Government of Bihar

PREFACE

I am happy to bring out the annual publication, the ‘**Accounts at a Glance**’ of the Government of Bihar.

Article 149 of the Constitution of India mandates that Comptroller and Auditor General of India shall perform such duties and exercise such power in relation to the accounts of the State as prescribed by any law made by Parliament. Article 10 of the CAG’s (Duties, Powers and Conditions of service) 1971 prescribes that CAG is responsible for compiling the accounts of the State from the initial accounts rendered to the accounts offices by treasuries, offices and departments responsible for keeping those accounts.

In discharging the entrusted responsibility, the annual accounts of the State of Bihar has been prepared into (a) Finance Accounts and (b) Appropriation Accounts. Finance Accounts consists of three divisions containing summary of transactions took place under Consolidated Fund, Contingency Fund and Public Account of the State. The Appropriation Accounts record expenditure incurred against provisions approved by State Legislature under each of the Grant and offer explanations for variations between the actual expenditure and the funds provided.

‘Accounts at a Glance’ provides a broad overview of Governmental activities, as reflected in Finance Accounts and Appropriation Accounts. The information is presented through brief explanations, statements, graphs and time series analysis for providing accounting information to the stakeholders-the Legislature, the Executives and the Public. A combined reading of the Finance Accounts and Appropriation Accounts, the Report on State Finances and the ‘Accounts at a Glance’, will help the stakeholders to comprehend more effectively the various facts of the finances of the Government of Bihar.

We look forward to your valuable comments and suggestions for improving this publication.

