#### Certificate of the Comptroller and Auditor General of India

This Compilation containing the Finance Accounts of the Government of Union Territory of Jammu and Kashmir for the year ending 31 March 2021 presents the financial position along with accounts of the receipts and disbursements of the Government of Union Territory for the year. These accounts are presented in two volumes, Volume-I contains the consolidated position of the State of Finances and Volume-II depicts the Accounts in detail. The Appropriation Accounts of the Government of Union Territory of Jammu and Kashmir for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of Article 149 of the Constitution of India and Section 71 of Jammu and Kashmir Re-organisation Act, 2019 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and/ or departments responsible for the keeping of such accounts functioning under the control of the Government of Union Territory of Jammu and Kashmir and the statements received from the Reserve Bank of India. Statements (No. 7, 8, 9, 19 and 20), explanatory notes (Statement No. 5, 6 and Annexure to Statement No. 2) and Appendices (IV, V, VI, VIII, IX, XI and XII) in this compilation have been prepared directly from the information received from the Government of Union Territory of Jammu and Kashmir/ Corporations/ Companies/ Societies/ Public Financial Management System (PFMS) portal who are responsible to ensure the correctness of such information.

The treasuries, offices and/or departments functioning under the control of the Government of Union Territory of Jammu and Kashmir are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules, and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the Legislature of the Union Territory of Jammu and Kashmir. My responsibility for the preparation of Accounts is discharged through the office of the Principal Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Principal Accountant General (Audit)

in accordance with the requirements of Section 72 of the Jammu and Kashmir Re-organisation Act, 2019 for expressing an opinion on these accounts based on the results of such audit. These offices are independent organisations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position, and the receipts and disbursements of the Government of Union Territory of Jammu and Kashmir for the year 2020-2021.

Points of interest arising from study of these accounts as well as test audit conducted during the period or earlier years are contained in my other Reports.

#### **Emphasis of Matter**

I want to draw attention to the following significant issues which are important from the point of view of accuracy, transparency and completeness of these accounts and maintaining legislative financial control over public finances:

1. Transactions of Revenue nature of ₹ 61.59 crore relating to Grants-in-Aid were booked as Capital Expenditure in violation of Indian Government Accounting Standards (IGAS-2), which specifies booking of such transactions as Revenue Expenditure. In addition, other expenditure of Revenue nature of ₹ 128.22 crore was also booked as Capital Expenditure. This led to understatement of Revenue Deficit to the extent of ₹ 189.81 crore.

2. Fourteen Government Departments of Government of Union Territory of Jammu and Kashmir did not submit 356 Detailed Countersigned Contingent (DCC) bills amounting to ₹ 5,280.71 crore for the period from 31 October 2019 to 31 March 2021 and therefore, there is no assurance that the expenditure of ₹ 5,280.71 crore has actually been incurred for the purpose for which it was authorised.

The audit observations on the above issues are detailed in the Union Territory Finances Audit Report of the Government of Union Territory of Jammu and Kashmir for the year ended 31 March 2021.

#### **Guide to the Finance Accounts**

#### A. Broad overview of the structure of Government accounts

- 1. The Finance Accounts of the Government of Union Territory of Jammu and Kashmir present the accounts of receipts and outgoings of the Government of Union Territory for the period from 1 April 2020 to 31 March 2021, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the Liabilities and Assets of the Government of Union Territory as worked out from the balances recorded in the accounts.
  - **2.** The Accounts of the Government of Union Territory are kept in three parts:

Part I: Consolidated Fund: This Fund comprises all Revenues received by the Government of Union Territory, all Public Debt, Loans and Advances raised by the Government of Union Territory (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, etc.), Ways and Means Advances extended by the Reserve Bank of India and all moneys received by the Government of Union Territory in repayment of Loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments etc.), constitute a charge on the Consolidated Fund of the Union Territory (Charged Expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted Expenditure) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Public Debt, Loans and Advances). These are further categorised under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, viz., 'Tax Revenue', 'Non Tax Revenue' and 'Grants-in-Aid and Contributions'. These three sectors are further divided into sub-sectors like 'Taxes on Income and Expenditure', 'Fiscal Services', etc. The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, viz., 'General Services', 'Social Services', 'Economic Services' and 'Grants-in-Aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors like, 'Organs of State', 'Education, Sports, Art and Culture' etc. The Capital Expenditure section is sub-divided into seven sectors, viz., 'General Services', 'Social Services', 'Economic Services', 'Public Debt', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

