CERTIFICATE OF THE COMPTROLLER AND AUDITOR  
GENERAL OF INDIA

This compilation containing the Finance Accounts of the Government of Tamil Nadu for the year 1988-89 presents the accounts of the receipts and outgoings of the Government for the year, together with the financial results disclosed by the revenue and capital accounts, the accounts of the public debt and the liabilities and assets as worked out from the balances recorded in the accounts. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations, presented separately, supplement this compilation.

These accounts have been prepared and examined under my direction in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971. Subject to the observations in this compilation and to those in my Report on the accounts of the Government of Tamil Nadu for the year 1988-89, the accounts now presented are, according to my information, correct statements of the receipts and outgoings of the Government of Tamil Nadu for the year ended 31st March 1989.

(C.G. SOMIAH)

Comptroller and Auditor General of India

## INTRODUCTORY

1. The accounts of Government are kept in the following three parts:-

Part I	Consolidated Fund
Part II	Contingency Fund
Part III	Public Account

In Part I namely Consolidated Fund, there are two main divisions, viz:-

- (1) Revenue - consisting of sections for 'Receipt heads (Revenue Account)' and 'Expenditure heads (Revenue Account)';
- (2) Capital, Public Debt, Loans, etc. - consisting of sections for 'Receipt heads (Capital Accounts)', 'Expenditure heads (Capital Accounts)' and 'Public Debt, Loans and Advances, etc.'

The Revenue division deals with the proceeds of taxation and other receipts classed as revenue and the expenditure met therefrom, the net result of which represents the revenue surplus or deficit for the year.

In Capital division, the section 'Receipts Heads (Capital Account)' deals with receipts of capital nature which cannot be applied as a set-off to capital expenditure.

The section 'Expenditure Heads (Capital Account)' deals with expenditure met usually from borrowed funds with the object of increasing concrete assets of a material and permanent character. It also includes receipts of a capital nature intended to be applied as a set-off against expenditure.

The section 'Public Debt, Loans and Advances, etc.' comprises loans raised and their repayments by Government such as 'Internal Debt' and 'Loans and Advances' made (and their recoveries) by Government. This section also includes certain special types of heads for transactions relating to 'Appropriation to the Contingency Fund' and 'Inter-State Settlement'.

In Part II, namely Contingency Fund, of the accounts, the transactions connected with the Contingency Fund established under Article 267 of the Constitution of India are recorded.

In Part III, namely Public Account, of the accounts, the transactions relating to 'Debt' (other than those included in Part I), 'Deposits', 'Advances', 'Remittances' and 'Suspense' are recorded. The transactions under 'Debt', 'Deposits' and 'Advances',

in this part are those in respect of which Government incurs a liability to repay the moneys received or has a claim to recover the amounts paid, together with the repayments of the former ('Debt' and 'Deposits') and the recoveries of the latter ('Advances'). The transactions relating to 'Remittances' and 'Suspense' in this part embrace all merely adjusting heads under which appear such transactions as remittances of cash between treasuries and currency chests, transfers between different accounting circles, etc. The initial debits or credits to these heads will be cleared eventually by corresponding receipts or payments either within the same circle of account or in another account circle.

2. *Sectors and Heads of Accounts:-* Within each of the sections in Part I mentioned above, the transactions are grouped into sectors such as 'Tax Revenue', 'Non-Tax Revenue' and 'Grants-in-aid and contributions' for the receipt heads (revenue account), and 'General Services', 'Social Services', 'Economic Services' and 'Grants-in-aid and contributions' for expenditure heads. Specific functions or services (such as Education, Sports, Art and Culture, Health and Family Welfare, Water Supply, Sanitation, Housing and Urban Development, etc. in respect of Social Services) are grouped in Sectors for expenditure heads. In Part III (Public Account) also, the transactions are grouped into sectors, such as 'Small Savings', 'Provident Funds', 'Reserve Funds', etc. The Sectors are sub-divided into major heads of account. In some cases, the Sectors are, in addition, sub-divided into sub-sectors before their division into major heads of account.