Chapter I

OVERVIEW

1.1 Introduction

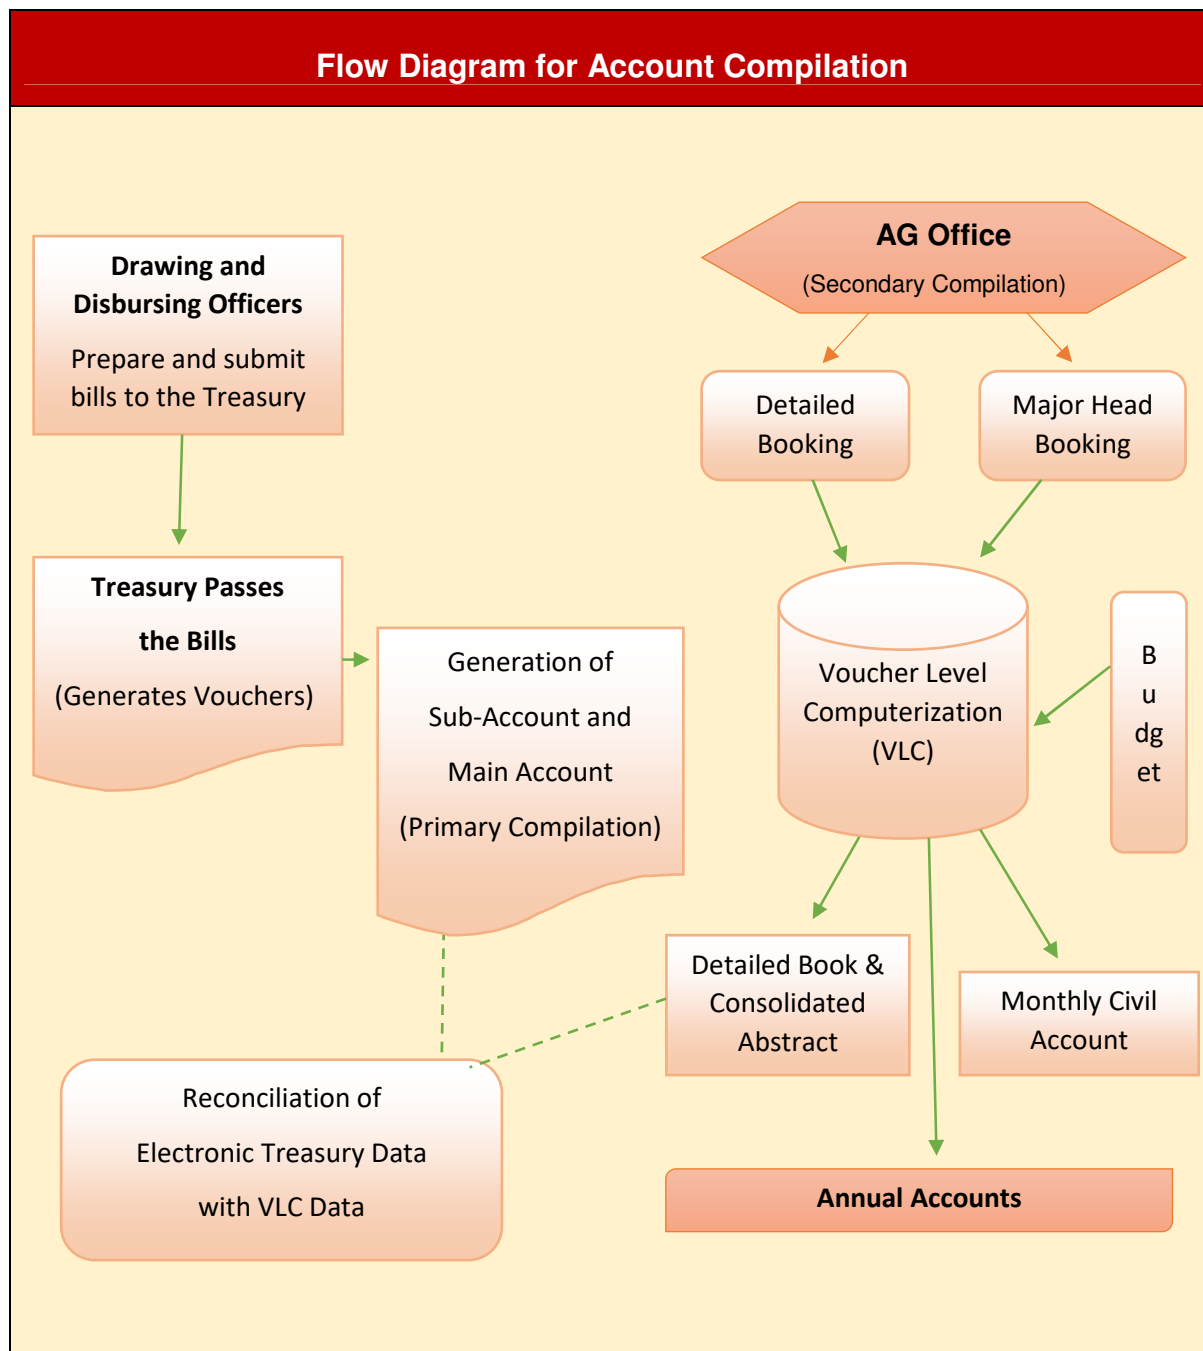

The Pr. Accountant General (Accounts and Entitlements), Bihar collates, classifies, compiles the accounts data rendered by multiple agencies, and prepares the accounts of the Government of Bihar. The compilation is done from the initial accounts rendered by the Treasuries, accounts rendered by the other states/accounting offices through their monthly accounts and advices of the Reserve Bank of India. The accounts of Public Works & Forest Division have been merged with Treasury Accounts after implementation of CFMS w.e.f. 01.04.2019. Every month a Monthly Civil Account is presented by the office of the Pr. Accountant General (A&E) to the Government of Bihar. The yearlong compilation activity culminates into preparation of the annual Finance Accounts and Appropriation Accounts. They are subjected to audit by the Accountant General (Audit), Bihar and certification by the Comptroller and Auditor General of India after which they are placed before Legislature.

1.2 Structure of Accounts

1.2.1 Government Accounts are kept in three parts:

Part 1 CONSOLIDATED FUND	All revenue received by the Government including tax and non-tax revenues, loans raised and repayment of loans given (including interest thereon) from the Consolidated Fund. All expenditure and disbursement of the Government, including release of loans and repayments of loans taken (and interest thereon) are met from this fund.
Part 2 CONTINGENCY FUND	The Contingency Fund is in the nature of an imprest, intended to meet unforeseen expenditure, pending authorization by the Legislature. Such expenditure is recouped subsequently from the Consolidated Fund. The corpus of this fund for the Government of Bihar is ₹ 350 crore.
Part 3 PUBLIC ACCOUNT	In Public Accounts the transactions relating to Debt (Other than those included in Part I), 'Deposits', 'Advances', 'Remittances' and 'Suspense' shall be recorded. Debts and Deposits represent repayable liabilities of the Government. Advances are receivables of the Government. Remittances and Suspense transactions are adjusting entries that are required to be cleared eventually by booking to final heads of account.