Part II: Contingency Fund: This Fund is in the nature of an imprest which is established by the Legislature by law, and is placed at the disposal of the Lieutenant Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the Legislature. The fund is recouped by debiting the expenditure to the concerned functional Major Head relating to the Consolidated Fund of the Union Territory. The Contingency Fund of the Government of Union Territory of Jammu & Kashmir during 2020- 2021 is ₹ 25.00 crore.

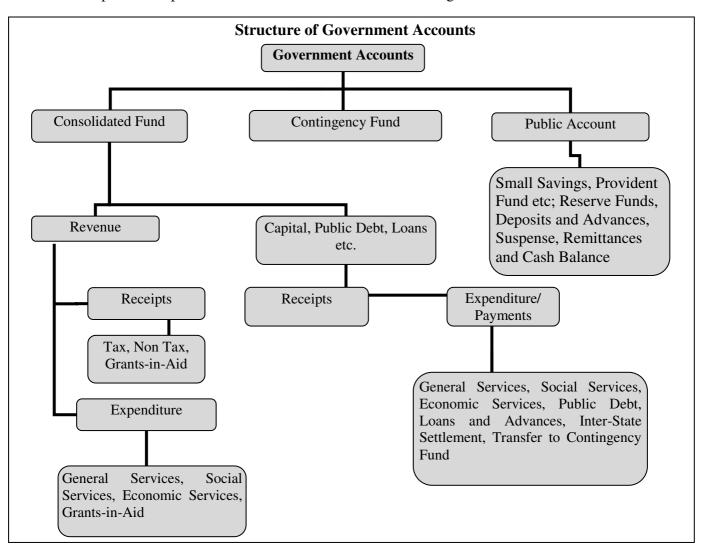

Part III: Public Account: All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayables like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense Heads (both of which are transitory Heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, viz., 'Small Savings, Provident Funds etc.', 'Reserve Funds', 'Deposits and Advances', 'Suspense and

Miscellaneous', 'Remittances' and 'Cash Balance'. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

- **3.** Government accounts are presented under a six tier classification, viz., Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (two characters), Detailed Heads (two to three digits), and Object Heads (two or three digits). Major Heads represent functions of Government, Sub- Major Heads represent sub-functions, Minor Heads represent programmes/ activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes and Object Heads represent purpose/ object of expenditure.
- **4.** The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected upto March 2017)

0005 to 1606Revenue Receipts2011 to 3606Revenue Expenditure4000Capital Receipts4046 to 7810Capital Expenditure (including Public Debt, Loans and Advances)7999Appropriation to the Contingency Fund8000Contingency Fund8001 to 8999Public Account

- **5.** The Finance Accounts, generally (with some exceptions), depict transactions upto the Minor Head. The figures in the Finance Accounts are depicted at net level, i.e., after accounting for recoveries as reduction of expenditure. This treatment is different from the depiction in the Demands for Grants presented to the Legislature and in the Appropriation Accounts, where, expenditure is depicted at the gross level.
  - **6.** A pictorial representation of the structure of accounts is given below:

Certain transactions that appear in the accounts do not involve actual movement of cash at the time of booking. Some of these transactions take place at the level of the account rendering units (e.g., treasuries, divisions etc.) themselves. For instance, transactions involving adjustment of all deductions (GPF, recoveries of advances given etc.) from salaries are recorded by debiting functional Major Heads (pertaining to the concerned department) by book

adjustment to Revenue Receipt/Loans/Public Account. Similarly, 'nil' bills where moneys transferred between the Consolidated Fund and Public Account represent non-cash transactions occurring at the level of the accounts rendering units.

In addition of the above the Principal Accountant General/Accountant General (A&E) carries out periodical adjustments and book adjustments of the following nature in the accounts of the Union Territory Government, details of which appear in Annexure to Notes to Accounts (Volume I) and footnotes to the relevant statements.