The major heads are divided into sub-major heads in some cases and minor heads, with a number of subordinate heads, generally known as sub-heads. The sub-heads are further divided into detailed heads. Under each of these heads, the expenditure is shown distributed between charged and voted. Sometimes major heads are also divided into sub-major heads before their further division into minor heads. Apart from the Sectoral and sub-sectoral classification the Major Heads, Sub-Major Heads, Minor Heads, Sub-Heads, Detailed Heads and Object-Heads together constitute a six-tier arrangement of the classification structure of the Government Accounts. The major, minor and sub-heads prescribed for the classification of expenditure in the general accounts are not necessarily identical with the Grants, sub-heads and other units of allotments which are adopted by the Governments for Demands for Grants presented to the Parliament or Legislatures but in general a certain degree of correlation is maintained between the Demands for Grants and the Finance Accounts.

The major heads of accounts, falling within the sectors for expenditure heads, generally correspond to functions of Government, while the minor heads, subordinate to them, identify the programmes undertaken to achieve the objectives of the function represented by the major head. The sub-head represents the scheme, the detailed

head the sub-scheme and object head the object level of classification.

### 3. Coding Pattern

*Major Heads:-* From 1st April 1987 a four digit Code has been allotted to the major heads, the first digit indicating whether the major head is a Receipt head or Revenue Expenditure head or Capital Expenditure head or a Loan head.

The first digit of code for Revenue Receipt head is either '0' or '1'. Adding 2 to the first digit code of the Revenue Receipt head will give the number allotted to corresponding Revenue Expenditure head; adding another 2, the Capital Expenditure head; and another 2, the Loan head of Account. For example, for Crop Husbandry code 0401 represents the Receipt head, 2401 the revenue expenditure head, 4401 Capital Outlay head and 6401 Loan head.

Such a pattern is, however, not relevant for those departments which are not operating Capital/Loan heads of accounts e.g. Department of Supply. In a few cases, where receipt and expenditure are not heavy, certain functions have been combined under a single major head, the functions themselves forming sub-major heads under the Major head.

*Sub-Major Heads:-* A two digit code has been allotted, the code starting from 01 under each Major Head. Where no sub-major head exists it is allotted a Code '00'. The nomenclature 'General' has been allotted Code '80' so that even after further sub-major heads are introduced the Code for 'General' will continue to remain the last one.

*Minor Heads:-* These have been allotted a three digit code, the codes starting from '001' under each sub-major/major head (where there is no sub-major head). Codes from '001' to '100' and few codes '750' to '900' have been reserved for certain standard minor heads. The coding pattern for minor heads has been designed in such a way that in respect of certain minor heads having a common nomenclature under many major/sub-major heads, the same three digit code is adopted as far as possible.

Under this scheme of codification, the receipt major heads (revenue account) are assigned the block numbers from 0020 to 1606, expenditure major heads (revenue account) from 2011 to 3606, expenditure major heads (capital account) from 4046 to 5475, major heads under 'Public Debt' from 6001 to 6004 and those under 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund' from 6075 to 7999. The code number 4000 has been assigned for Capital receipt major head. The only major head 'Contingency Fund' in Part II 'Contingency Fund' has been assigned the code number 8000. The major heads in the Public Account are assigned the code numbers from 8001 to 8999.

4. The transactions included in these accounts represent mainly the actual cash receipts and disbursements during the financial year April to March as distinguished from amounts due to or from Government during the same period. The cash basis system is, however, not entirely suitable for recording the transactions and presenting the true state of affairs of Government commercial undertakings run on commercial principles. The detailed accounts of this class of undertakings are, therefore, maintained outside the regular accounts in proper commercial form and are subject to test check by the Indian Audit and Accounts Department.

5. The figures of actuals shown in these accounts are net, after taking into account the recoveries, although the Demands for Grants presented to Legislature and the Appropriation Accounts are for gross expenditure and exclude the credits and recoveries which are otherwise taken as reduction of expenditure.

