## INTRODUCTORY

This compilation containing the Appropriation Accounts of the Government of Uttar Pradesh for the year 2024-2025 presents the accounts of sums expended in the year ended 31st March 2025, compared with the sums specified in the schedules appended to the Appropriation Acts passed under Articles 204 and 205 of the Constitution of India.

In these Accounts-

"O"	stands for Original Grant or Appropriation
"S"	stands for Supplementary Grant or Appropriation
"R"	stands for Re-appropriation, Withdrawals or Surrenders sanctioned by the competent authority.

Charged Appropriations and expenditure are shown in *italics* .

The following norms for comments on Saving/Excess in the Grant or Appropriation have been adopted by the Accountant General for preparation of the Appropriation Accounts:-

### **Saving**

- (i) Comments are to be made for overall saving exceeding 2 *per cent* of the total budget provision or ₹ 5.00 lakh, whichever is higher.
- (ii) Comments are to be made in individual sub-heads for saving exceeding 10 *per cent* of the total budget provision or ₹ 5.00 lakh, whichever is higher.

### **Excess**

- (i) The excess expenditure under the total of any sector of a Grant (i.e. Revenue - Voted, Revenue-Charged, Capital-Voted and Capital-Charged) are invariably commented upon for regularization, irrespective of amount of excess.
- (ii) Comments are to be made in individual sub-heads for excess in each case where amount of excess is ₹ 2.00 lakh or 10 *per cent* of the budget provision, whichever is less.

## Presentation of Demands for Grants on Net Basis

Article 204(3) of the Constitution mandates that no money shall be withdrawn from the Consolidated Fund of the State except under appropriation made by law, and Article 203 requires that the estimates of expenditure be submitted to the Legislature in the form of Demands for Grants.

In pursuance of clause (3) of Article 204, the Uttar Pradesh Appropriation Act, 2024 and the Uttar Pradesh Appropriation (Supplementary) Act, July 2024 and December 2024 were enacted to authorise withdrawal of sums from and out of the Consolidated Fund of the State for the year ending 31 March 2025. The Schedule to these Acts contain the grant-wise amounts authorised by the Legislature.

Examination of the Appropriation Acts and related Detailed Demand for Grants (Grants 51 and 60) revealed that legislative authorisation was obtained on a net basis, i.e., gross estimated expenditure reduced by current year's estimated recovery. The position is summarised below:

(₹ in crore)					(₹ in actuals)
Particulars	Authorised by Legislature (₹)	Gross Amount (₹) (1) + (3)	Recoveries – Deduct amount from Reserve Funds (₹)	Current year Expenditure as per Appropriation Accounts (₹)	Remarks
	(1)	(2)	(3)	(4)	(5)
Original Grant/ Appropriation	7,70,127.66	7,73,642.66	3,515.00	-	
Supplementary Grant/ Appropriation	30,075.65	30,075.65	-	-	
Total Grant/Appropriation	8,00,203.31	8,03,718.31	3,515.00	6,21,843.34	Less legislative authorisation obtained by ₹35,15,00,00,000
<b>Of the total Grant/ Appropriation, the grant-wise details are given below</b>					
Grant 51 – Revenue Department (Relief on account of natural Calamities)- Revenue (Voted)	4,000.51	7,388.51	3,388.00	4,242.10	Gross Expenditure in excess of the legislative authorisation was ₹2,41,59,58,028
Grant 60-Forest Department – Revenue (Voted)	1,021.09	1,148.09	127.00	859.96	

As evident from the table above, sums out of Consolidated fund of the State have been withdrawn in one grant over and above what has been authorised by the Legislature. The presentation of Demands for Grants and the Appropriation Act on a net basis instead of gross basis is in violation of Article 204 of the Constitution.

## **Report of the Comptroller and Auditor General of India**

### **Audit of the Appropriation Accounts of the Government of Uttar Pradesh**

#### **Opinion**

The Appropriation Accounts of the Government of Uttar Pradesh for the year ended 31 March 2025 present the accounts of the sums expended in the year compared with the sums specified in the schedules appended to the Appropriation Acts passed under Article 204 and 205 of the Constitution of India. The Finance Accounts of the Government for the year showing the financial position along with the accounts of the receipts and disbursements of the Government for the year are presented separately.