1.2.2 Compilation of Accounts

1.3 Finance Accounts and Appropriation Accounts

1.3.1 Finance Accounts

The Finance Accounts depict the receipts and disbursement of the Government for the year, together with the financial results disclosed by the Revenue and Capital Accounts, Public Debt and Public Account balances recorded in the accounts. Finance Accounts are prepared in two volumes to make them more comprehensive and informative. Volume I of the Finance Accounts contains the certificate of the Comptroller and Auditor General of India, summarized statements of overall receipts and disbursements and 'Notes to Accounts' containing summary of significant accounting policies, comments on quality of accounts and other items. Volume II contains detailed statements (part-I) and appendices (part-II).

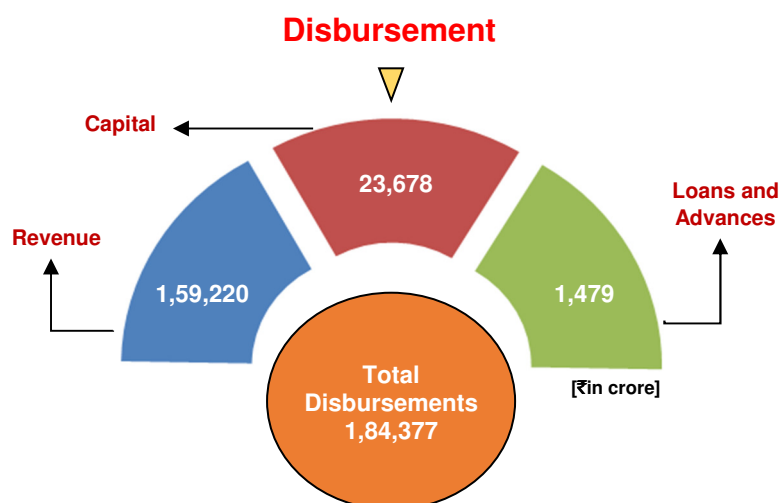

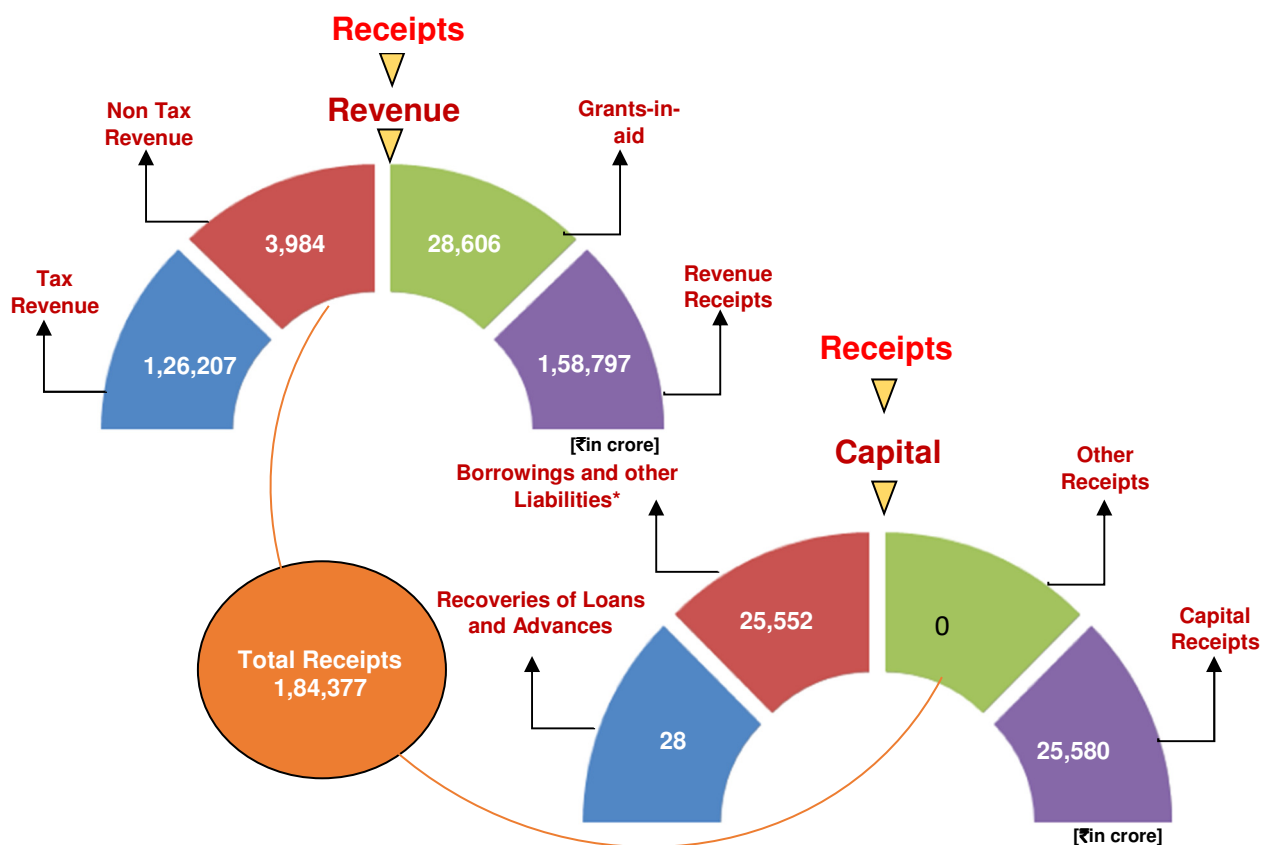

The Union Government transfers substantial funds directly to State Implementing Agencies/ NGOs for implementation of various schemes and programmes. During the year 2021-22, the Government of India (GoI) released ₹19,117 crore directly (₹16,441 crore last year) to the implementing agencies in Bihar. Since these funds are not routed through the State Budget, these are not reflected in the accounts of the State Government. These transfers are now exhibited in Appendix VI of Volume II of the Finance Accounts.

The following table provides the details of actual financial results vis-a-vis budget estimates for the year 2021-22.

1.3.2 Appropriation Accounts

