#### INTRODUCTORY

This compilation containing the Appropriation Accounts of the Government of Meghalaya for the year 2013-2014 presents the accounts of sums expended in the year ended 31st March, 2014 compared with the sums specified in the Schedules appended to the Appropriation Acts, passed under Articles 204 and 205 of the Constitution of India.

Within a grant/appropriation, funds are provided, wherever necessary, separately for `General' and `Sixth Schedule (Part II) Areas ', the authorisation of the Legislature is, however, obtained for the total sums required. The distribution of the grants/appropriations and expenditure between `General' and `Sixth Schedule (Part II) Areas' has been shown as a note under the concerned Appropriation Accounts.

#### In these Accounts:

- 'O' stands for original grant or appropriation
- `S' stands for supplementary grant or appropriation
- `R' stands for re-appropriations, withdrawals or surrenders sanctioned by the competent authority

Charged appropriations and expenditure are shown as Italic in the Summary of Appropriation Accounts and in Grant Statements.

The following norms which have been approved by the Public Accounts Committee of Meghalaya Legislature have been adopted for comments on the Appropriation Accounts.

# **Certificate of the Comptroller and Auditor General of India**

This compilation containing the Appropriation Accounts of the Government of Meghalaya for the year ending 31<sup>st</sup> March 2014 presents the accounts of the sums expended in the year compared with the sums specified in the schedules appended to the Appropriation Acts passed under Articles 204 and 205 of the Constitution of India. The Finance Accounts of the Government for the year showing the financial position along with the accounts of the receipts and disbursements of the Government for the year are presented in a separate compilation.

The Appropriation Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and departments responsible for the keeping of such accounts functioning under the control of the Government of Meghalaya and the statements received from the Reserve Bank of India.

The treasuries, offices and/or departments functioning under the control of the Government of Meghalaya are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Accountant General (A&E) Meghalaya. The audit of these accounts is independently conducted through the office of the Accountant General (Audit) Meghalaya in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organisations with distinct cadres, separate reporting lines and management structure.

XXV

The audit was conducted in accordance with the Auditing Standards generally

accepted in India. These Standards require that we plan and perform the audit to obtain

reasonable assurance that the accounts are free from material misstatement. An audit includes

examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial

statements.

On the basis of the information and explanations that my officers required and have

obtained, and according to the best of my information as a result of test audit of the accounts

and on consideration of explanations given, I certify that, to the best of my knowledge and

belief, the Appropriation Accounts read with observations in this compilation give a true and

fair view of the accounts of the sums expended in the year ended 31st March 2014 compared

with the sums specified in the schedules appended to the Appropriation Acts passed by the State

Legislature under Articles 204 and 205 of the Constitution of India.

Points of interest arising from study of these accounts as well as test audit conducted

during the year or earlier years are contained in my Reports on the Government of Meghalaya

being presented separately for the year ended 31<sup>st</sup> March 2014.

#### **Notes and Comments:**

#### 3.1 **Revenue:**

- 3.1.1 Out of the available saving of ₹2,07.71 lakh, ₹1,98.41 lakh only was surrendered during the year.
- 3.1.2 As the actual expenditure of ₹10,23.08 lakh did not even come up to the original budget provision of ₹11,83.00 lakh, supplementary provision of ₹47.79 lakh obtained during the year proved unnecessary.
- 3.1.3 This is the sixth year in succession in which the grant closed with saving, ranging from 5.83 percent to 68.56 percent which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:

### 6.1.6 State Disaster Response Fund (SDRF)

The State Disaster Response Fund (SDRF), constituted under section 48(1) (a)of the Disaster Management Act, 2005and the Government of Meghalaya commenced operation of the fund (SDRF) in 2010-11 as per the recommendation of the Thirteenth Finance Commission replacing the Calamity Relief Fund (CRF) which was in operation till the end of the Financial Year 2009-10. All natural calamities such as Cyclone, Drought, Earthquake, Fire, Flood, Hailstorm, Landslide, Cloud Burst and Pest Attack qualify for relief under this scheme. In terms of the guidelines of the scheme, the Central Government and the Special Category State like Meghalaya are required to contribute to the fund in the ratio of 90:10.