6. In certain cases, the heads of accounts under which Budget provision had been made by the State Government have been adopted for classification in the accounts for 1988-89. The revision of classification to conform to the change in accounting classification introduced from 1st April 1987 has been taken up with the State Government for adoption in the accounts of subsequent years.

## EXPLANATORY NOTES

Out of 93 Irrigation schemes (1987-88) declared as commercial, 67 Schemes are revenue earning. Out of this, 43 schemes cost more than one crore each. The net loss during 1987-88 expressed as a percentage of the capital outlay (both direct and indirect) works out to 4.99 as against 5.06 for the previous year. The continued loss in respect of all projects is mainly due to decrease in revenue and increase in working expenses. While there has been slight decrease in losses in respect of 31 Schemes, there has been increase in losses in respect of 12 schemes when compared to previous year.

For the purpose of proforma accounts, works in Irrigation department are classified as 'PRODUCTIVE' or 'UNPRODUCTIVE' according as the net revenue (gross revenue less working expenses) derived from each work on the expiry of ten years from the date of closing of construction estimate covers or does not cover the prescribed annual interest charges on capital invested.

The rate of interest for various years is as follows:-

1) For works sanctioned before 1st April 1937		
2) Between 1st April 1937 and 31st March 1941	4.50	per cent
3) Between 1st April 1941 and 31st March 1946	4.00	per cent
4) Between 1st April 1946 and 31st March 1973	5.00	per cent
5) Between 1st April 1973 and 31st March 1975	4.00	per cent
6) Between 1st April 1975 and 31st March 1978	7.00	per cent
7) Between 1st April 1978 and 31st March 1979	8.50	per cent
8) Between 1st April 1979 and 31st March 1980	8.25	per cent
9) Between 1st April 1980 and 31st March 1981	7.75	per cent
10) Between 1st April 1981 and 31st March 1982	8.00	per cent
11) Between 1st April 1982 and 31st March 1983	8.25	per cent
12) Between 1st April 1983 and 31st March 1984	8.75	per cent
13) Between 1st April 1984 and 31st March 1985	10.00	per cent
14) Between 1st April 1985 and 31st March 1986	10.25	per cent
15) Between 1st April 1986 and 31st March 1987	11.00	per cent
16) Between 1st April 1987 and 31st March 1988	12.25	per cent
	12.25	per cent

The productivity test involves certain proforma adjustments which do not appear in the regular Government Accounts.

No law has been passed by the Legislature of the State under the provisions of Article 293 of the Constitution laying down the limit within which Government may borrow on the security of the Consolidated Fund of the State.

## EXPLANATORY NOTES

1. *Internal Debt of the State Government* - This covers mainly long term loans raised in the open market, borrowings from autonomous bodies like the Life Insurance Corporation of India, National Co-operative Development Corporation, etc., and borrowings

of a purely temporary nature repayable within twelve months, such as ways and means advances from the Reserve Bank of India.

(i) During the year, a loan of Rs.1,84.63 crores was raised redeemable at par in 2008 and carrying 11.5 per cent interest.

(ii) No Land Ceiling Compensation Bonds were issued during the year. Repayments during the year were Rs.0.02 crore.

Full particulars of the outstanding loans will be found in Statement No.17 and Annexure thereto.

(iii) Arrangements for amortisation - In addition to the annual contribution to the respective depreciation funds, annual contribution from revenue is to be made to a Sinking Fund for amortisation of the loans.

The balances in the Fund at the commencement and at the end of 1988-89 are given below:-

(1)	Balance on 1st April 1988	Addition during the year	Withdrawal during the year	Balance on 31st March 1989
	(2)	(3)	(4)	(5)
Sinking Fund	132.20	30.77	20.97	142.00

( in crores of rupees )

Out of the total balance in the Fund, Rs.33.57 crores were invested in securities. The market value of these securities on 31st March 1989 as reported by Government was Rs.32.84 crores.

2. Loans and Advances from the Central Government  
Details of loans taken by the State from Government of India are given in Annexure to Statement No.17.

