APPENDIX VIII- SUMMARY OF BALANCES - Contd.

(CONSOLIDATED FUND, CONTINGENCY FUND AND PUBLIC ACCOUNT)

B. Government Account :-

Under the system of book-keeping followed in Government accounts, the amounts booked under revenue and capital heads and other transactions of Government, the balances of which are not carried from year to year in the accounts, are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (other than Miscellaneous Government Account), Remittances and Contingency Fund, etc, are added and the closing cash balance at the end of the year is to be worked out and proved.

The other headings in the summary take into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State, such as lands, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

C. Adjustments under States' Reorganisation Act, 1956 and Bombay Reorganisation Act, 1960 :-

As a result of the reorganisation of States with effect from 1 November 1956, the closing balances of the former Bombay State under Debt, Deposit and Remittance heads on 31 October 1956 were revised according to the provisions of the States Reorganisation Act, 1956. A part of the balances of the former Bombay State allocable to Mysore and Rajasthan States consequent on the transfer of certain areas to those States were dropped from the balances of the new Bombay State on 1 November 1956. Likewise, the entire balances of the former Saurashtra State and Kutch (so far as they related to State subjects) and a part of the balances of the former Madhya Pradesh and Hyderabad States were included in the balances of the new Bombay State on that date (as a result of inclusion of additional areas in the new Bombay State)

Similarly, consequent on bifurcation of the composite Bombay State from 1 May 1960, certain balances allocable to the Gujarat State according to the Bombay Reorganisation Act, 1960 were dropped.

A list of balances allocation of which has not been finalised is given in Appendix XI

APPENDIX -IX - FINANCIAL RESULTS OF IRRIGATION SCHEMES

(i) - FINANCIAL RESULTS OF IRRIGATION WORKS 2012-2013

According to the present classification, the Irrigation Works are divided into "Commercial" and "Non- Commercial". In the administrative accounts of Irrigation Projects, however, the works are categorised as 'Productive' and 'Unproductive', accordingly as the net revenue (gross revenue less working expenses) estimated to be derived from each work, on the expiry of ten years from the date of closure of the construction-estimates, covers or does not cover, the prescribed annual interest charges on the capital invested.

The State Government revised the criteria for declaration of a scheme as 'Commercial' from 1971-72 according to which the irrigation works satisfying the following conditions are considered as "Commercial":-

(a) Schemes, completed before 1 April 1951 (i.e. before commencement of the First Five Year Plan) and each costing more than Rs.10 lakh or irrigating more than 4,000 acres.

(b) Schemes, the construction of which had been completed after 31 March 1951 and which have been considered as major irrigation schemes or medium irrigation schemes.

The categories of schemes as Major, Medium and Minor are done by the Government of Maharashtra as given below :-

| Category | Monetary Limit |
|----------|--|
| Major | More than ₹ 500 Lakh. |
| Medium | More than ₹25 lakh(₹30 lakh in Hilly areas) and not more than ₹500 Lakh. |
| Minor | Costing upto ₹ 25 lakh. |

The capital outlay on major works to the end of 2012-2013, their works expenses and revenue receipts from them are shown in the statement at pages 396-397 The revenue receipts of all six schemes shown in the statement were not adequate except Bhatsa Project to cover both working expenses and interest on capital outlay. There was an overall net loss of ₹ 19,10.69 lakhs (i.e.2.73 *per cent*) after meeting the working expenses & interest charges on capital outlay. The information regarding arrears in collection of water charges at the end of 2012-2013 is still awaited (August-2013).

No damage was noticed on portion of dam and because of which that portion of dam was not strengthened. However after 1967 earthquake, earthquake of various magnitude are being felt in Koyna - Warna Valley. After Killari's Massive earthquake on 30 September 1993, Government of Maharashtra has appointed an expert committee under Chairmanship of retired secretary Shri V. R. Deuskar, to study and recommend necessity of strengthening of 27 dams including Koyna dam in the eqrthquake prone zone across Maharashtra.