During the year 2013-14, the Government of Meghalaya was required to transfer ₹26,14.00 lakh (Ninety percent i.e ₹23,53.00 lakh receipt as Central Government Contribution and ₹2,61.00 lakh i.e Ten percent as the State Government Contribution) to the fund under the Head of Account-"8121-General and Other Reserve Funds-122 State Disaster Response Fund under the sub-sector Reserve Funds bearing interest" after making provision for the purpose in this Grant under the Major Head of Account "2245-Relief on Account of Natural Calamities-05-State Disaster Response Fund-101-Transfer to Reserve Fund and Deposit Account-State Disaster Response Fund". Expenditure on Calamity Relief Fund is initially debited against the provision in this Grant and the amount debitable to the Fund is transfered to SDRF before the close of the Accounts of the year and the actual transfer was only ₹17,36.00 lakh. The balance in the Account of SDRF as on 31 March 2014 was ₹37,02.26 lakh.

As per the guidelines issued by the Government of India, the accretions to SDRF were required to be invested in defined manner by the State Executive Committee (SEC) in Central Government dated securities and /or Auctioned Treasuty Bills and /or Interest accruing deposits with Scheduled Commercial Banks. But no such investment were made by the Government of Meghalaya. Consequently, no interest was also credited to the Fund during the year. Interest creditable to the Calamity Relief Fund during 2009-10 and interest creditable to SDRF during 2010-11 onwards were not intimated by the State Government (September-2014).

### 10.1 **Revenue:**

- 10.1.1 Surrender of ₹7,09.00 lakh during the year was in excess of the eventual saving of ₹6,52.88 lakh. This disclosed casual approach of the department towards financial management.
- 10.1.2 As the actual expenditure of ₹19,33.34 lakh did not even come up to the original budget provision of ₹25,36.00 lakh, supplementary provision of ₹50.22 lakh obtained during the year proved unnecessary.
- 10.1.3 This is the sixth year in succession in which the grant closed with saving, ranging from 7.63 percent to 41.68 percent which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:

### 11.1 **Revenue:**

- 11.1.1 Surrender of ₹45,74.59 lakh during the year was in excess of the eventual saving of ₹45,72.60 lakh. This discloses casual approach of the department towards financial management.
- 11.1.2 In view of the final saving of ₹45,72.60, supplementary provision of ₹60,00.00 lakh obtained during the year proved to be excessive.
- 11.1.3 This is the seventh year in succession in which the grant closed with saving, ranging from 22.51 percent to 59.31 percent which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:

#### 19.1 **Revenue:**

(a) Suspense Transaction: The expenditure under the grant includes ₹11,26.16 lakh booked under suspense which is not a final head of account. It accommodates transaction pending their adjustment to the final head of account, therefore, the balance under 'suspense' heads are carried forward from year to year under the head "Suspense".

Three Sub-heads, viz.,(i) Stock, (ii) Purchase, and (iii) Miscellaneous works advance are operated in the books of the state. The nature of transaction under each of those sub-heads is explained below:-

- (i) Stock: To this head are charged the values of materials acquired, not for any particular work but for general use of division. It is credited with the value of materials issued for use on works or sold or transferred to other divisions. This sub-head will, therefore, have a plus or debit balance normally for the value of materials held in stock and unadjusted charges connected with manufacture, if any .
- (ii) Purchase: Up to 10<sup>th</sup> March 1997 value of materials received for specific work or for general stock, but not paid for within the month, was adjustable by debit to the accounts of the work of stock with corresponding credit to "Purchase". The value of such materials when paid for or adjusted by transfer was debited to the suspense head "Purchase" clearing the initial credit. With the introduction of the revised procedure, separate sub-heads within the account of the work and stock, are now operated for recording value of materials pending payment. The suspense head "Purchase" thus shows old balance representing value of materials received but still not paid for or adjusted.
- (iii) Miscellaneous Works Advance: Under this sub-head are booked debit for the value of stores sold on credit, expenditure incurred on deposit works in excess of deposits received, losses of cash or stores not written off and sums recoverable from Government Servants, etc. A debit balance under this sub-head represents recoverable amount.
- (b) An analysis of transactions under the head of accounts "Suspense" under Major head "2059-Public Works" during the year 2013-2014 along with the opening and closing balance for the year are given below:

### 19.2 Charged:

19.2.1 Entire original budget provision of ₹6.30 lakh under *Charged* section remained unutilised and ultimately surrendered during the year. The surrender occurred the Major Head of Account-2059 Public Works-80 *General*-800 Other Expenditure-reasons thereof stated to be due to non-receipt of sanction order.

