### A. 1 Broad overview of the Structure of Government Accounts

The Accounts of the Government are kept in three parts:

Part I: The Consolidated Fund: All Receipts and Expenditure on Revenue and Capital Account, Public Debt and Loans & Advances forms the Consolidated Fund of the State

Part II: The Contingency Fund: Legislature may by law establish a Contingency Fund which is in the nature of an imprest. The Fund is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head in the Consolidated Fund of the State.

Part III: The Public Account: All other public moneys received by or on behalf of the Government are credited to the Public Account. The expenditure out of this account is not subject to the vote of the Legislature. In respect of the receipts into this account, the Government acts as a banker or trustee. Transactions relating to Debt (other than public debt in Part I), Deposits, Advances, Reserve Funds, Remittances and Suspense form the Public Account.

## Notes to Accounts

---

### **1. Summary of significant accounting policies:**

#### **(i) Entity and Accounting Period**

These accounts present the transactions of the Government of Odisha for the period 1 April 2012 to 31 March 2013. The accounts of receipts and expenditure of the Government of Odisha have been compiled based on the initial accounts rendered by the District Treasuries, Public Works and Forest Divisions and advices of the Reserve Bank of India. There has been significant improvement in the timely rendition of accounts by the accounts rendering units of the State in the current year. Delay in rendition of accounts by account rendering units was negligible, and there was no exclusion of accounts at the end of the year.

#### **(ii) Basis of Accounting**

With the exception of some book adjustments contained in Annexure-I of this note, the accounts represent the actual cash receipts and disbursements during the accounting period. Physical Assets and Financial Assets such as investments etc., are shown at historical cost i.e., the value at the year of acquisition/ purchase. Physical assets are not depreciated or amortised. Losses in physical assets at the end of their life have not been expensed or recognised.

Retirement benefits disbursed during the account period have been reflected in the accounts, but the future pension liability of the Government, i.e., the liability towards payment of retirement benefits for the past and the present service of its employees is not included in the accounts.

#### **(iii) Currency in which Accounts are kept**

The accounts of Government are maintained in Indian Rupees.

#### **(iv) Form of Accounts**

Under Article 150 of the Constitution, the accounts of the Union and of the States are kept in such form as the President may, on the advice of the Comptroller and Auditor General of India, prescribe. The word "form" used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads under which the transactions are to be classified.

### **(v) Classification between Revenue and Capital**

Revenue expenditure is recurring in nature and is intended to be met from revenue receipts. Capital Expenditure is defined as expenditure incurred with the object of increasing concrete assets of a material and permanent character or of reducing permanent liabilities. Expenditure on Grants-in-Aid is recorded as revenue expenditure in the books of the granter, and as revenue receipt in the books of the recipient.

### **2. Statements/information recommended by Twelfth Finance Commission: -**

To bring out greater transparency and to enable informed decision making in Government Accounts, the Twelfth Finance Commission had recommended the inclusion of some additional information in eight statements/ appendices in the Finance Accounts. All the information has been included in the Finance Accounts 2012-13 in the shape of statements, appendices and footnotes.

### **3. Quality of Accounts**

#### **(i) Booking under minor head '800-Other Receipts and Other Expenditure'**

During the year, ₹42,17.32 crore under 53 major heads of account (both revenue and capital) was classified under '800-Other Expenditure' constituting 9.62 per cent of the total expenditure incurred under Revenue and Capital major heads. Similarly, an amount of ₹9,70.80 crore, constituting 2.21 per cent of the total revenue receipts, was classified under '800-Other Receipts',. Minor Heads 800- 'Other Expenditure' and 'Other Receipts' are intended to be operated only when the appropriate minor head has not been provided in the accounts. Routine operation of Minor Heads 800 is to be discouraged, since it renders the accounts opaque. A list containing substantial expenditure/receipt under the minor heads is given in Annexure-II.

#### **(ii) Existence of unadjusted Abstract Contingency Bills (AC Bills)**

Drawing and Disbursing Officers are authorized to draw lump sum amounts by preparing AC Bills by debiting service major heads. In terms of the Odisha Treasury Code, they are required to submit the Detailed Contingent (DC) Bills with supporting vouchers to the Principal Accountant General (A&E), Odisha within 30 days of the drawal of the related AC bill. While sustained efforts of the

State Government and the Principal Accountant General have resulted in improved clearance of outstanding AC bills during 2012-13, State Government departments drew AC bills amounting to ₹44.56 crore in March 2013, of which, AC bills amounting to ₹33.48 crore were drawn on the last two working days of the financial year. Significant expenditure against AC bills in March indicates that the drawal was primarily to exhaust the budget and reveals inadequate budgetary control.