Under the Constitution, no expenditure can be incurred by the Government except with the authorisation of the Legislature. Barring certain expenditure specified in the Constitution as “Charged” on the Consolidated Fund, which can be incurred without vote of the Legislature, all other expenditure requires to be “Voted”. The budget of the Bihar Government has 51 Grants/Appropriations. The purpose of the Appropriation Accounts is to indicate the extent to which the actual expenditure conforms with the appropriations authorised by the Legislature through the Appropriation Act of each year.

The Appropriation Act, 2021-22, had provided for gross expenditure of ₹2,65,397 crore and reduction of expenditure (recoveries) of ₹0.01 crore. Against this, the actual gross expenditure was ₹1,94,202 crore and reduction of expenditure was ₹1,079 crore, resulting in net savings of ₹71,195 crore (28.83 *per cent*) and an under-estimation of ₹1,079 crore on reduction of expenditure. The gross expenditure includes ₹2,461 crore drawn on Abstract Contingent (AC) Bills, out of which ₹2,461 crore is still outstanding at the end of the year for want of supporting Detailed Contingent (DC) Bills.

1.4 Sources and Application of Funds

1.4.1 Ways and Means Advances

The Reserve Bank of India (RBI) extends the facility of Ways and Means Advances (WMA) to enable State Governments to maintain their liquidity. Overdraft (OD) facilities are provided when there is a shortfall in the agreed minimum cash balance (₹1.73 crore) maintained with the RBI. The larger the amount and more the number of times such Ways and Means Advances are taken or drawals are made, the more it reflects the adverse position of the cash balance of the State Government. During the financial year 2021-22, the Government of Bihar had maintained the minimum balance without taking any advance.