#### 19.3 Capital:

- 19.3.1 Out of the available saving of ₹79,22.86 lakh, ₹57,60.90 lakh was surrendered during the year.
- 19.3.2 Since the actual expenditure of ₹1,10,84.25 lakh did not even come up to the original provision of ₹1,44,25.85 lakh, supplementary provision of ₹45,81.26 lakh obtained during the year proved wholly unnecessary.

19.3.3 This is the sixth year in succession in which the grant closed with saving ranging from 23.90 percent to 64.83 percent, which indicates lack of control on the part of the controlling authority towards budget formulation. The details of earlier years are given below:

Augmentation of provision by ₹1,37.56 lakh was the net result of increase of ₹1,92.00 lakh through re-appropriation owing to requirement of more fund to complete the construction of Nongpoh District Jail and decrease of ₹54.44 lakh by way of surrender stated to be due to less expenditure than anticipated.

Reasons for final excess of ₹1,30.32 lakh have not been intimated (September-2014).

- 21.1.1 Out of the available saving of ₹11,74,28.67 lakh, ₹9,99,94.76 lakh only was surrendered during the year.
- 21.1.2 Since the actual expenditure of ₹11,09,73.29 lakh did not come up even to the original provision of ₹21,69,00.17 lakh, supplementary provision of ₹1,15,01.79 lakh obtained during the year proved wholly unnecessary.
- 29.1.3 This is the seventh year in succession in which the grant closed with saving ranging from 13.57 percent to 51.41 percent, which indicates lack of control on the part of the controlling authority towards budget formulation. The details of earlier years are given below:

  - 05 Other Urban Development Schemes
  - 051 Construction
  - (02) Rajiv Awas Yojana

General

- O. 9,54.40
- R. (-)9,54.40

Specific reason for surrender of entire budget provision of ₹4,29.49 lakh and ₹9,54.40 lakh respectively at serial number (xii)and (xiii) was not stated.

29.1.4 Saving mentioned at note 29.1.3 above was partly offset by excess under the Head of Account-2217 Urban Development-05 Other Urban Development Schemes-051 Construction -(04) Special Urban Work Programme (including Chief Minister's Special Urban Development Fund)-General, where the reasons for final excess of ₹5,50.00 lakh have not been intimated (September-2014).

#### 29.2 Capital:

- 29.2.1 Surrender of ₹2,44,77.84 lakh during the year was in excess of the eventual saving of ₹2,44,76.85 lakh. This discloses casual approach of the department towards financial management.
- 29.2.2 This is the fifth year in succession in which the grant closed with saving ranging from 19.69 percent to 94.52 percent, which indicates lacks of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:

30.1.1 Surrender of ₹4,46.12 lakh during the year was in excess of the eventual saving of ₹4,37.88 lakh. This discloses casual approach of the department towards financial management.

30.1.2 Since the actual expenditure of ₹12,68.12 lakh did not even come up to the original budget provision of ₹16,56.00 lakh, supplementary provision of ₹50.00 lakh obtained during the year proved unnecessary.

30.1.3 This is the seventh year in succession in which the grant closed with saving ranging from 4.70 percent to 34.71 percent which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:

- 31.1.1. Out of the available saving of ₹20,72.58 lakh, ₹1,32.44 lakh, only was surrendered during the year.
- 31.1.2. Since the actual expenditure of ₹21,04.17 lakh did not come up even to the original provision of ₹38,67.45 lakh, supplementary provision of ₹3,09.30 lakh obtained during the year proved excessive.

31.1.3. This is the seventh year in succession in which the grant closed with saving ranging from 19.09 percent to 45.28 percent which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below.

