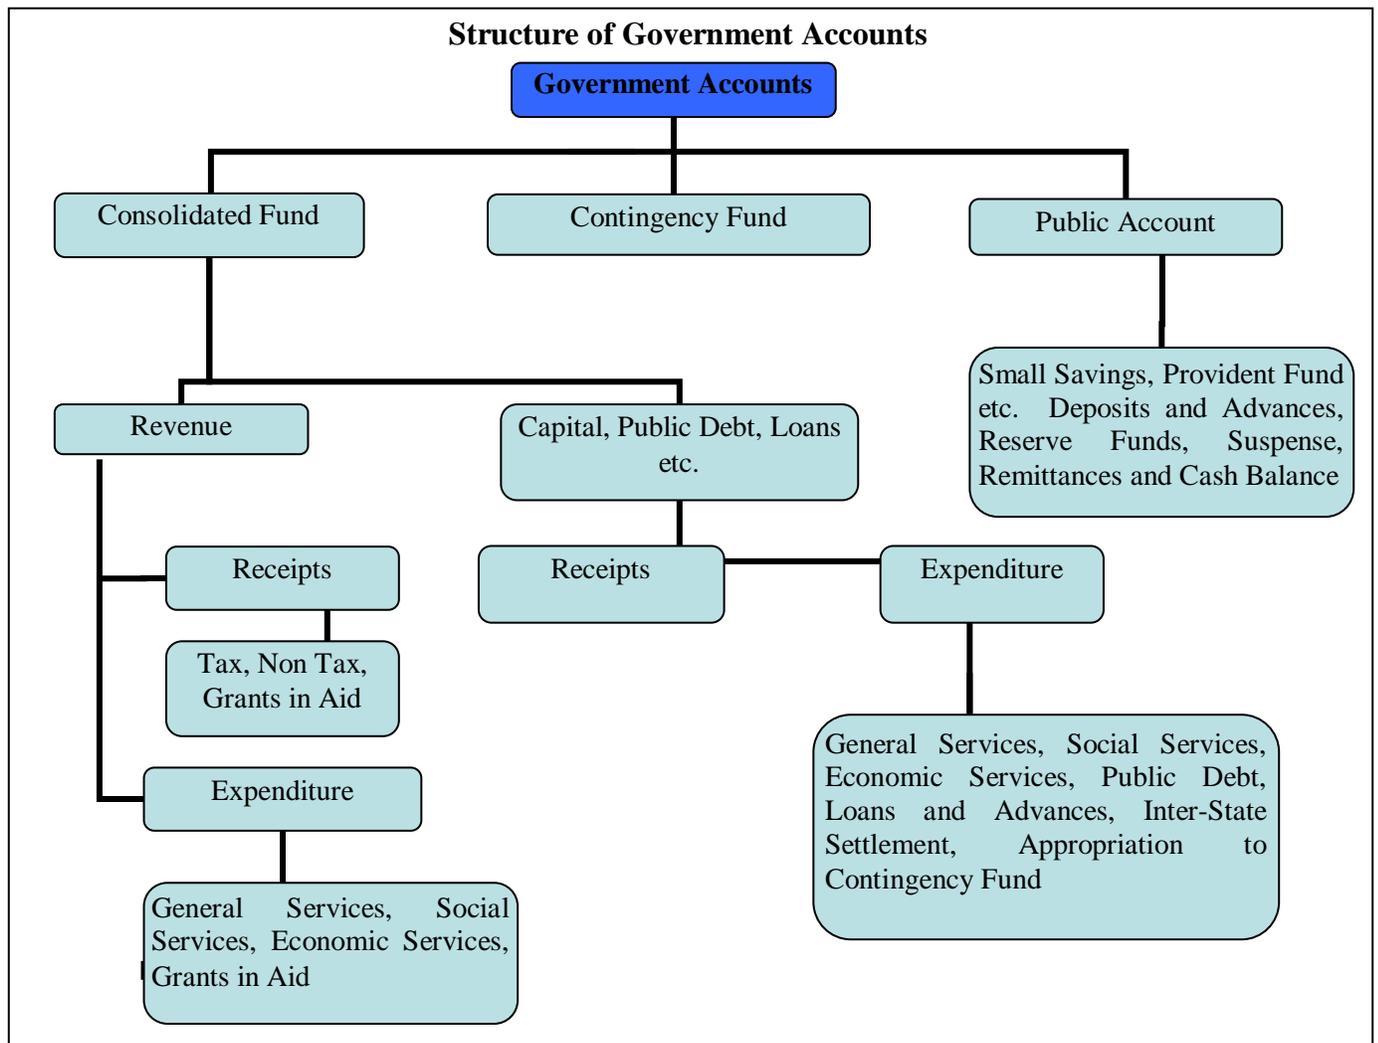

1. The Accounts of the Government are kept in three parts:

Part I: The Consolidated Fund: All Receipts and Expenditure on Revenue and Capital Account, Public Debt and Loans & Advances forms the Consolidated Fund of the State.

Part II: The Contingency Fund: Legislature may by law establish a Contingency Fund which is in the nature of an imprest. The Fund is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head in the Consolidated Fund of the State.

Part III: The Public Account: All other public moneys received by or on behalf of the Government are credited to the Public Account. The expenditure out of this account is not subject to the vote of the Legislature. In respect of the receipts into this account, the Government acts as a banker or trustee. Transactions relating to Debt (other than public debt in Part I), Deposits, Advances, Reserve Funds, Remittances and Suspense form the Public Account.

#### A.1.1 Pictorial representation of Structure of Government accounts

## 2. DIVISIONS, SECTIONS, SECTORS, etc.

The two main divisions of the Accounts in the Consolidated fund are, as depicted in A.1.1 on previous page, 'Revenue and Capital, Public Debt, Loans, etc.' which are divided into sections 'Receipts' and 'Expenditure'. Within each of the Divisions and Sections of the Consolidated Fund the transactions on the expenditure side are grouped into Sectors such as, "General Services", "Social Services", "Economic Services", under which specific functions or services shall be grouped. The Sectors are sub-divided into subsectors/Major heads of account. Major heads correspond to functions and are further divided into sub major heads (sub functions) and minor heads (programmes) which are depicted in volume 2 of the Finance Accounts. The classification below minor heads of account i.e. subheads (schemes) and detailed and object heads( objects of expenditure) are not depicted in the Finance Accounts (minor exceptions exist), though some details are included in the appendices.

## B. WHAT DO THE STATEMENTS CONTAIN

The Finance Accounts have been divided into two volumes. Volume 1 presents the financial statements of the Government in the form of commonly understood summarised form while the details are presented in volume 2.

**Volume 1** contains the Certificate of the Comptroller and Auditor General of India, four summary statements as given below and Notes to Accounts including accounting policy.

1. Statement of financial position: Cumulative figures of assets and liabilities of the Government, as they stand at the end of the year, are depicted in the statement. The assets are largely financial assets with the figures for progressive capital expenditure denoting physical assets of the Government. Assets, as per the accounting policy, are depicted at historical cost.