1.4.2 Overdraft from the Reserve Bank of India

Overdraft is taken from the Reserve Bank of India when the limit of minimum cash balance falls below i.e. ₹1.73 crore, even after taking Ways and Means Advances (WMA) which is required to be maintained with the Reserve Bank of India. During the financial year 2021-22, the Government of Bihar had maintained the minimum balance without taking any advance.

1.4.3 Funds flow statement

The State had a Revenue Deficit of ₹423 crore and a Fiscal Deficit of ₹25,552 crore representing 0.06 *per cent* and 3.78 *per cent* of the Gross State Domestic Product (GSDP). The Fiscal Deficit constituted 13.86 *per cent* of total expenditure. This deficit was met from Public Debt (₹31,698 crore), Deficit in Public Account ₹5,778 crore and net of opening and closing cash balance ₹369.45 crore. A sum of ₹57,677 crore which was 36.32 *per cent* of the revenue receipts (₹1,58,797 crore) of the State Government was spent on committed expenditure like salaries (₹23,525 crore), interest payments (₹13,822 crore) and pension (₹20,295 crore).

 Calculation of Revenue Deficit and Fiscal Deficit includes expenditure under UDAY.

What do the Deficits and Surpluses indicate?

Deficit	Refers to the gap between Revenue and Expenditure. The kind of deficit, how the deficit is financed, and application of funds are important indicators of prudence in Financial Management.
Revenue Deficit / Surplus	Refers to the gap between Revenue Receipts and Revenue Expenditure. Revenue Expenditure is required to maintain the existing establishment of Government and ideally, should be fully met from Revenue Receipt.
Fiscal Deficit / Surplus	Refers to the gap between Total Receipts (excluding borrowings) and Total Expenditure. This gap, therefore, indicates the extent to which expenditure is financed by borrowings. Ideally, the Borrowings should be invested in capital projects.

1.6 Bihar Fiscal Responsibility and Budget Management Act, 2006

In terms of Section 9 of the Bihar Fiscal Responsibility and Budget Management (FRBM) Act 2006, the Government of Bihar presented the Medium Term Fiscal Policy and Strategy Statement along with the State Budget for 2021-22. The targets mentioned in the Act and achievements in 2021-22 as depicted in the Accounts are as follows:

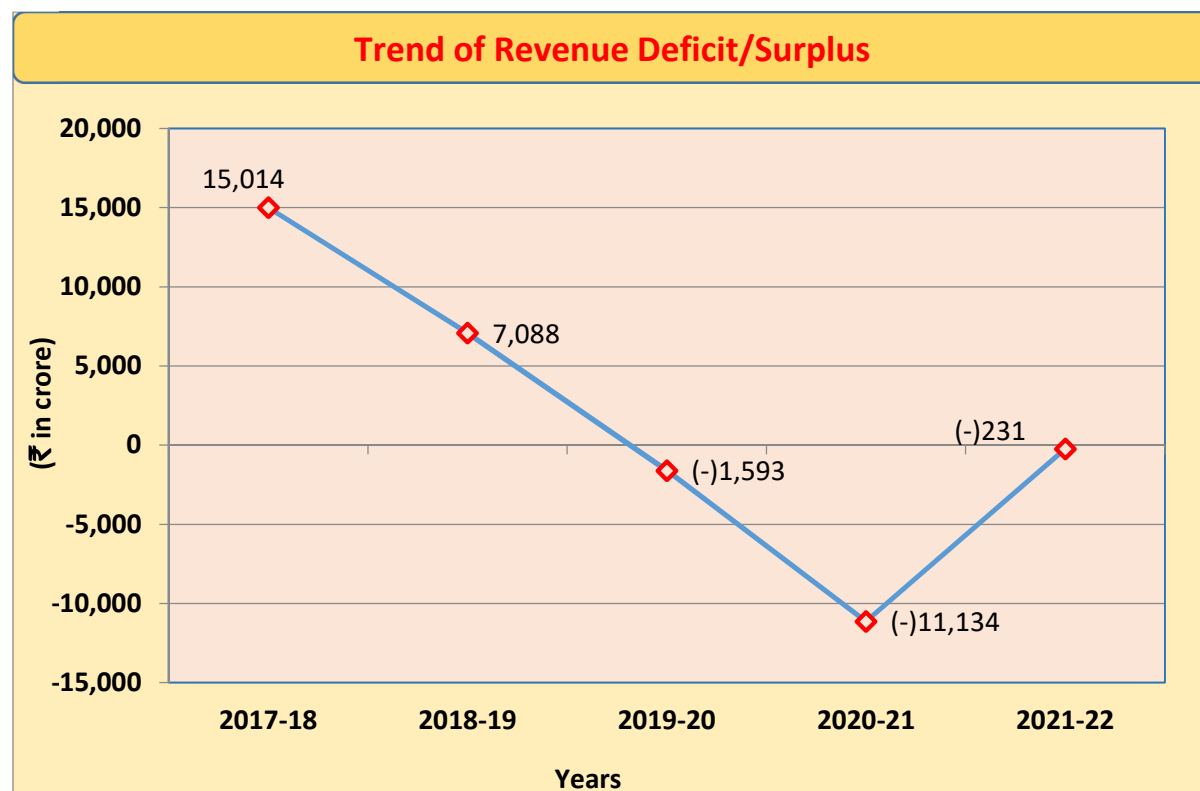

Sl. No.	Targets	Achievements during the year as per the accounts and Gross State Domestic Product (GSDP)
1	Attain Revenue Surplus in 2007-08 and maintain surplus up to 2018-19 and failed to achieve revenue surplus thereafter.	In FY- 2021-22, the State has Revenue deficit of ₹422.38 crore (0.06 <i>per cent</i> of GSDP).
2	Fiscal deficit shall not exceed 4.5 <i>per cent</i> during the period 2021-22 of GSDP.	During the FY- 2021-22, the State has fiscal deficit of ₹25,551.26 crore which is 3.78 <i>per cent</i> of GSDP.
3	Outstanding debt expressed as percentage of GSDP shall be less than 40.2 <i>per cent</i> of GSDP during 2021-22	Debt and outstanding liabilities (₹2,57,510.21 crore) was 38.12 <i>per cent</i> of GSDP estimate during 2021-22.
4.	Primary Deficit	Primary Deficit was ₹11,729.33 crore

The Fiscal Deficit of ₹25,551.26 crore was financed by way of (i) Internal debt (Market borrowing, Loans from financial Institution etc.) ₹23,297.82 crore, (ii) Loans and Advances from the Central Government ₹8,400.61 crore, (iii) Small Savings, Provident Fund etc. ₹76.28 crore (iv) Deposit and Advances ₹(-)1,600.42 crore, (v) Sinking Funds and Reserve Funds ₹140.42 crore, (vi) Suspense and Miscellaneous ₹(-)4,386.48 crore, (vii) Remittances ₹(-)7.52 crore, (viii) Cash Balance ₹369.45 crore. The total debt and other

GSDP of Bihar for 2021-22 as available from Ministry of Statistics and Programme Implementation is ₹6,75,448.00 crore. Outstanding debt includes all debts and other liabilities.

1.6.1 Trend of Revenue Deficit / Surplus (Excluding UDAY)

1.6.2 Trend of Fiscal Deficit (Excluding UDAY)

1.6.3 Proportion of borrowed funds spent on Capital Expenditure

It is desirable that the Capital expenditures are fully financed by borrowed funds, and revenue receipts are used for the repayment of principal and interest. The State Government has financed its Capital Expenditure (₹23,678 crore) from borrowing of the current year (₹40,445 crore) and revenue deficit (₹423 crore) during the year 2021-22.

GSDP	4,87,628	5,57,490	6,11,804	6,18,628	6,75,448

Note: Figures in parenthesis represent percentage to GSDP.

Though the GSDP increased by 9% between 2020-21 and 2021-22, Revenue collection increased by 23.90%, Tax revenue increased by 40% and Non-Tax revenue decreased by 36% in 2021-22 with comparison to 2020-21. The decrease in Non-tax revenues was mainly on account of short collections under:

- 'Interest Receipts' (₹722 crore),
- 'Non-ferrous Mining and Metallurgical Industries' (₹2,018 crore),
- 'Contributions and Recoveries towards Other retirement benefits' (₹1 crore), and
- 'Public Service Commission' (₹40 crore).