- 34.1.3 This is the seventh year in succession in which the grant closed with saving ranging from 24.55 percent to 59.32 percent which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:

#### **39.1 Revenue:**

- 39.1.1 Out of the available saving of ₹14,54.76 lakh, ₹14,44.02 lakh only was surrendered during the year.
- 39.1.2 Since the actual expenditure of ₹16,52.73 lakh did not even come up to the original budget provision of ₹29,67.49 lakh, supplementary provision of ₹1,40.00 lakh obtained during the year proved unnecessary.
- 39.1.3 This is the sixth year in succession in which the grant closed with saving ranging from 32.45 percent to 51.10 percent which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:

#### 40.2. **Capital:**

- 40.2.1 Against the available saving of ₹72,91.12 lakh, ₹8,50.00 lakh only was surrendered thereby 88.65 percent of the total saving remained un-surrendered which require realistic control on the part of the controlling authority.
- 40.2.2 As the actual expenditure of ₹41,26.19 lakh did not even come up to original budget provision of ₹1,14,13.00 lakh, supplementary provision of ₹4.32 lakh obtained during the year proved unnecessary.
- 40.2.3 This is the sixth year in succession in which the grant closed with saving ranging from 12.68 percent to 70.63 percent which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:

- 41.1.1. No part of the available saving of ₹5,40.02 lakh was surrendered during the year.
- 41.1.2. Since the actual expenditure of ₹12,86.45 lakh did not even come up to the original budget provision of ₹15,69.00 lakh, supplementary provision of ₹2,57.47 lakh obtained during the year proved to be unnecessary.

41.1.3. This is the fifth year in succession in which the grant closed with saving ranging from 6.35 percent to 33.50 percent which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:

## 43.2 Charged:

43.2.1 The entire provision in the *Charged* portion of the grant under the Major Head of Account-2401 Crop Husbandry-800 Other Expenditure-(06) Payment of Decretal Amount-General, was surrendered, reportedly due to imposition of restriction on expenditure as a measure of economy.

## 43.3. **Capital:**

- 43.3.1 No part of the available saving of ₹1,59,20.63 lakh (95 percent of the total budget provision)was surrendered during the year, which requires more realistic control on the part of the controlling Authority.
- 43.3.2 This is the sixth year in succession in which the grant closed with saving ranging from 3.00 percent to 94.91 percent and no part of the said saving was surrendered, which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:

- 45.1.1 Out of total saving of ₹90,68.15 lakh ₹87,53.59 lakh was surrendered during the year.
- 45.1.2 Since the actual expenditure of ₹1,20,40.56 lakh did not even come up to the original budget provision of ₹2,08,74.00 lakh, supplementary provision of ₹2,34.71 lakh obtained during the year proved unnecessary.
- 45.1.3 This is the third year in succession in which the grant closed with saving ranging from 10.96 percent to 60.53 percent, which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:

#### 51.1 **Revenue:**

- 51.1.1 Against the available saving of ₹70,16.97 lakh, ₹4.16 lakh only was surrender during the year and thereby 99.95 percent of total saving remained un-surrendered, which requires more realistic on the part of the controlling authority.
- 51.1.2 Since the actual expenditure of ₹2,92,43.54 lakh did not come up to the original budget provision of ₹3,18,52.44 lakh, the supplementary provision of ₹44,08.07 lakh obtained during the year proved totally unnecessary.
- 51.1.3 This is the sixth year in succession in which the grant closed with saving ranging from 3.24 percent to 26.52 percent, which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:

#### 54.1 **Revenue:**

- 54.1.1 Out of the available saving of ₹16,57.80 lakh, ₹2,00.37 lakh only was surrendered and thereby 87.92 percent of the total saving remained un-surrendered during the year, which requires more realistic control on the part of the controlling authority.
- 54.1.2 Since the actual expenditure of ₹30,48.44 lakh did not even come upto the original provision of ₹37,61.00 lakh, supplementary provision of ₹9,45.24 lakh obtained during the year proved wholly unnecessary.
- 54.1.3 This is the fifth year in succession in which the grant closed with saving ranging from 10.28 percent to 35.23 percent, which indicates lack of control on the part of the controlling authority towards budget formulation. Details of earlier years are shown below:
