## GRANT NO. 19 Contd.

(a) **Suspense Transaction** : The expenditure under the grant includes Rs. 13,65.38 lakhs booked under suspense which is not a final head of account. It accommodates transaction pending their adjustment to the final head of account, therefore, the balance under 'suspense' heads are carried forward from year to year under the head "Suspense" .

Three Sub-heads viz., (i) Stock, (ii) Purchase, and (iii) Miscellaneous works advance are operated in the books of the state. The nature of transaction under each of those sub-heads is explained below :-

(i) **Stock** : To this head are charged the values of materials acquired, not for any particular work but for general use of division. It is credited with the value of materials issued for use on works or sold or transferred to other divisions. This sub-head will, therefore have a plus or debit balance normally for the value of materials held in stock and unadjusted charges connected with manufacture, if any .

(ii) **Purchase** : Upto 10<sup>th</sup> March 1997 value of materials received for specific work or for general stock, but not paid for within the month, was adjustable by debit to the accounts of the work of stock with corresponding credit to "Purchase" . The value of such materials when paid for or adjusted by transfer was debited to the suspense head "Purchase" clearing the initial credit. With the introduction of the revised procedure, separate sub-heads within the account of the work and stock, are now operated for recording value of materials pending payment. The suspense head "Purchase" thus shows old balance representing value of materials received but still not paid for or adjusted .

(iii) **Miscellaneous Works Advance** : Under this sub-head are booked debit for the value of stores sold on credit, expenditure incurred on deposit works in excess of deposits received, losses of cash or stores not written off and sums recoverable from Government Servants, etc. A debit balance under this sub-head represents recoverable amount.

(b) An analysis of transactions under the head of accounts "Suspense" under Major head "2059-Public Works" during the year, 2003-2004 alongwith the opening and closing balance for the year are given below :-

Head	Opening balance On 1 <sup>st</sup> April 2003	Debits (Debit + (In lakhs of rupees)	Credits Credit -)	Closing balance on 31 <sup>st</sup> March 2004