Further collection under 'Education, Sports, Art and Culture' and Medical and Public Health were ₹509 crore and ₹41 crore respectively in 2021-22 against ₹12 crore and ₹42 crore in 2020-21. The State's own revenue under 'Stamps and Registration Fees (₹5,224 crore) and 'Taxes on Vehicles (₹2,475 crore) showed an increasing growth.

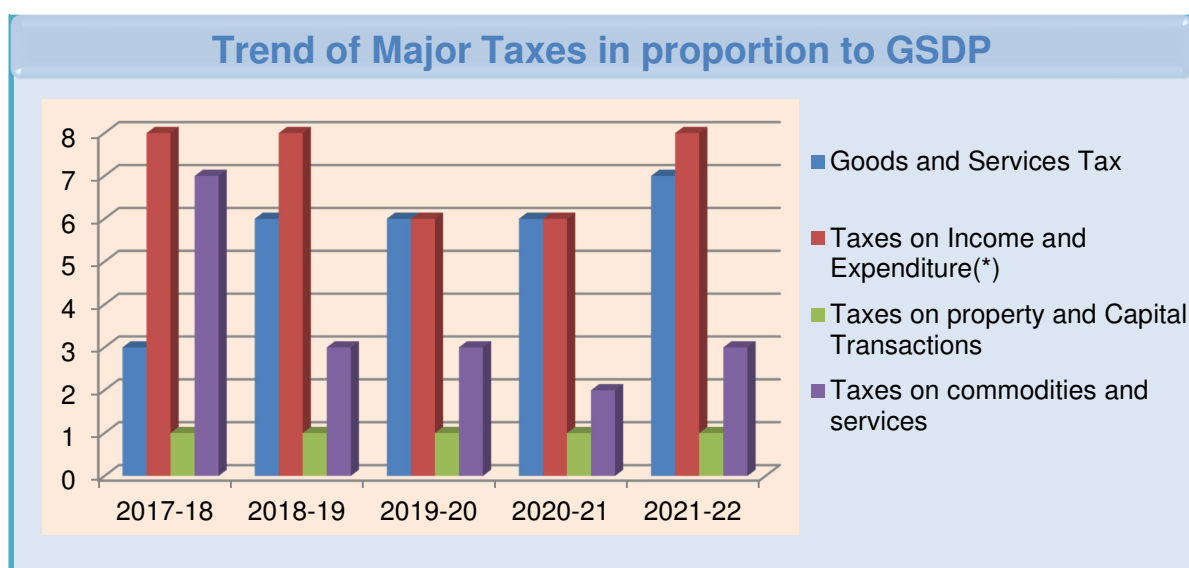

Sector-wise Tax Revenue

(₹ in crore)

	2017-18	2018-19	2019-20	2020-21	2021-22
Goods and Services Tax	14,244	34,905	33,794	33,839	44,706

Total Tax Revenue	88,220	1,03,011	93,564	90,203	1,26,207

The increase in total tax revenue is mainly attributed to more collection under 'Goods and Services Tax' (₹44,706 crore), 'Corporation Tax' (₹27,179 crore), 'Taxes on Income other than Corporation Tax' (₹26,661 crore), 'Stamps and Registration Fees' (₹5,224 crore), 'Customs' (₹6,775 crore), 'Union Excise Duties' (₹3,868 crore), 'Taxes on Vehicles' (₹2,475 crore) and 'Service Tax' (₹1,326 crore).

2021 - 22	1,26,207	91,353	34,854	5.16%

The proportion of the State's own Tax Revenue to GSDP is perceptibly lower than the target of 4.60 *per cent* recommended by the 15th Finance Commission. While the percentage of "State share of Union taxes" to GSDP has increased from 13.35% in 2017-18 to 13.52% in 2021-22, the percentage of "State's own tax revenue" to GSDP has increased to 5.16% from 4.74% during the same period.