On the basis of the information and explanations that my officers required and have obtained and as a result of test audit of the accounts, in my opinion, the Appropriation Accounts read with the observations in this compilation present fairly the accounts of the sums expended in the year ended 31 March 2025 compared with the sums specified in the schedules appended to the Appropriation Acts passed by the State Legislature under Article 204 and 205 of the Constitution of India.

Observations arising from audit of these accounts as well as audit conducted during the year or earlier years are contained in my Financial, Compliance and Performance Audit Reports on the Government of Uttar Pradesh being presented separately for the year ended 31 March 2025.

#### **Basis for Opinion**

The conduct of audit is in accordance with the CAG's Auditing Standards. These Standards require that we plan and perform audits to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. The audit evidence that we have obtained provides a basis for my opinion.

#### **Responsibilities for Preparation of the Initial and Subsidiary Accounts**

The State Government is responsible for obtaining authorisation of budget from the State Legislature. The State Government and those responsible for execution of budget such as treasuries, offices and departments of the Government of Uttar Pradesh are responsible for preparation and correctness of the initial and subsidiary accounts as well as for ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations.

Also, they are responsible for rendering the initial and subsidiary accounts and information related thereto to the Office of the Accountant General (Accounts and Entitlements) of Uttar Pradesh for compilation and preparation of the Appropriation Accounts.

### **Responsibilities for Compilation of Annual Accounts**

The Office of the Accountant General (Accounts and Entitlements) of Uttar Pradesh functioning under my control is responsible for compilation and preparation of Annual Accounts of the State Government. This is in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971.

The Annual Accounts have been compiled from the vouchers, challans and initial and subsidiary accounts as received from the treasuries, offices and departments of the Government of Uttar Pradesh and the statements received from the Reserve Bank of India.

### **Responsibilities for the Audit of the Annual Accounts**

The audit of the Annual Accounts is conducted through the Office of the Principal Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 for expressing an opinion on these Accounts based on the results of such audit.

The Office of the Principal Accountant General (Audit) and the Office of the Accountant General (Accounts and Entitlements) are independent organisations with distinct cadres, separate reporting lines and management structure.

Reasons for final saving/non-utilisation of entire provision in the above sub-heads have not been intimated (June 2025).

**(iv) Suspense Transactions:**

The minor head 'Suspense' is not a final head of account. It accommodates interim transactions where further payments or adjustments of value are necessary before the transactions can be considered completed and finally accounted for. Accordingly, the transactions under the head, if not adjusted to the final head of account, are carried forward from year to year. The Suspense head had three sub-divisions, viz.(1) Stock (2) Miscellaneous Works Advances and (3) Workshop Suspense.

The nature of suspense transactions and their accounting are explained below :-

(1) Stock :- This head is debited with the value of material received for stock purposes and not any particular work. It is credited with the value of material issued to works or sold or transferred to other divisions. This head will, therefore, show debit balance representing the book value of material held in stock plus unadjusted charges connected with the manufacture of materials, if any.

(2) Miscellaneous Works Advances:- This head comprises debit for the value of stores on credit, expenditure incurred on deposit works in excess of deposits received, loss of cash or stores not written off, sum recoverable from Government Servants, etc. The debit balances under this head, therefore, represents recoverable amounts.

(3) Workshop Suspense :- The charges for jobs executed or other operations in departmental workshops are debited to this head pending their recovery or adjustment.

An analysis of the transactions in the year 2024-25 together with the opening and closing balances is given in Appendix-III.

(4) Pro-rata distribution of establishment and tools and plant charges of the Public Works Department:-From the gross charges of the Public Works Department the percentage recoveries towards establishment and tools and plants charges for work done for other Government Departments, Local Bodies etc. are deducted and the net charges are distributed among the appropriate major heads of account in proportion to actual work outlay under each head after excluding the outlay on works executed by special establishment, if any.

A review of direction and administration and machinery and equipment charges is given in Appendix-IV.
