#### EXPLANATORY NOTES

B. Government Account: Under the system of book-keeping followed in Government accounts, the amount booked under Revenue, Capital and other transactions of Government, the balances of which are not carried forward from year to year in the accounts, are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund, etc. are added and the closing cash balance at the end of the year is to be worked out and proved.

The other headings in the summary take into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

*It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State, such as lands, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.*

The net amount at the debit of Government Account at the end of the year has been arrived at as under

- (i) In a number of cases, there are un-reconciled differences in the closing balance as reported in the statement of "Receipts, Disbursement and Contingency fund and Public Account" (Statment No. 16 & 18) and that shown in seperate Registers or other record maintained in the Account office/Departmental offices for the purpose. Steps are being taken to settle the discrepancies.
- (ii) The balances are required to be communicated to the officers concerned every year for verification and acceptance thereof. Due to discontinuance of maintenance of detail accounts of loans and advances in respect of the Major Head 6851-Loans for Village and Small Industries-State-aid to Industries Act and 6217-Loans for Urban Development with effect from 2003-2004 the balances in respect of these loans could not be communicated. However in a large number of cases such acceptances prior to 2003-2004 have not been received.
- (iii) The cases where acceptances of balances have been delayed and the amounts are considerable have been mentioned in Annexure-A.
- (iv) Cases where details/documents are awaited in connection with reconciliation of balances are detailed in Annexure-B.

## APPENDIX - IX

### FINANCIAL RESULTS OF IRRIGATION WORK AND ELECTRICITY SCHEMES

#### EXPLANATORY NOTES

##### *Financial results of Irrigation Projects*

1. Financial Results of Minor Irrigation Schemes have not been shown in this statement.
2. The Irrigation Projects in respect of Major & Medium Irrigation Projects under which both revenue receipts and direct working expenses appeared in accounts are mentioned in this statement.

Out of the 62 Projects/Schemes shown in this statement there is a revenue receipt of ₹2,35,72.45 lakh in respect of 60 Projects/Schemes to meet the working expenses. The interest on the above mentioned commercial Projects have not been adjusted in accounts in accordance with the decision of the State Government (November 1978) to discontinue the same with effect from 1979-80. For evaluating the working results of such projects in a complete shape, the interest charges have been worked out notionally at the rate fixed for the year 1978-79 and exhibited in the statement. After meeting the working expenses and the interest on capital outlay the schemes exhibited a net loss totalling to ₹(-) 2,39,95.49 lakh as against ₹(-) 3,27,25.24 lakh in the year 2011-2012. The net loss expressed as the percentage of Capital Outlay to the end of 2012-2013 is (-) 6.05 as against (-) 9.04 to the end of 2011-2012.

#### **3. Non-assessment of Betterment Levy and Water Charges:-**

Betterment charges have not been levied on land irrigated by the Canals of Irrigation Schemes.

#### **4. Productive and Unproductive Works:-**

Works in the Irrigation Department are classified as Productive and Unproductive according to the net revenue (Gross revenue less working expenses) derived from each work on expiry of ten years from the closure of construction estimate covers or does not cover the prescribed annual interest charges on the capital invested.

The productivity test involves certain proforma adjustments which do not appear in the regular Government Accounts. If a work classed as productive, fails to yield the prescribed return for three successive years it is classed as “Unproductive”. Similarly, if a work classed as “Unproductive” yields for the successive years the prescribed return, it is transferred to “Productive” class. The prescribed rate was 4 per cent on Power and 3 per cent on irrigation for Hirakud Dam Project, 4 per cent for Orissa Canals Project and Rushikulya System, 4.5 per cent for Salandi Irrigation Project and Medium Irrigation Projects, 3.57 per cent for Delta Irrigation Project upto 31st March 1987. The information regarding revision of such rates, if any, is awaited from the Government.

Hirakud Dam Project Stage-I and Stage-II have been classified as “Productive” from the year 1966-67. The other medium Irrigation Projects have been classed as “Unproductive”.