2. Statement of receipts and disbursements: This is a summarised statement showing all receipts and disbursements of the Government during the year in all the three parts in which Government account is kept, namely, the consolidated fund, contingency fund and public account. Further within the consolidated fund, receipts and expenditure on revenue and capital account are depicted distinctly.

The fiscal parameters of the Government, i.e. the primary, revenue and fiscal deficit are calculated on the operations of the consolidated fund of the State. Hence the following two statements give the operations of the consolidated fund in a summarised form.

3. Statement of receipts (consolidated fund): This statement comprises revenue and capital receipts and receipts from borrowings of the Government consisting of loans from the GOI, other institutions, market loans raised by the Government and recoveries on account of loans and advances made by the Government.
4. Statement of expenditure (consolidated fund): This statement not only gives expenditure by function (activity) but also summarises expenditure by nature of activity (objects of expenditure).

In addition the volume comprises an appendix, Appendix 1, which depicts cash balances and investment of cash balances of the Government.

Both these together form the public debt of the State Government. In addition, this summary statement depicts 'other liabilities' which are the balances under various sectors in the public account. In respect of the latter, the Government acts as a trustee or custodian of the funds, hence these constitute liabilities of the Government. The statement also contains a note on service of debt, i.e a note on the quantum of net interest charges met from revenue receipts.
7. Statement of Loans given by the Government: The loans and advances given by the State Government are depicted in statement 1 and recoveries, disbursements feature in statement 2, 3 and 4. Here, loans and advances are summarised sector and loanee group wise. This is followed by a note on the recoveries in arrear in respect of loans, the details of which are maintained by the AG office and details of which are maintained by the State departments.
8. Statement of Grants-in-aid given by the State Government, organised by grantee institutions group wise. It includes a note on grants given in kind also.
9. Statement of Guarantees given by the Government: Guarantees given by the State Government for repayment of loans, etc. raised by Statutory Corporations, Government Companies, Local Bodies and Other institutions during the year and sums guaranteed outstanding as at the end of the year are presented in this statement.

## Notes to Accounts

### 1. Summary of significant accounting policies:

**(i) Entity and Accounting Period:** These accounts present the transactions of the Government of Manipur for the period 1 April 2012 to 31 March 2013. The accounts of receipts and expenditure of the Government of Manipur have been compiled based on the initial accounts rendered by the District Treasuries, Public Works and Forest Divisions and advices of the Reserve Bank of India. Delays in monthly rendition were negligible, and no accounts were excluded at the end of the year.

**(ii) Basis of Accounting:** With the exception of some book adjustments (**Annexure 'A'**) the accounts represent the actual cash receipts and disbursements during the accounting period. Physical Assets and Financial Assets such as investments etc. are shown at historical cost i.e., the value at the year of acquisition/ purchase. Physical assets are not depreciated or amortised. Losses in physical assets at the end of their life have not been expensed or recognised.

**(iii) Currency in which Accounts are kept:** The accounts of Government of Manipur are maintained in Indian Rupees.

**(iv) Form of Accounts:** Under Article 150 of the Constitution, the accounts of the Union and of the States are kept in such form as the President may, on the advice of the Comptroller and Auditor General, prescribe. The word "form" used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads under which the transactions are to be classified.

**(v) Classification between Revenue and Capital:** Revenue expenditure is recurring in nature and is intended to be met from revenue receipts. Capital expenditure is defined as expenditure incurred with the object of increasing concrete assets of a material and permanent character or of reducing permanent liabilities. Grants-in-Aid are booked as Revenue expenditure in the books of the grantor and as Revenue receipt in the books of the recipient.

### 2. Quality of Accounts

#### (i) Classification of Grants-in-Aid under Capital Heads

In terms of the Indian Government Accounting Standards (IGAS) - 2, expenditure relating to Grants-in-Aid is to be classified as Revenue expenditure. The State Government, however, made budget provision and classified ₹ 26.71 crore under Capital major heads as per table below:

(₹ in crore)

Grant No.	Classification	Description	Amount
13	4250-0-201-13-01-31	Workers Welfare	0.15 (State Plan)
47	4225-80-800-03-02-35	Multi- Sectoral Development Plan for Minorities	26.56 (Central Plan)

Consequently, the Revenue Surplus of the State Government for the financial year 2012-13 stood understated to this extent. This had been reported by the Accountant General (A&E) to the State Government in the Budget Review (December 2012), but remained uncorrected.

**(ii) Booking under Minor Head 800- ‘Other Receipts’ and ‘Other Expenditure’**

Minor Heads 800-‘Other Expenditure’ and ‘Other Receipts’ are intended to be operated only when the appropriate minor head has not been provided in the accounts. Routine operation of Minor Heads 800 is to be discouraged, since it renders the accounts opaque. During the year, the State Government booked expenditure of ₹ 8,99.86 crore under 59 Revenue, Capital and Loan Major Heads of accounts, constituting 13.20 percent of the total expenditure (Revenue and Capital), under the Minor Head 800-‘Other Expenditure’ below the concerned Major Heads. Similarly, receipts of ₹ 1,93.57 crore under 25 Revenue Major Heads of accounts on the receipts side, constituting 2.84 per cent of the total Revenue receipts, was recorded under the Minor Head 800-‘Other Receipts’ below the concerned Major Heads. Instances where a substantial proportion (50 per cent or more) of the receipts and expenditures were classified under the Minor Head 800 – Other receipts/Other expenditure are listed in **Annexure B-1 & B-2**.

**(iii) Reconciliation of Receipts and Expenditure**

Rule 52 (5) of the General Financial Rules require all Controlling Officers to reconcile the receipts and expenditure of the Government with the figures accounted for by the Accountant General. During the year, 26 out of 81 Controlling Officers of the State Government reconciled expenditure of ₹ 31,13.25 crore (41.40 per cent of total expenditure) and receipts of ₹ 5058.48 crore (65.80 per cent of total receipts). Details of Controlling Officers who have reconciled their accounts are given at **Annexure C**. Non reconciliation affects the correctness and completeness of accounts.

**(iv) Reconciliation of Cash Balances**

As on 31 March 2013, there was a net difference of ₹ 7.10 crore (Cr.) between the Cash Balance as worked out by the Accountant General and as reported by the Reserve Bank of India. The difference is mainly due to erroneous reporting by the accredited banks to the Reserve Bank of

India, and misclassification by banks and treasuries. These are under reconciliation. Details are given in the note below Statement 18.

**(v) Unadjusted Abstract Contingency (AC) bills**

Drawing and Disbursing Officers are authorized to draw sums of money by preparing Abstract Contingency (AC) bills by debiting Service Heads. They are required to present Detailed Contingency (DC) bills with supporting documents which are to reach the office of the Accountant General not later than the 25 of the month following the date of preparation of the AC bill. 987 DC bills amounting to ₹ 9,99.29 crore pertaining to the period 2003-13 are outstanding as on 31 March 2013. Prolonged non-submission of supporting DC bills renders the expenditure under AC bills opaque. Details are given below:

(₹ in crore)

Year	AC Bills Drawn		DC Bills Submitted		Outstanding DC Bills	
	Number	Amount	Number	Amount	Number	Amount
Upto 2010-11	2,138	20,37.88	1,414	15,09.13	724	5,28.75
2011-12	236	3,74.07	60	83.66	176	2,90.41
2012-13	116	2,05.81	29	25.68	87	1,80.13
Total	2,490	26,17.76	1,503	16,18.47	987	9,99.29

Out of ₹ 2,05.81 crore drawn against AC bills in 2012-13, AC bills amounting to ₹ 1,68.78 crore were drawn in March 2013 alone, out of which ₹ 60.31 crore was drawn on the last day of the financial year. Significant expenditure against AC bills in March, especially the last working day of March, indicates that the drawal was primarily to exhaust the budget and reveals inadequate budgetary control.

**(vi) Outstanding Utilization Certificates against Grants in Aid**

In terms of rule 406 of the Central Treasury Rules as adopted by the Government of Manipur, Grants-in-Aid are disbursed on the basis of the sanctions of the State Government. Utilisation Certificates (UCs) are to be submitted to the Accountant General (A&E) office within one year of disbursement. UCs outstanding beyond the specified periods indicates absence of assurance on utilisation of the grants for intended purposes. The status of outstanding UCs is mentioned below:

<b>Year</b>	<b>Number of UCs awaited</b>	<b>Amount (₹ in crore)</b>
Up to 2010-11	1605	6,84.54
2011-12	745	7,27.91
2012-13*	1210	7,73.50

(\*Except where the sanction orders state otherwise, utilisation certificates in respect of grants disbursed during 2012-13 become due only during 2013-14.)

### **(vii) Transfer of funds to Personal Deposit (PD) accounts**

Under the rules, Personal Deposit (PD) accounts are operated by transferring amounts from the Consolidated Fund, and utilised for specific purposes. Unspent balances lying in PD accounts are required to be transferred back to the Consolidated Fund on the last working day of the financial year. The State Government opened two PD account in 2012-13 for ₹ 4.58 crore. There are, however, unspent balances of ₹ 61.78 crore pertaining to earlier years lying in five PD accounts which have not been closed and the outstanding balances have not yet been transferred back to the Consolidated Fund.

### **3. Other items**

(i) The status on inclusion of Statements/ information recommended by the Twelfth Finance Commission is given below:

<b>Sl. No.</b>	<b>Particulars</b>	<b>Inclusion in Finance Accounts</b>
1.	Statement of subsidies given, both explicit and implicit	Appendix-III
2.	Statement containing expenditure on salaries	Appendix-II
3.	Detailed information on pensioners and expenditure on Government pensions	Footnote in Statement 12
4.	Statement containing information on debt and other liabilities as well as repayment schedule	Statement 6 and 15
5.	Statement on accretion and erosion of financial assets held by the Government including those arising out of changes in the manner of spending by the Government	Statement 1

6.	Data on committed liabilities in the future	Appendix XIII
7.	Implication of major policy decisions taken by the Government during the year on new scheme proposed in the Budget for the future cash flows	Appendix XII
8.	Maintenance expenditure with segregation of salary and non-salary portion	Appendix-XI

### **(ii) Liabilities on Retirement Benefits**

During the year, ₹ 7,47.78 crore (14.07 per cent of total revenue expenditure) was incurred on “Pension and Other Retirement benefits” to State Government employees recruited on or before 31 December 2004. State Government employees recruited on or after 1 January 2005 are covered under the New Pension Scheme, which is a defined contributory pension scheme. In terms of the Scheme, the employee contributes 10 per cent of his basic pay and dearness allowance, which is matched by the State Government, and the entire amount is transferred to the designated fund manager through the National Securities Depository Limited (NSDL)/ Trustee Bank.

The actual amount payable by employees and the matching Government contribution over the years has not been estimated. During 2012-13, however, the State Government deposited ₹ 46.48 crore (employees’ contribution: ₹ 38.21 crore + employer’s share: ₹ 8.27 crore) in the Fund, a shortfall of ₹ 29.94 crore in Government contribution which resulted in overstatement of Revenue Surplus to this extent. Out of the amount of ₹ 46.48 crore, the State Government transferred ₹ 18.95 crore to NSDL (which includes ₹4.23 crore which was not deposited to MH: 8342 but was instead, deposited directly with NSDL by debiting MH: 2071), a shortfall of ₹ 27.53 crore, which was of assistance to the State Government in managing its Fiscal Deficit. As on 31 March 2013, a cumulative balance of ₹ 84.87 crore contributed under the Scheme remained to be transferred to NSDL/ Trustee Bank. Uncollected, unmatched and untransferred amounts, with accrued interest, represent outstanding liabilities under the Scheme.

### **(iii) Loans and Advances**

Details of loans and advances made by the State Government have been included in Annexure A to Appendix-VIII of the Finance Accounts in the format prescribed by the Indian Government Accounting Standards (IGAS)-3 notified by the Government of India. The information is incomplete, since detailed information of overdue principal and interest in respect of loans and advances where the accounts are maintained by the State Government, is awaited. The State

Government has also not confirmed the balances as on 31 March 2013, including those where individual loanee accounts are maintained by the Accountant General (A&E).

**(iv) Guarantees**

Guarantees reported in Statement 9 are based on the information furnished by the Government of Manipur which is authority for issuing such guarantees, and prepared in terms of the guidelines prescribed in the Indian Government Accounting Standards (IGAS)-1, notified by the Government of India. In terms of the Manipur Ceiling on Government Guarantees Act, 2004, the total outstanding government guarantees as on the first day of April of any year shall not exceed thrice the State's Own Tax Revenue receipts of the second preceding year of such year as they stood in the books of the Accountant General of Manipur. The State Government has given no guarantees after the enactment of the Act.

In terms of the information furnished by the Finance Department to the Accountant General, the State Government has only stood guarantee for the principal amount of the loan received by various entities, and not the interest thereon. Though the State Government has issued no fresh guarantees after the enactment of the Act in 2004, there are outstanding guarantees of ₹ 78.84 crore as on 31 March 2012 pertaining to earlier periods. In terms of the Act, the Government shall charge a minimum of one per cent of outstanding guarantees as guarantee commission which shall not be waived under any circumstances. Consequently, for 2012-13, the State Government was required to collect ₹ 0.79 crore as guarantee fee, which however, was not collected.

**(v) Reserve Funds**

The position of major Reserve Funds of the State Government is given below:

**a. Consolidated Sinking Fund (CSF)**

In terms of the recommendations of the Twelfth Finance Commission, the State Government created a Consolidated Sinking Fund in 2008-2009, for amortization of liabilities, with an initial corpus of ₹ 12.66 crore. In terms of the guidelines of the Reserve Bank of India which is responsible for management of the Fund, the State Government was required to contribute a minimum of 0.5 per cent of its outstanding liabilities (internal debt + public account) as at the end of the previous year. Accordingly, the contribution due from the State Government in 2012-13 was ₹ 27.02 crore (0.5 per cent of outstanding liabilities of ₹ 54,04.10 crore as on 31 March 2012). Against this, the State Government contributed ₹ 22.91 crore to the Fund in 2012-13. The entire corpus of the Fund amounting to ₹ 1,08.63 crore, as on 31 March 2013, was invested in Government of India Securities. The shortfall in contribution of ₹ 4.11 crore in 2012-13 resulted in overstatement of Revenue Surplus to this extent.

**b. Guarantee Redemption Fund (GRF)**

Consequent to the enactment of the Manipur Ceiling on Government Guarantees Act, 2004, the State Government created a Guarantees Redemption Fund in 2008-09 with an initial corpus of ₹ 1 crore. The entire accumulated corpus of ₹ 16.90 crore as on 31 March 2013 was invested by the Reserve Bank of India in Government of India Securities.

**c. State Disaster Response Fund**

The State commenced operation of the “State Disaster Response Fund” in 2010-11 as recommended by the Thirteenth Finance Commission. In terms of the guidelines applicable to Special Category States like Manipur, the Central and State Governments are required to contribute to the Fund in the proportion of 90:10. Following Government of India’s release of ₹ 10.57 crore (which included the second instalment of 2011-12 that was outstanding) in 2012-13, the State Government transferred ₹ 11.75 crore (₹ 10.57 crore Central share and ₹ 1.18 crore State share) to the Fund in 2012-13. The entire corpus of ₹ 25.93 crore as on 31 March 2013 is lying un-invested in the Fund, contrary to guidelines.

**(vi) Working out of suspense balances on net basis**

The Finance Accounts reflect the net balances under Suspense Heads. The outstanding balances under these heads are worked out by aggregating the outstanding debit and credit balances separately under various heads. The position of gross figures under some of the major suspense heads (under Major Head 8658) to the end of last three years is indicated below in **Annexure ‘D’**.

**(vii) Disclosures under the Manipur Fiscal Responsibility and Budget Management (FRBM) Act 2005**

In terms of the FRBM Act, the State Government has laid the Medium Term Fiscal Policy Statement and Fiscal Policy Strategy Statement before the Legislative Assembly along with the annual Budget for 2012-13. The targets in terms of the policy, and achievements as per the accounts, are given below:

S. No.	Targets	Achievements
a.	Maintain Revenue Surplus.	The Revenue Surplus of the Government of Manipur for 2012-13 as per the accounts was ₹ 15,03.23 crore.
b.	Maintain Fiscal Deficit below 3.5% in succeeding financial year up to 2012-13 and thereafter reduce it to maximum of 3 per	The Fiscal Deficit for 2012-13 as per the accounts was ₹ 1.04 crore (0.01 per cent of Gross State Domestic Product*).

	cent of the Gross State Domestic Product from 2013-14 and beyond.	
c.	Reduce outstanding debt to a maximum of 54.30 per cent of Gross State Domestic Product by the end of 2014-15.	The outstanding debt for 2012-13 as per the accounts (₹ 40,41.08 crore) was 34.50 per cent of GSDP.
d.	The total outstanding Government guarantees as on the first day of April of any year shall not exceed thrice the State's Own Tax Revenue receipts of the second preceding year.	The total outstanding guarantees as on 1 April 2012 (₹78.84 crore) was 29.52 per cent of the State's Own Tax Revenue receipts for 2010-11 (₹ 2,67.05 crore).
e.	Follow a recruitment and wage policy, in a manner such that the total salary bill relative to revenue expenditure excluding interest payments and pensions does not exceed 35 per cent.	The total salary bill excluding interest and pensions for 2012-13 ( ₹ 24,42.79 crore) was 59.24 per cent of the revenue expenditure excluding interest payments and pensions for 2012-13 (₹41,23.25 crore).

\* GSDP for 2012-13 (advance estimates at current prices) as per the Department of Economics and Statistics, Government of Manipur was ₹ 1,17,13.00 crore.

The State Government has not made the following disclosures along with the annual budget as required under the FRBM Act/Rule:

- (a) Medium Term Fiscal Policy statement
- (b) Fiscal Policy Strategy statement
- (c) Statement of select indicators of fiscal situation
- (d) Statement of state Government liabilities
- (e) Statement of guarantees given
- (f) Statement of assets
- (g) Statement of receivables
- (h) Statement of liabilities in respect of major works, contracts and committed liabilities.