#### (iii) Outstanding Utilisation Certificates of Grants-in-Aid vouchers

The Odisha General Financial Rules prescribe that, where grants are sanctioned for specific purposes, the Departmental Officer under whose signature or counter signature the Grants-in-Aid bill is drawn, shall obtain UCs from the grantees, which after verification, shall be forwarded to the Principal Accountant General (A&E) by the due date. Such UCs are normally due within one year from the date of sanction, unless otherwise mentioned in the sanction order. The status of outstanding UCs is mentioned below:

| Year         | Number       | Amount (₹ in crore) |
|--------------|--------------|---------------------|
| Upto 2010-11 | 55596        | 1,42,76.36          |
| 2011-12      | 6545         | 44,43.00            |
| 2012-13(*)   | 6548         | 35,01.87            |
| <b>Total</b> | <b>68689</b> | <b>2,22,21.23</b>   |

(\*) Except where the sanction order specifies otherwise, UCs in respect of grants drawn during 2012-13, will become due only in 2013-14.

Clearance of outstanding UCs showed significant improvement at 36.41 per cent during the current year as against 5 per cent clearance in the previous year.

#### (iv) Transfer of funds to Personal Deposit Accounts

Government is authorized to open Personal Deposit (PD) accounts for specific purposes, into which funds are transferred from the Consolidated Fund. PD accounts remaining inoperative for more than three full financial years after the year of last transaction are required to be closed, and the unspent balance credited to the Consolidated Fund. The State Government did not open any new PD account or close any inoperative PD account during 2012-13. There were 889 PD

accounts with an overall balance of ₹7,95 crores as at the end of the financial year.

**(v) Reconciliation of Receipts and Expenditure: -**

All Controlling Officers are required to reconcile the receipts and expenditure of the Government with the figures accounted for by the Principal Accountant General (A&E). As per extant practice, the information is sent to the CCOs (Chief Controlling Officers) through the iOTMS (Orissa Treasury Management System) portal and in the absence of any communication by the specified date, the accounts are deemed to have been reconciled.

**(vi) Cash Balance: -**

Out of the difference of ₹ 1.12 crore between the Cash Balance of the State Government as worked out by the Principal Accountant General and as reported by the Reserve Bank of India as on 31 March 2013, ₹ 1.05 crore has been reconciled, leaving an unreconciled balance of ₹0.07 crore.

**(vii) Accounting of subsidy as Loan: -**

Expenditure towards reimbursement of VAT (Value Added Tax) to State Public Sector Undertakings (PSUs) is in the nature of financial assistance and is to be treated as revenue expenditure. The State Government, however, made budget provision and booked ₹3.25 crore towards such subsidy as loan, thereby overstating Capital Expenditure and the Revenue Surplus by this amount. Further, this has resulted in overstatement of the Assets of the State Government as depicted in Statement No. 1 of the accounts.

**4. Other Items**

**(i) Liability under Retirement benefits**

The expenditure during the year on pension and other retirement benefits in respect of the State Government employees recruited prior to January 2005 was ₹ 53,79.37 crore (14.07 per cent of the total revenue expenditure). State Government employees recruited by the State Government with effect from January 2005 are eligible for the New Pension Scheme, which is a defined contributory pension scheme. In terms of the Scheme, the employee contributes 10 per cent of his monthly salary and dearness allowance, which is matched by

the State Government, and the entire amount is transferred to the designated fund manager through the National Securities Depository Limited (NSDL)/ Trustee Bank. The actual amount payable by employees and the matching Government contribution has not been estimated, but during the year, the State Government received ₹ 68.54 crore towards employees' contribution and contributed ₹ 65.52 crore as its share. There is a balance of ₹ 61.57 crore lying in the Fund as on 31 March 2013, but remaining to be transferred to NSDL/ Trustee Bank. Uncollected, unmatched and untransferred amounts, with accrued interest, represent outstanding liabilities under the Scheme.

### **(ii) Guarantee Position**

a) Information on Guarantees contained in Statement No. 9 is based on the Budget documents 2012-13 of the Government of Odisha and information received from the Finance Department. Against ₹2,71.32 crore that was receivable as guarantee commission, ₹ 1,14.61 crore was received during the year.

b) As per instructions of the State Government, all Public Sector Undertakings/ Urban Local Bodies/ Co-operative Institutions who have borrowed or intend to borrow against Government guarantee, are required to open an escrow account in a nationalized bank for timely repayment of guaranteed loans. As per the information received from the State Government, only 12 out of the 161 institutions that have availed of loans from the State Government have opened such escrow accounts.