#### FINANCIAL RESULTS OF ELECTRICITY SCHEMES

##### ***1. Machhkund Hydro Electric (Joint) Scheme:-***

The Government of Orissa had undertaken the Machhakund Hydro-Electric (Joint) Schemes in 1944 jointly with the Government of Andhra Pradesh with equal rights. Subsequently the Government of Orissa agreed to transfer 20 percent of its rights to the Government of Andhra Pradesh for 99 years in lieu of compensation paid by the latter to the former, according to the terms and conditions agreed upon between the two Governments. During the construction period, Orissa and Andhra Pradesh were to bear 30 percent and 70 percent respectively of the capital expenditure. The capital invested by the Government of Orissa to the end of 1958-59 was ₹4,62.64 lakh. Debits raised by the Government of Andhra Pradesh for ₹64.94 lakh representing Orissa share (30 percent) of the capital expenditure during 1959-60 to 1992-93 have not been accepted by the Government of Orissa.

With the formation of the Orissa State Electricity Board from 1st March 1961, all the completed electrical transmission and distribution systems and the Talcher Thermal Scheme have been transferred to the Board. The Government, however, retained the Machhakund Hydro-Electric (Joint) Scheme under its control till 31st March 1979 and thereafter, the management rights of the Machhakund Power House was vested with the Orissa State Electricity Board with effect from 1st April 1979 and Orissa State Electricity Board is to bear the state share of the operation and maintenance charges in their account and receive payment of interest charges and royalty on behalf of the State Government. The Board shall also maintain and render complete accounts of receipts and expenditure to the State Government at the close of each financial year.

The interest charges on capital provided by the Government for the scheme have not been adjusted in the accounts for 2012-13 on the analogy of the decision of the State Government to discontinue maintenance of accounts separately for commercial schemes and also in absence of necessary budget provision.

The Government of Orissa vide Energy Deptt. Notification No. 6052, dt. 29.03.97 has amended the Orissa Electricity Reform (Transfer of Undertakings, Assets, Liabilities, Proceedings and Personnel) Scheme Rules, 1996. Such amendment included the transfer of Orissa Share of Assets of Machhkund Hydro Electric Project with generating plants and machinery & appurtenant structures to Orissa Hydro Power Corporation Ltd. with effect from 1<sup>st</sup> April, 1997. It was joint project of erstwhile OSEB and APSEB. The dispute between OSEB and APSEB prior to 1.4.97 have not yet been settled.

##### ***2. Balimela Dam and Power Project:-***

The Balimela Dam (Joint) Project was taken up for execution by the Government of Orissa in the year 1961-62 at the estimated cost of ₹24 crore in pursuance of an inter-state agreement signed by the Chief Ministers of Orissa and Andhra Pradesh. The cost of the joint Dam was to be shared equally by the two Governments. The latest revised estimated cost stood at ₹52.14 crore. It was intimated by the Government that it has been agreed to in the XV meeting of the Balimela (joint) Control Board held on 23rd September 1975 that the Government of Andhra Pradesh would bear 50 percent of common works of Balimela Dam (Joint) Project as raised from time to time in excess

of the original cost of ₹24 crore subject to the condition that the cost of Guntuwada weir as determined would be deducted from the share of Government of Andhra Pradesh. The operation and maintenance cost of the Balimela Dam (Joint) Project was also to be similarly shared by both the Governments on 50:50 basis. The total expenditure on the project as a whole at the end of 2012-13 as booked in the accounts was ₹99.95 crore (Dam Project ₹57.52 crore and Power Project ₹42.43 crore).

No revenue receipts against Balimela Power Scheme appeared in the Accounts for 2012-13 since the Balimela Power House has been transferred to the control of Orissa State Electricity Board with effect from 1st April 1979.

However, working expenses of ₹0.25 crore was booked against Balimela Dam Project during the year 2012-13.

The interest charges on the capital invested on the scheme has not been adjusted in accounts for 2012-13 on the analogy of the decision of the State Government to discontinue maintenance of accounts separately for commercial scheme and also in the absence of necessary budget provision.