**(viii) Releases of Central Share and matching State Share for implementation of various Major Plan Schemes**

The State Government is entrusted with the execution of the Central Plan and Centrally Sponsored Schemes in the State, for which grants are released by the Government of India. The State Government provides for the Central and State share in its Budget. During the year, Government of India released ₹ 4,66.65 crore towards Centrally Sponsored Schemes, Central Plan schemes and Additional Central Assistance. The State Government's Budget of 2012-13 provided for expenditure of ₹ 6,69.95 crore (Central share: ₹ 4,80.49 crore and State share: ₹ 1,89.47 crore). Against this, the State Government spent ₹ 3,23.30 crore, a shortfall of ₹3,46.65 crore between the Budget and expenditure under these schemes. In addition, the shortfall in expenditure against the amounts received as Central share, resulted in overstatement of Revenue Surplus by ₹1,43.35 crore. The details of releases of Central Share and State Share in respect of Major Schemes are given in Annexure to Statement 12.

**(ix) Impact of incorrect booking on Revenue Surplus**

The impact on revenue of the State Government consequent to the budgeting and booking under incorrect expenditure/receipt and revenue heads (details in preceding paragraph) is given below:

Paragraph No.	Item	Impact on Revenue (₹ in crore)	
		Overstatement	Understatement
2.(i)	Grant-in-aid booked under Capital section instead of Revenue	26.71	---
3 (ii)	Liabilities on Retirement Benefits	29.94	---
3(v)(a)	Less appropriation in Sinking Fund	4.11	---
3(viii)	Non expenditure on Plan Schemes for which Central share had been received	1,43.35	---

Consequently, the Revenue Surplus of ₹15,03.23 crore is overstated in the accounts to the extent of ₹2,04.11 crore, leaving actual Revenue Surplus of ₹12,99.12 crore.

## EXPLANATORY NOTE

**(a) Cash and Cash Equivalents:**

Cash and cash equivalents consist of cash in treasuries and deposit with Reserve Bank of India and other Banks and Remittances in Transit, as stated below. The balance under the head 'Deposits with Reserve Bank' ('2' above) depicts the combined balance of the Consolidated Fund, Contingency Fund and the Public Account at the end of the year. To arrive at the overall cash position, the cash balances with treasuries, departments and investments out of the cash balances/reserve funds etc. are added to the balance in 'Deposits with RBI'.

**(b) Daily Cash Balance:**

Under an agreement with Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹ 0.24 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary and special ways and means advances/overdrafts from time to time.

For arriving at the daily cash balance<sup>1</sup> for the purpose of grant of Ways and Means advances/Overdraft, the RBI evaluates the holdings for the 14 day Treasury Bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 day Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. If the net cash balance arrived at results in less than the minimum cash balance or a credit balance and if there are no 14 day Treasury Bills maturing on that day, RBI rediscounts the holdings of the 14 day Treasury Bills and makes good the shortfall. If there is no holding of 14 day Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances/Over Draft.

<sup>1</sup> The cash balance ('Deposits with RBI') above is the closing balance of the year as on 31 March 2013 but worked out by 15 April 2013 and not simply the daily balance on 31 March 2013

Interest is payable on advances, shortfalls and overdrafts as follows:

**Appendix - VIII - SUMMARY OF BALANCES -Contd.****(CONSOLIDATED FUND, CONTINGENCY FUND AND PUBLIC ACCOUNT)****B. Government Account :**

Under the system of book-keeping followed in Government Accounts, the amount booked under revenue, capital and other transactions of Government, the balances which are not carried forward from year to year in the accounts are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Fund, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund, etc. are added and the closing cash balance at the end of the year is to be worked out and proved.

The other headings in this Summary take into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

*It must be understood that these balances cannot be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State, such as lands, buildings, communications, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.*

The net amount at the debit of Government Account at the end of the year has been arrived at as under :

<b>Debit</b>	<b>Details</b>	<b>Credit</b>
<b>(₹ in lakh)</b>		<b>(₹ in lakh)</b>
62,84,94.08	A. Amount at the Debit of the Government Account as on 1 April, 2012

- (i) In a number of cases there are un-reconciled differences in closing balances as reported in the statement of 'Contingency Fund and Public Account' and that shown in separate registers or other record maintained in the Accounts Offices/Departmental Offices for the purpose. Steps are being taken to settle the discrepancies.
- (ii) The balances are communicated to the officers concerned every year for verification and acceptance thereof. In a large number of cases such acceptances have not been received.
- (iii) The cases where acceptances of balances have been delayed and the amounts involved are considerable have been mentioned in Annexure to Statement 18.
- (iv) Cases where details/documents are awaited in connection with reconciliation of balances are detailed in Annexure A.