### **(iii) Loans and Advances**

Information in respect of 'Overdue Principal and Interest' contained in Statement no.7 is incomplete, for want of details from the State Government.

### **(iv) Investment**

Information contained in Statement No.14 (on Investments by Government in Statutory Corporations, Government Companies, Joint Stock Companies and Co-operatives Institutions in the form of equity and shares) is incomplete, since details have not been provided by the Government. Consequently, the

information, has been compiled, where available, from the accounts, and reconciled with the data obtained from the respective institutions/ corporations.

### (v) Reserve Funds

The State Government operates Sinking Funds and a Guarantee Redemption Fund which are maintained by the Reserve Bank of India. No amount was transferred during the year to the 'Sinking Fund for amortization of Market Loan' constituted in respect of loans received from the Life Insurance Corporation of India (LIC), since the available balance at the credit of the fund exceeded the outstanding loans.

The State Government constituted a Guarantee Redemption Fund in the year 2002-03 on the recommendation of the Twelfth Finance Commission. During the year, an earlier guaranteed amount of ₹ 7, 44.99 crore was converted into loans to the concerned entities and disbursed. This will impact the Asset value of the loans depicted in Statement no. 1.

In terms of the guidelines on the administration of the State Disaster Response Fund constituted on the recommendation of the Thirteenth Finance Commission, the balances under the fund are required to be invested periodically. This has not been done.

### (vi) Inoperative Reserve Funds

Out of 27 Reserve Funds of the State Government, 21 Funds valued at ₹ 8,79.93 lakh have not been operated for a long time, as per details in Annexure-III.

### (vii) Suspense balances

The Finance Accounts reflect the net balances under Suspense and Remittance Heads. The outstanding balances under these heads are worked out by aggregating the outstanding debit and credit balances separately under the various heads. The position of the gross figures under major suspense heads for the last three years is given below:

### (ix) Arrears of Tax and Non-Tax Revenue

As per information received from the Finance department, an amount of ₹1,22,20.74 crore remains to be collected under tax and non tax revenue as on 31 March, 2013. Details are given in Annexure-IV

As per provisions of sub-section 1(a) under Section 8 of Odisha Fiscal Responsibility and Budget Management (OFRBM) Act, the State Government introduced Cash Management System (CMS), according to which, expenditure during the month of March should not exceed 15 per cent of the budget, and expenditure during the last quarter of the financial year should be within 40 per cent of the budget. As on 31 March 2013, only 18 departments have implemented the Cash Management System. Even in respect of these 18 departments, 14 departments exceeded the limits stipulated for March and 3 departments exceeded the limits stipulated for the last quarter. Details are at Annexure-V. The overall expenditure of the State Government during March 2013 was 18.87 per cent of the total expenditure for 2012-13, and for the last quarter was 36.91 per cent.

### (xii) Non compliance of the guidelines for operation of the Central Road Fund

An amount of ₹18.00 crore was received as Grants-in-Aid from the Central Road Fund, which has not been transferred to Public Account due to absence of budget provision. Consequently, the Revenue Surplus has been overstated to this extent.

### CASH BALANCES AND INVESTMENT OF CASH BALANCES

---

#### Explanatory Notes

**(a) Cash and Cash Equivalents:** Cash and cash equivalents consist of cash in treasuries and deposit with Reserve Bank of India and other Banks and Remittances in Transit, as stated below. The balance under the head 'Deposits with Reserve Bank' depicts the combined balance of the Consolidated Fund, Contingency Fund and the Public Account at the end of the year. To arrive at the overall cash position, the cash balances with treasuries, departments and investments out of the cash balances/reserve funds etc are added to the balance in 'Deposits with RBI'.

**(b) Daily Cash Balance:** Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹1.28 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary and special ways and means advances/overdrafts from time to time.

For arriving at the daily cash balance<sup>2</sup> for the purpose of grant of Ways and Means advances/Overdraft, the RBI evaluates the holdings of the 14 day treasury bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 day Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. **If the net cash balance arrived at results in less than the minimum cash balance** or a credit balance and if there are no 14 day treasury bills maturing on that day, RBI rediscounts the holdings of the 14 day Treasury Bills and makes good the shortfall. If there is no holding of 14 day Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances/ Over Draft.