Examples of periodical adjustments and book adjustments are given below:

- (1) Creation of funds/ adjustment of contribution to Funds in Public Account by debit to Consolidated Fund e.g., State Disaster Response Fund, Central Road Fund, Reserve Funds, Sinking Fund, etc.
- (2) Crediting of deposit heads of accounts in Public Account by debit to Consolidated Fund.

If the balance falls below the agreed minimum on any day, the deficiency is made good by taking Normal and Special Ways and Means Advances/ Overdrafts from time to time. There is no change in the above limit of minimum daily cash balance upto 31 March 2021.

To the cash balance so arrived, the maturity of 14 days Treasury Bills, if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. If the net cash balance arrived at results in less than the minimum cash balance or a credit balance and if there are no 14 days Treasury Bills maturing on that day, RBI rediscounts the holdings of the 14 days Treasury Bills and makes good the shortfall. If there is no holding of 14 days Treasury Bills on that day the Government applies for Ways and Means Advances/ Special Ways and Means Advances/ Overdraft.

#### **Explanatory Notes**

B Government Account: Under the system of book-keeping followed in Government accounts, the amount booked under Revenue, Capital and other transactions of Government the balances of which are not carried forward from year to year in the accounts, are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund, etc. are added and the closing cash balance at the end of the year (31 March 2021) is to be worked out and proved.

The other headings in the summary taken into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

It must be understood that these balances cannot be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State/UT, such as lands, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

The net amount at the debit of Government Account at the end of the year (31 March 2021) has been arrived at as under:

#### **NOTES TO ACCOUNTS**

#### 1 Summary of significant Accounting Policies:

#### i Entity and Accounting Period:

These accounts present the transactions of the Government of Union Territory of Jammu and Kashmir for the period 1 April 2020 to 31 March 2021. The accounts of receipts and expenditure of the Government of Union Territory of Jammu and Kashmir have been compiled based on the initial accounts rendered by 121 Treasuries (including 20 District Treasuries), and Advices of the Reserve Bank of India. As, the Government of Jammu and Kashmir had already switched over to Civil Accounting System for Works and Forest Divisions (in previous years), no monthly accounts were due from these Divisions during 2020-2021. No accounts have been excluded at the end of the year.

#### ii Basis of Accounting:

With the exception of some book adjustments (**Annexure A**), the accounts represent the actual cash receipts and disbursements during the accounts period. Physical Assets and Financial Assets such as investments etc., are shown at historical cost i.e., the value in the year of acquisition/purchase. Physical Assets are not depreciated or amortised. Losses in Physical Assets at the end of their life are also not expensed or recognised. Retirement benefits disbursed during the accounts period have been reflected in the accounts, but the future pension liability of the Government of Union Territory, i.e., the liability towards payment of retirement benefits for the past and the present service of its employees is not included in the accounts.

#### iii Currency in which Accounts are kept:

The accounts of Government of Union Territory of Jammu and Kashmir are maintained in Indian Rupees (₹).

#### iv Form of Accounts:

As per the section 71 of the Jammu and Kashmir Re-organisation Act, 2019, the accounts of the Union Territory of Jammu and Kashmir are kept in such form as the Lieutenant Governor may, after obtaining advice of the Comptroller and Auditor General of India, prescribe by rules. The word "form" has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate Heads of Accounts under which the transactions are to be classified.

#### v Classification of Expenditure as Revenue or Capital:

Revenue Expenditure is recurring in nature and is intended to be met from Revenue Receipts. Capital Expenditure is defined as expenditure incurred with the objective of increasing concrete assets of a material and permanent character or of reducing permanent liabilities.

#### 2. Consolidated Fund:

#### (i) Goods and Services Tax:

Goods and Services Tax (GST) was introduced with effect from 1 July 2017. During the year 2020-21, the Union Territory GST collection was ₹ 4,839.35 crore compared to ₹ 2,115.75 crore in 2019-20 (31 October 2019 to 31 March 2020 pertaining to Union Territory of Jammu and Kashmir formed under Jammu and Kashmir Re-organisation Act, 2019), registering an increase of ₹ 2,723.60 crore (128.73 per cent); the huge increase is due to only five months accounts for 2019-20. This includes Advance Apportionment of IGST amounting to ₹ 3,311.00 crore. Besides, the Union Territory also received, compensation of ₹ 2,171.22 crore on account of loss of revenue arising out of implementation of GST during 2020-21.