Arrangements for amortisation - The Government of Tamil Nadu have not considered any arrangement necessary for amortisation of loans taken from Government of India; their view is that in the present context when all the resources available with the State are mobilised for financing development schemes and when no real surplus is available for redemption of debt, there is no reason for disturbing the revenue accounts by including provision for non-obligatory sinking funds for repayment of loans.

3. Small Savings, Provident Funds, etc. - This comprises the provident fund balances of Government servants and certain other funds. The particulars are given in Statement No.17.

(ii) OTHER OBLIGATIONS

In addition to the above, the balances at the credit of earmarked and other funds as also certain deposits, to the extent to which they have not been invested but are merged with the general cash balance of Government, also constitute the liability of Government. The amount of such liability at the end of 1988-89 was Rs.992.40 crores as shown below; further details are given in Statement Nos.16 and 19:-

## Explanatory Notes

1. The cash balance represents the combined balances of Consolidated and Contingency Fund and Public Account.

(A) There was a difference of Rs.(-) 140.67 lakhs between the figures reflected in the accounts (Rs.212.75 lakhs) and that intimated by the Reserve Bank of India (Rs.353.42 lakhs). Difference to the extent of Rs.(-) 98.79 lakhs has been reconciled (March 1990) leaving a balance of Rs. (-) 41.88 lakhs which is under reconciliation.

The amount under "Deposits with Reserve Bank" represents the balance after taking into account the inter-Government monetary settlements advised to the Reserve Bank up to 25th April 1989.

The decrease of Rs. 72,78.62 lakhs in the general Cash balance from Rs. 60,74.12 lakhs at the beginning of 1988-89 to Rs. (-)12,04.50 lakhs at the end of the year is explained below :-

(1)	Increase (2)	Decrease (3)
	(in lakhs of rupees)	
Revenue Deficit	..	2,74,16.03
Increase in State Provident Funds and Small Savings deposits	95,21.27	..
Excess of disbursements over receipts from loans and advances by the State Government	..	1,92,65.05
Excess of receipts over disbursements under other debt, deposit, etc., heads	4,87,25.82	..

3. Deposits of Depreciation Reserve of Government Commercial undertakings - Motor Transport	..	..	..	..	..
4. Religious and Charitable Endowments Fund	..	..	..	..	2.43(A)
				Total	33,79.35

(A) The particulars are awaited from the department.

\* Differs by Rs. 4.63 lakhs from that reported by the Government viz. Rs. 90 lakhs and is due to the value of '3% conversion loan 1946' originally held under Railway Cess Fund of South Arcot district and linked to 6% Tamil Nadu loan 1986' requiring transfer to general Sinking Fund as held by Government. The difference is under reconciliation.

Under an agreement with the Reserve Bank of India, Government of Tamil Nadu have to maintain with the Bank a minimum balance of Rs. 110 lakhs on all the days. If the cash balance falls below the agreed minimum, the deficiency is made good by taking ways and means advances from the Bank which are however, limited to a maximum of Rs. 61.60 crores.

In addition, special ways and means advances not exceeding Rs. 22 crores are also made by the Bank whenever necessary. If even after the maximum advance is given, there is a shortfall in the minimum cash balance, the same is left uncovered. Overdrafts are given by the Bank, if the State has a minus balance after availing of the maximum advance.

Interest is payable on the advance, shortfalls and overdrafts. The advances carry interest at one per cent below the Bank rate for the first 90 days, one per cent above the Bank rate beyond 90 days and upto 180 days and 2 per cent above the Bank rate beyond 180 days. The Bank charges interest on the shortfalls in the minimum balance at one per cent below the Bank rate and on overdrafts at the Bank rate upto and including the seventh day and at 3 per cent above the Bank rate thereafter.

During the year 1988-89 the balance of the State Government with the Reserve Bank of India fell short of the agreed minimum on 111 days. The deficiency was made good by taking ways and means advances on 89 occasions and special ways and means advances on 5 occasions.

On 17 days there was a shortfall even after taking ways and means advances and special ways and means advances and Government had to obtain overdraft.

The total amount of advances and overdrafts obtained during the year was Rs. 8,79,26.00 lakhs and Rs. 67,40.14 lakhs respectively. The total amount of advances and overdrafts repaid during the year was Rs. 8,80,14.00 lakhs and Rs. 70,43.58 lakhs respectively. These include outstanding Ways and Means Advance of Rs. 88,60.00 lakhs and overdraft of Rs. 3,03.44 lakhs on 31st March 1988. The balance of outstanding ways and means advance on 31st March 1989 was Rs. 82,72.00 lakhs.

Interest paid on the advances and overdrafts was Rs. 2,10.53 lakhs.

## Explanatory Notes

1. The significance of the head "Government Account" is explained in note 4 below. The other headings in this summary take into account the balance under all account heads in Government books where Government have liability to repay the moneys received or have a claim to recover the amounts paid and also heads of accounts opened in the books for adjustment of remittance transactions. It must be understood that these balances cannot be regarded as a complete record of the financial position of the Government of Tamil Nadu as these do not take into account all the physical assets of the State, such as lands, buildings, communications, etc., nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

2. A summary of receipts, disbursements and balances under Debt, Contingency Fund and Public Account is given in Statement No. 16.

In almost all cases, there were unreconciled differences in the closing balances as reported in Statement No. 16 and that shown in the separate registers of other records maintained in the accounts office/departmental offices for the purpose. Steps are being taken to settle the discrepancies as soon as possible. In many cases, full details and documents required for the purpose are awaited from departmental/treasury officers as detailed in Appendix II.

The balances are communicated to the officers concerned every year for verification and acceptance. In a large number of cases, such acceptances have not been received. Instances where the verification and acceptance of balances involving large amounts have been delayed are given in Appendix III. In many cases delay extends over several years.

3. Adjustments consequent on reorganisation of States - Consequent on the formation of Andhra State from 1st October 1953, the closing balances under Debt and Public Account heads of the Composite State

\* See foot note (A) at page 355

on 30th September 1953 were allocated among the residuary Madras State, Andhra State and Mysore State on the basis laid down in the seventh schedule to the Andhra State Act, 1953. In a few cases where the basis of allocation of balances is still under settlement, the balances (including the balances relating to the former Bellary district passed partly to Andhra and partly to Mysore-now Karnataka) pertaining to the Composite Madras State have been provisionally brought over on the books of the residuary Madras State, pending transfer of the portion attributable to the other two States after settlement is reached. A similar course has been followed consequent on reorganisation of States from 1st November 1956.

4. **Government Account** - Under the system of book-keeping followed in the Government accounts, the amounts booked under revenue, capital heads and other transactions of Government the balances of which are not carried forward from year to year in the accounts are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions so that after adding thereto the balances under Contingency Fund, Public Debt, Loans and Advances, Small Savings, Provident Funds, etc., Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (other than Miscellaneous Government Account) and Remittances, the closing cash balance at the end of the year may be worked out and proved. The Government account for 1988-89 given below, will show how the balance at the end of the year has been arrived at.

*Explanatory Note:-* Detailed accounts of Loans to Co-operative Institutions and banks, cultivators, statutory Corporations, Boards and Government Companies (Except certain categories of Loans) and other parties (Except loans under the control of Chief Electrical inspector to Government) are maintained by departmental officers who have not completed the reconciliation of their figures with those of the Accounts Office. Pending reconciliation and furnishing of Schemewise details for the outstanding loans as on 31st March, 1974 the balances as on 31st March 1974 have been provisionally taken under one of the minor heads under the revised classification introduced from 1st April 1974. With the introduction of revised classification from 1st April 1987, the balances as on 31st March 1987 have again been provisionally taken under minor heads to which they may reasonably be related pending reconciliation and receipt of scheme-wise details from the departmental offices. The reasons for the minus balances appearing under some of the minor heads

are due to this provisional allocation of the balances and in the rest of the cases the reasons for the minus balances have not been intimated by the Department.