---

Note <sup>2</sup> - The cash balance ('Deposits with RBI') above is the closing cash balance of the year as on 31 March 2013 but worked out by 16 April 2013 and not simply the daily balance on 31 March 2013.

### CASH BALANCES AND INVESTMENT OF CASH BALANCES

The Bank has also agreed to give Special (secured) Ways and Means advances against pledge of Government securities. The operative limit of Special Ways and Means Advances is determined by the loanable value for holdings of Government of India Securities by Government of Odisha.

The Reserve Bank of India has revised the scheme of Ways and Means advances for the State Govt. w.e.f. 01.04.2006. The special features of the scheme are as follows:-

- (i) States have to avail special Ways and Means Advances prior to availing normal WMA.
- (ii) The rate of interest on special WMA will be one percent below Repo Rate.
- (iii) The rate of interest on normal WMA would be Repo Rate for 1 to 90 days and one percent above the Repo Rate for the period beyond 90 days.

The rate of interest on overdraft would be two percent above Repo Rate for overdraft up to 100 percent of the normal WMA limit and five percent above Repo Rate for overdraft exceeding 100 percent of the normal WMA limits.

(c) The limit for ordinary ways and means advances to the State Government was ₹3,00.00 crore with effect from 1 April 2010. The Bank has also agreed to give special ways and means advances against the pledge of Government Securities. The limit of special ways and means advances are revised by the Bank from time to time.

As of March-2013 , four schemes/undertakings out of 16 remained inoperative or closed. Their assets and liabilities were not fully disposed of or liquidated by the Government. The details about non-operation or closure were not available.

In respect of two schemes viz. (i) Purchase and distribution of quality seeds to cultivators and (ii) Poultry Development, Government had not prescribed the preparation of proforma accounts; only Personal Ledger Accounts were opened during 1977-78 and 1979-80 respectively. The closing balances of these accounts at the end of 2012-13 were as follows: -

The Comptroller and Auditor General of India had commented in his Audit Report (Civil) 2008-09 (Paragraph 1.6.3) about the failure of the State machineries in preparing the proforma accounts. Also, the PAC in their 14th report (10th Assembly) had expressed (November 1992) concern at the state of affairs in preparation of proforma accounts. Despite that, no proforma accounts in respect of the above schemes could be prepared as of 31 March 2012.

However, new taxation policy as available in the Statement presented along with the Annual Budget 2012-13 under the Odisha Fiscal Responsibility & Budget Management Rules, 2005 is detailed below:-

**Tax Policy:-**

Simplification and rationalisation

Modernisation of Tax Administration with IT intervention

Strengthening Audit and enforcement Measures

Stress on Arrear Collection and timely compliance to the observations of Audit in the Report of C&AG (RR) for taking preventive action etc.

Export Committee on Revenue enhancement measures has submitted its report. The recommendations of the Committee are being examined by the concerned Departments and appropriate revenue enhancement measures would be taken by them.

**(i) VAT:-**

VAT was introduced from 1 April 2005. Since this is a destination based and multi-point tax there is potential for growth of revenue if it is well administered it has also resulted in a single market throughout India and put an end to tax war among the States to attract investment. The collection of revenue from VAT during the first 3 quarters of the current year has shown more than 20 per cent growth compared to same period during previous year. The VAT regime will continue in 2012-13 in view of uncertainty in implementation of GST. The VAT is projected to grow at about @18 per cent in 2012-13 with a tax buoyancy of 1.2.

The State Government have introduced the system of electronic payment of Commercial Taxes and e-filing of returns and generation of Way Bills and statutory forms on electronic mode, which will help hassle free transaction for the tax payers.

**(ii) Entertainment Tax Act:-**

The DTH- Broadcasting Service providers have been brought under the purview of Entertainment Tax Act w.e.f. 24 September, 2010.

**(iii) Central Sales Tax (O) Rules, 1957:-**

The Central Sales Tax (O) Rules, 1957 has been amended w.e.f. 6 July, 2006 to make it VAT compatible. As per decision of the Government of India, CST rate has been reduced from 4 per cent to 3 per cent w.e.f. 01.04.2007 to 2 per cent w.e.f. 01.04.2008. The rate of 2 per cent continued in the year 2009-10, 2010-11 and 2011-12 is likely to continue in 2012-13. The rate reduction has brought down the CST collection and has impacted the Tax Revenue of the State Government.