#### (ii) Misclassification between Revenue and Capital Expenditure:

During the year 2020-21, Government of Union Territory of Jammu and Kashmir incorrectly booked expenditure of ₹ 189.81 crore under Capital Section instead of Revenue Section as has been determined from the purpose of expenditure. The impact of misclassification on the Revenue/ Fiscal Deficit of the Government of Union Territory is given under para (7) and Annexure-B.

# (iii) Reconciliation of Receipts and Expenditure between Chief Controlling Officers (CCOs)/ Controlling Officers (COs) and Principal Accountant General (A&E):

All Chief Controlling Officers/Controlling Officers are required to reconcile receipts and expenditure of the Government with the figures accounted for by the Principal Accountant General (A&E), Jammu and Kashmir. During the year, receipts amounting to ₹ 48,444.58 crore [92.28 *per cent* of total receipts (₹ 52,495.48 crore)] and expenditure amounting to ₹ 40,905.14 crore [64.82 *per cent* of total expenditure (₹ 63,104.13 crore)] were reconciled by the Government of Union Territory of Jammu and Kashmir.

#### (iv) Bookings under Minor Head 800-Other Expenditure and 800-Other Receipts:

The Minor Head 800-Other Expenditure/ 800-Other Receipts is to be operated only when the appropriate Minor Head has not been provided in the accounts. Routine operation of Minor Head 800 should be discouraged, since it renders the accounts opaque.

During the year 2020-21, ₹ 4,677.34 crore under 48 Major Heads of Accounts, constituting 7.41 *per cent* of the total Revenue and Capital Expenditure (₹ 63,104.13 crore) was classified under the Minor Head 800-Other Expenditure in the accounts. Power Receipts under Major Head-0801) under 38 Major Heads of Account, constituting 7.13 *per cent* of the total Revenue Receipts (₹ 52,495.48 crore) was classified under Minor Head 800-Other Receipts in the accounts. Details of substantial receipts (50 *per cent* and above) booked under the Minor Head 800 -Other Receipts are given in **Annexure-D.**

#### (vi) Unadjusted Abstract Contingent (AC) Bills:

Drawing and Disbursing Officers (DDOs) are required to present Detailed Countersigned Contingent (DCC) bills containing vouchers in support of final expenditure against the payments drawn on Abstract Contingent (AC) bills. Delayed submission or prolonged non-submission of supporting DCC bills renders expenditure through AC bills opaque and the expenditure shown in the Finance Accounts cannot be vouched as correct or final.

(a) Out of 719 AC bills amounting to ₹ 5,187.43 crore drawn during the year 2020-21, 604 AC bills amounting to ₹ 2,379.15 crore (45.86 *per cent*) were drawn in March 2021. The outstanding balance under these Heads is worked out by aggregating the outstanding debit and credit balances separately under various Heads. The position of gross figures under major suspense Heads for the last two years 2019-20 (31 October 2019 to 31 March 2020) and 2020-21 of Union Territory of Jammu and Kashmir is given in **Annexure-K.**

#### (iv) Central Road Fund (CRF):

Government of India provides annual grants under the Central Road Fund (CRF) to the Government of Union Territory to incur expenditure on specific road projects. Thereafter the amount so received is to be transferred by the Government of Union Territory to the Public Account under Major Head "8449-Other Deposits-103 Subvention from Central Road Fund", through Revenue Expenditure Major Head "3054-Roads and Bridges". This process ensures that receipt of the grants do not result in overstatement of Revenue Surplus or understatement of Revenue Deficit in the accounts. The expenditure on prescribed road works under CRF will first be accounted for under the relevant Capital Expenditure section Major Head "5054-Capital Outlay on Roads and Bridges" and reimbursed out of the Public Account under Major Head-8449 as a deduct expenditure to the concerned Major Head-5054.

During the year 2020-21, the Government of Union Territory of Jammu and Kashmir received grants of ₹ 79.40 crore towards CRF and transferred the entire amount to the Deposit Head- 8449 through expenditure Head-3054.
