Audit of the Finance Accounts of the Government of Arunachal Pradesh

Opinion

The Finance Accounts of the Government of Arunachal Pradesh for the year ended 31 March 2023 present the financial position along with accounts of the receipts and disbursements of the Government for the year involving transactions from and/ or to the Consolidated Fund, the Contingency Fund and the Public Account of the State. The compilation of Finance Accounts comprises two Volumes; Volume-I contains the consolidated position of the state of finances and explanatory 'Notes to Finance Accounts' including a summary of Significant Accounting Policies and Volume-II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations, which represent the budget comparison, are presented separately.

On the basis of the information and explanations that my officers required and have obtained and as a result of test audit of the accounts, in my opinion, the Finance Accounts read with the explanatory 'Notes to Accounts' present fairly the financial position and the receipts and disbursements of the Government of Arunachal Pradesh for the year 2022-23.

Observations arising from audit of these accounts as well as audit conducted during the year or earlier years are contained in my Financial, Compliance and Performance Audit Reports on the Government of Arunachal Pradesh being presented separately for the year ended 31 March 2023.

Basis for Opinion

The conduct of audit is in accordance with the CAG's Auditing Standards. These Standards require that we plan and perform audits to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. The audit evidence that we have obtained provides a basis for my opinion.

Responsibilities for Preparation of the Initial and Subsidiary Accounts

The State Government is responsible for obtaining authorisation of budget from the State Legislature. The State Government and those responsible for execution of budget such as treasuries, offices and departments of the Government of Arunachal Pradesh are responsible for preparation and correctness of the initial and subsidiary accounts as well as for ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations.

Also, they are responsible for rendering the initial and subsidiary accounts and information related thereto to the Office of the Principal Accountant General of Arunachal Pradesh for compilation and preparation of the Finance Accounts.

Responsibilities for Compilation of Annual Accounts

This is in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971.

The Annual Accounts have been compiled from the vouchers, challans and initial and subsidiary accounts as received from the treasuries, offices and departments of the Government of Arunachal Pradesh and the statements received from the Reserve Bank of India.

Statements (9, 10 and 20), explanatory notes to Statements (14, 15 and 16), Annexures to Statement 17b (i), 17b (ii), 17c (i), 17c (ii) and Appendices (IV, VI, VII, VIII, IX, XI and XII) in this compilation have been prepared directly from the information received from the Government of Arunachal Pradesh and the Union Government who are responsible for such information.

Responsibilities for the Audit of the Annual Accounts

The audit of the Annual Accounts is conducted through the Audit Wing of the Office of the Principal Accountant General in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's

GUIDE TO THE FINANCE ACCOUNTS

A. Broad Overview of the Structure of Government Accounts

The Finance Accounts of the State of Arunachal Pradesh present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital Accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts. The Finance Accounts are accompanied by Appropriation Accounts, which present comparison of expenditure against the Grants/ Appropriations.

1. The Accounts of the Government are kept in the following three parts:

Part I: Consolidated Fund: This Fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, etc.), Ways and Means Advances (WMA) extended by the Reserve Bank of India (RBI) and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund, except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments, etc.), constitute a charge on the Consolidated Fund of the State (Charged Expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted Expenditure) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Public Debt, Loans and Advances). These are further categorised under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, *viz.*, 'Tax Revenue', 'Non Tax Revenue' and 'Grants-in-Aid and Contributions'. These three sectors are further divided into sub-sectors like 'Goods and Services Tax', 'Taxes on Income and Expenditure', 'Fiscal Services', *etc.* The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, *viz.*, 'General Services', 'Social Services', 'Economic Services' and 'Grants-in-Aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors, like, 'Organs of State', 'Education, Sports, Art and Culture', *etc.* The Capital Expenditure section is sub-divided into seven sectors, *viz.*, 'General Services', 'Social Services', 'Economic Services', 'Public Debt', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

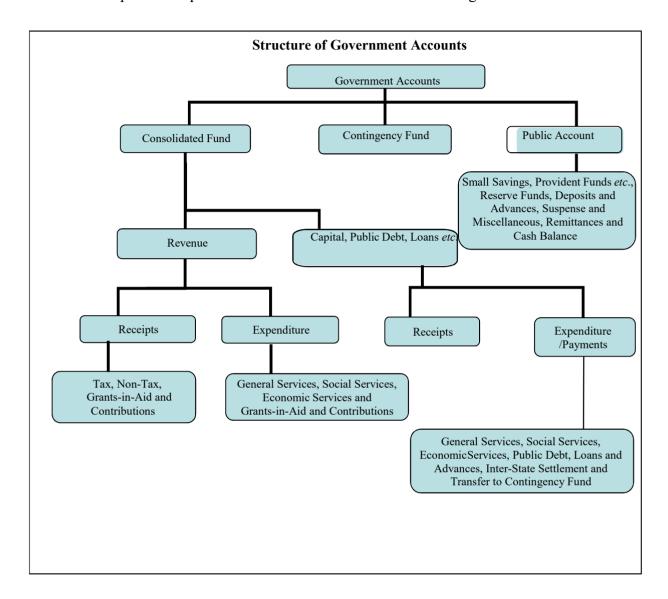

Part II: Contingency Fund: This Fund is in the nature of an imprest which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Arunachal Pradesh for 2021-2022 is ₹0.05 crore.

Part III: Public Account: All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayable such as Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, *viz.*, 'Small Savings, Provident Funds, *etc.*', 'Reserve Funds', 'Deposit and Advances', 'Suspense and Miscellaneous', 'Remittances', and 'Cash Balance'. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

- 2. Government accounts are presented under a six tier classification, *viz.*, Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (two digits), Detailed Heads (two to three digits) and Object Heads (two / three/ four digits). Major Heads represent functions of Government, Sub-Major Heads represent sub-functions, Minor Heads represent programmes/ activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes and Object Heads represent purpose/ object of expenditure.
- **3.** The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected up to 31 March 2023).

0005 to 1606	Revenue Receipts
2011 to 3606	Revenue Expenditure
4000	Capital Receipts
4046 to 7810	Capital Expenditure (including Public Debt, Loans and Advances)
7999	Appropriation to the Contingency Fund
8000	Contingency Fund
8001 to 8999	Public Account

Notes to Finance Accounts for the year 2022-23

1. Summary of Significant Accounting Policies:

These accounts present the transactions of the Government of Arunachal Pradesh. The accounts of receipts and expenditure of the Government of Arunachal Pradesh have been compiled based on the initial accounts rendered by 37 Treasuries, 51 Public Works Divisions, 37 Public Health Engineering Divisions, 35 Power Divisions, 20 Department of Hydro Power Divisions, 24 Urban Development and Housing Divisions, 31 Rural Works Divisions, 28 Water Resources Divisions, 48 Forest Divisions and Advices of the Reserve Bank of India. No accounts have been excluded at the end of the year.

(ii) Reporting Period:

The reporting period of these accounts is 1 April 2022 to 31 March 2023.

(iii) Reporting Currency:

The accounts of the Government of Arunachal Pradesh are reported in Indian Rupees (₹).

(iv) Form of Accounts:

Under Article 150 of the Constitution of India, the accounts of the Union and of the States are kept in such form as the President may, on the advice of the Comptroller and Auditor General of India, prescribe. The word "form" used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads of accounts under which the transactions are to be classified, which forms the chart of accounts.

(v) Basis of Budget and Financial Reporting:

As per the provisions of Article 202 of the Constitution of India, a statement of estimated receipts and expenditure, the Annual Financial Statements (called Budget) for a financial year is presented to the legislature in form of grants/ appropriations before the commencement of the financial year. Budget is presented on gross basis without the recoveries and receipts which are otherwise permitted to be set off in reduction of expenditure. All grants/ appropriations relating to heads of budget and accounts, whose balances are not carried forward, lapse at the end of the financial year.

Budget and Accounts: Both budget and accounts of the State follow the same accounting period, cash basis of accounting and uniform basis of classification. The accounts are classified as per the List of Major and Minor Heads to the level of Minor Heads as notified by the Controller General of Accounts in consultation with the Comptroller & Auditor General of India. Classification followed below Minor Heads is as agreed to by the Office of the Accountant General (Accounts and Entitlements) in each state.

A separate budget comparison statement is presented as Appropriation Accounts, which represent actual disbursements in comparison to the grants/ appropriations.

Cash basis: The accounts represent the actual cash receipts and disbursements during the reporting period with the exception of such book adjustments which are authorised. Receipts and disbursements in the Finance Accounts are on net basis; net of recoveries, deductions and refunds.

Book Adjustments: Book adjustments are non-cash transactions that appear in the accounts as adjustments/ settlements. Some of these transactions take place at the level of the account rendering units, *e.g.*, treasuries, divisions, *etc.*, for adjustments of deductions and recoveries from salaries to Revenue Receipts/ Loans/ Public Account, 'nil' bills for transfer of moneys between the Consolidated Fund and Public Account, *etc.*

Book adjustments are also carried out at Office of the Principal Accountant General. These, amongst others, include booking for creation of and contribution to funds in Public Account by debit to Consolidated Fund (e.g., State Disaster Response Fund, Central Road and Infrastructure Fund, Sinking Fund, etc.) crediting deposit heads of accounts in Public Account by debiting Consolidated Fund; annual adjustment of interest on General Provident Fund and State Government Group Insurance Scheme by debiting Major Head 2049-Interest Payments and crediting relevant Major Heads in Public Account; adjusting Debt waiver under the scheme of Government of India based on the recommendations of the Central Finance Commissions, recoupment of Contingency Fund, etc.

Classification between Capital and Revenue Expenditure: Significant expenditure incurred with the object of acquiring tangible assets of a permanent nature (for use in the organisation and not for sale in the ordinary course of business) or enhancing the utility of existing assets, are broadly defined as Capital expenditure. Subsequent charges on

maintenance, repair, upkeep and working expenses, which are required to maintain the assets in a running order as also all other expenses incurred for the day to day running of the organisation, including establishment and administrative expenses are classified as Revenue expenditure. Capital and Revenue expenditure are shown separately in the Accounts.

Physical and Financial Assets and Liabilities: Physical Assets and Financial Assets (such as, investments, loans and advances made by the Government, *etc.*), as well as Liabilities, such as, debt, *etc.*, are measured at historical cost. Physical Assets are not depreciated, and financial assets are not amortised. Losses in Physical Assets at the end of their life are also not expensed or recognised.

Grants-in-Aid: In compliance with the Indian Government Accounting Standard (IGAS) 2: Accounting and Classification of Grants-in-Aid, Grants-in-Aid in cash is recognised as revenue expenditure at the time of disbursement even if it involves creation of assets by the grantee, except in cases specifically authorised by the President on the advice of the Comptroller and Auditor General of India. All grants received are recognised as revenue receipts. Details for meeting the requirements of accounting and classification of Grants-in-Aid given by the State Government are depicted in Statement 10 and Appendix III of the Finance Accounts. Detailed information in respect of Grants-in-Aid given in kind is not available.

Loans and advances: In compliance with the IGAS 3: Loan and Advances made by Government, details of loans and advances made by the State Government are disclosed in Statements 7 and 18 of the Finance Accounts. The closing balances depicted in Statements as on 31 March 2023 is as provided by the State Government.
